# SUMMARY OF COVERAGE REQUIREMENTS

## A. Fire and Extended Coverage Section

### 1. Coverage Extension - Newly Acquired or Constructed Property:

- a. **Buildings** - For coverage to apply to newly acquired or constructed buildings, they **must be** reported within 30 days after you acquire or take possession. If after 30 days you have not reported the building to us, then no coverage will be applicable. Once reported, **premium will be charged from the actual date you took beneficial occupancy.**

NOTE: Should a loss or damage occur to a newly acquired or constructed building that has not been reported, the most we will pay under this extension is \$500,000. **Coverage will cease at the end of 30 days if not reported.**

- b. **Contents** – A Coverage extension will be provided for newly acquired contents, but updated values must be reported to us within 120 days after you acquire, for coverage to continue. Coverage provided under this extension is \$500,000 per location.

### 2. Building Valuation:

You have the option of purchasing **REPLACEMENT COST COVERAGE** or **ACTUAL CASH VALUE COVERAGE** for your entire schedule of buildings or for individual buildings. *(Please note that the valuation you choose establishes how much you will be paid in the event of a loss and also how much premium you will pay).* You may choose either:

- **REPLACEMENT COST VALUE** – *The cost to replace it today with property of like kind and quality without deduction for depreciation.*
- **ACTUAL CASH VALUE** – *The cost to repair or replace the damaged property with materials of like kind and quality less depreciation of the damaged property.*

You can change the valuation you have chosen at any time simply by notifying our office in writing.

### 3. Reporting Requirements:

When requesting coverage please provide the following:

- a. **Buildings** - New locations should be reported by completing a ***Request for Property Insurance Form***. You will provide the initial value of the building until an appraisal can be conducted.
- b. **Contents** - Individually itemized schedules are not required for reporting contents values for coverage, with the exception of Fine Arts. Only the ***total value for each insured location is required to be reported for coverage to be in effect.*** You must also complete the "Request for Property Insurance Form" for new locations. *(A reminder that reporting the value of contents is the responsibility of the Certificate holder).*

**NOTE:** At the time of loss, there may be a coinsurance penalty applied in the event the amount of insurance in force is less than the actual cash value of your actual inventory. A schedule of contents taken from your inventory records may be required to validate the reported values.

4. **Reduction for Fire Protection Equipment:** Buildings that contain sprinkler systems that cover at least 90% of the total occupancy receive a reduction on fire rates for that location only if the system is properly maintained. The Finance and Administration Cabinet has a sprinkler system inspection contract in place for all buildings owned by the

Commonwealth. Inspections are available for both wet and dry systems and are performed once a year unless otherwise required by state law.

In order to be added to the inspection list, you will need to send your request to the Finance and Administration Cabinet in writing. The request should include the location of the building and the name of the person the inspector should contact. This information should be forwarded to:

**B. Inland Marine Coverage Section (Permanent)**

This section provides all-risks floater coverage for personal property wherever the items may be located within the covered territory, including while being transported. Coverage is written on a **scheduled basis only**. A list containing a description of each item, value of that item, serial number, and tag number, must be on file with our office in order for coverage to apply.

If you acquire additional personal property of a type already covered under this form, we will extend coverage to cover such property for 120 days up to a \$500,000 limit. You must report new acquisitions, submit the supporting schedules, and provide values within the 120 days for coverage to continue.

**C. Inland Marine Endorsement Section (Temporary)**

Temporary/short-term inland marine coverage may be purchased under this endorsement section. Coverage is provided for items on exhibit, in transit, on temporary loan, etc. Coverage must be requested in advance of the event, schedules and values provided, and appropriate premium paid in order for coverage to apply.

**D. Telephone Coverage Section**

You are responsible for reporting new phone systems. However, a close review of your schedule is advised to ensure that systems shown in the telephone section of your Certificate stay current. Any discrepancies should be reported immediately and are the responsibility of the certificate holder. (Please note: Telephone systems that are not specifically described on the telephone declarations page of your Certificate are not covered).

**E. Electronic Data Processing Coverage Section**

Itemized schedules are not required when reporting fixed computer values (Laptop Computers, refer to **B. Inland Marine Coverage Section – Permanent**). If you acquire additional equipment of a type already covered under this form, we will automatically cover such property for 120 days up to a \$500,000 limit. You must report new acquisitions, submit the supporting schedules, and provide values within the 120 days for coverage to continue.

**F. Business Income & Extra Expense Coverage Section**

This section provides insurance for loss of income suffered by an agency as a result of inability able to use property damaged by a covered cause of loss, during the time required to repair or replace it. If you have this type of exposure, please contact our office. Coverage is based on current and projected revenue statements. In order to purchase coverage you must provide a Business Income Statement.

**G. Exclusion of Certain Computer-Related Losses Endorsement**

This endorsement changes your coverage; please read it carefully. Under this endorsement, no coverage is provided unless otherwise noted in your coverage forms for the inability to correctly recognize, process, distinguish, interpret or accept one or more dates or times.

