Regulation No. 103 KAR 3:030

Contact Person: DeVon Hankins
Phone Number: (502)564-6660

(1) Provide a brief summary of:

(a) What this administrative regulation does: KRS 131.130(3) authorizes the Department of Revenue to prescribe forms necessary for the administration of any revenue law by promulgation of an administrative regulation incorporating the forms by reference. This administrative regulation incorporates by reference the required revenue forms used in the administration of Property and Severance Taxes by the Department of Revenue.

(b) The necessity of this administrative regulation: This administrative regulation is necessary in order for the Department of Revenue to meet the requirements of KRS Chapter 13A.110 which requires that forms required to be submitted by a regulated entity shall be included in an administrative regulation.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 131.130(3) authorizes the Department of Revenue to prescribe forms necessary for the administration of any revenue law by the promulgation of an administrative regulation incorporating the forms by reference. This administrative regulation incorporates by reference the required revenue forms used in the administration of Property and Severance Taxes by the Department of Revenue.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation incorporates by reference the required forms used in the administration of Property and Severance Taxes by the Department of Revenue.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment contains tax forms to be used for tax year 2013.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to update tax forms for the tax year 2013.

(c) How the amendment conforms to the content of the authorizing statutes: KRS 131.130(3) authorizes the Department of Revenue to prescribe tax forms necessary for the administration of the tax laws.

(d) How the amendment will assist in the effective administration of the statutes: This amendment will provide taxpayers with the necessary tax forms to file and pay personal tangible and public service property taxes for tax years beginning in 2013.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: All Kentucky taxpayers and their representatives will be affected by the listing of forms administered by the Department of Revenue in an administrative regulation. Local government will be affected to the extent they utilize forms administered by the Department of Revenue. The Department of Revenue will be affected to the extent that it administers the referenced forms.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: As forms are changed, the manuals and the Department of Revenue Website in which copies of all forms listed in this regulation are maintained will be updated.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): No additional costs will be incurred by complying with the regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): All taxpayers and the administering agencies will benefit by having access to a centralized listing of the most current forms in use.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: The Department of Revenue will not incur additional cost as the result of this regulation.

(b) On a continuing basis: The Department of Revenue will not incur additional costs as the result of this regulation.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: Department of Revenue agency funds.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: This administrative regulation does not require an increase in fees or funding.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish or increase any fees either directly or indirectly.

(9) TIERING: Is tiering applied? (Explain why or why not) Tiering was not applied because the requirements of this regulation apply to every taxpayer.
