DATE: January 14, 2010

SUBJECT: Discount Lodging Rates for State Government
Employees on Approved Business Travel

Because of the volume of necessary travel, a number of motels and hotels are pleased to offer a discount to attract state employees. The following list of discount lodging rates is provided only to make agencies and employees aware of the availability. This list supersedes previous Discount Lodging Rate lists.

This list is not a promotion of the listed motels and hotels and does not preclude employees from lodging at any other hotel or motel feasible during their official travel.

In order to obtain discounts at the motels and hotels listed, state employees, at the time of registration, should advise the registration desk that they will be requesting a discount. **Some hotels/motels may have certain restrictions.**

State employees are also encouraged to inquire when registering at any hotel or motel if they give discounts to government employees. This applies to both in-state and out-of-state travel.

Should questions or problems arise concerning these rates, contact Patricia Boler in the Office of the Controller at (502)564-2210.

NOTE: Per Governor Steven L. Beshear - Executive Order dated January 4, 2008 - state agencies are directed to require that state employees approved for in-state overnight travel shall use state park facilities when such accommodations are within 25 miles of their business destination.

Kentucky State Resort Parks

Kentucky State Resort Parks offer state employees on official travel inter-account accommodation charges at a tax-exempt rate. *The employee needs to make arrangements through their department to obtain approval for the inter-account authorization on a State Park Travel Authorization Form.* The manual form may be downloaded from the Internet at <http://finance.ky.gov/internal/eMARS/forms.htm>. A copy of the approved manual authorization must be provided to the front desk at check-in. This form must contain Supervisor authorization in the form of a signature as well as the accounting template to charge the agency for the stay.

The **State Employee Rate is \$59.95** plus applicable taxes per night, single or double occupancy in lodge rooms. The rate is good for business or leisure travel and is available year around, subject to availability.

Below is a listing of State Resort Parks, their addresses, and telephone numbers. Reservations can be made online at <http://www.kystateparks.ky.gov/reservations.htm>. If traveling for business or pleasure, where the employee pays upfront, you would need to use the SGI (State Government Individually Paid) code. This will qualify them for the \$59.95 lodge room rate we offer. State employees on business, inter-accounting to their agency would use the SGA (State Government Agency Paid) code. This also provides the \$59.95 lodge room rate, but doesn't require the entry of a credit card number to guarantee the reservation. In addition, reservations may be made by calling the park's respective Toll Free Number. Information may be obtained for all parks by calling 1-800-255-7275. Should you have any questions regarding inter-account authorization forms, please call the Accounting Division at 564-4264, extension 348. To inquire about group reservations, please call 564-2172.