## H. Coinsurance Clause

We will not pay the full amount of any loss if the value of Covered Property at the time of Loss time the 90% Coinsurance requirement is greater than the Limit of Insurance for the property. Instead we will determine the most we will pay using the following steps:

- a. Multiply the value of Covered Property at the time of loss by the Coinsurance percentage.
- b. Divide the Limit of Insurance of the property by the figure determined in step (a)
- c. Multiply the total amount of loss before the application of any deductible, by the figure determined in step (b), and;
- d. Subtract the deductible from the figure determined in step (c). We will pay the amount determined in step (d) or the limit of insurance, which ever is less. Fore the remainder you will have to absorb yourself.

## I. Credits and Debits Program

1. Credits and Debits will be assessed for all coverages using the following criteria with the exception of the Electronic Data Processing Coverage Section and the Business Income and Extra Expense Section:
  - a. Annual premium must be at least \$500 to be eligible for a credit.
  - b. Credits may be removed or debits applied to premiums for certificate holder's that fail to comply with underwriting recommendations/requirements or loss control recommendations.
  - c. Losses attributable to natural disasters will be capped at \$500,000 for purposes of determining credits/debits.
  - d. A debit or credit of up to 35% may apply.

## **EXCLUSION OF WAR, MILITARY ACTION AND TERRORISM**

This endorsement modifies insurance provided under the following:

FIRE AND EXTENDED COVERAGE SECTION  
 INLAND MARINE COVERAGE SECTION  
 TELEPHONE COVERAGE SECTION  
 ELECTRONIC DATA PROCESSING COVERAGE SECTION  
 BUSINESS INCOME & EXTRA EXPENSE COVERAGE SECTION

**A.** The War And Military Action Exclusion is replaced by the following Exclusion. With respect to any Coverage Form to which the War And Military Action Exclusion does not apply, that Exclusion is hereby added as follows.

### **WAR AND MILITARY ACTION EXCLUSION**

We will not pay for loss or damage caused directly or indirectly by the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

1. War, including undeclared or civil war; or
2. Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
3. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this War And Military Action Exclusion supersedes the Nuclear Hazard Exclusion.

**B.** Regardless of the amount of damage and losses, the Terrorism Exclusion applies to any incident of terrorism:

1. That involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
2. That is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
3. In which pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

Except as provided in **B.1.**, **B.2.** or **B.3.** above, the Terrorism Exclusion will only apply to an incident of terrorism in which the total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of terrorism which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident.

The preceding paragraph describes the threshold used to measure the magnitude of an incident of terrorism and the circumstances in which the threshold will apply, for the purpose of determining whether the Terrorism Exclusion will apply to that incident. When the Terrorism Exclusion applies to an incident of terrorism, there is no coverage under the insurance identified in this endorsement.

In the event of any incident of terrorism that is not subject to the Terrorism Exclusion, coverage does not apply to any element of loss or damage that is otherwise excluded under the insurance identified in this endorsement.

#### **TERRORISM EXCLUSION**

We will not pay for loss or damage caused directly or indirectly by terrorism, including action in hindering or defending against an actual or expected incident of terrorism. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

Terrorism means activities against persons, organizations or property of any nature:

1. That involve the following or preparation for the following:
  - a. Use or threat of force or violence; or

- b. Commission or threat of a dangerous act; or
- c. Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and

2. When one or both of the following applies:

- a. The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
- b. It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology.

But with respect to any such activity that also comes within the terms of the War And Military Action Exclusion, that exclusion supersedes this Terrorism Exclusion.

In the event of an incident of terrorism that involves nuclear reaction or radiation, or radioactive contamination, this Terrorism Exclusion supersedes the Nuclear Hazard Exclusion.

6. Livestock shall be valued at the replacement cost or the actual cash value stated in statement of values on file with State Risk, whichever is greater.

8. If property damaged or destroyed is not repaired, rebuilt or replaced within a reasonable period after the loss or damage, State Risk shall not be liable for more than the actual cash value at the time of loss of the property damaged or destroyed. However, limitations imposed by federal, state or municipal building codes shall not result in actual cash valuation.

**All other provisions of this policy apply. This endorsement does not broaden the scope of what is deemed to be covered personal property for the purposes of coverage under the Fire and Tornado Certificate.**

## H. LOSS CONDITIONS

### 1. ABANDONMENT

There can be no abandonment of any property to us without our express prior written consent.

### 2. APPRAISAL

If you and we disagree on the value of the property or the amount of "loss", either may make written demand for an appraisal of the "loss". In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

### 3. DUTIES IN THE EVENT OF LOSS OR DAMAGE

You must see that the following are done in the event of loss or damage to Covered Property:

- a. Notify the police if a law may have been broken.

- c. Complete, sign and return to us, a Notice of Loss Form within (14) days after notifying us of a loss. Such form shall include a description of how, when, where the loss or damage occurred.
- d. Take all reasonable steps to protect the Covered Property from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the set-

tlement of the claim. This will not increase the Limit of Insurance.

- e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- f. Sign and return the Report and Proof of Loss form within (14) days from receipt of such form.
- g. Cooperate with us in the investigation or settlement of the claim.

- c. We will not pay you more than your financial interest in the Covered Property.
- d. We may adjust losses with the owners of lost or damaged property if other than you. We will not pay more than the owner's financial interest in the Covered Property.

  - (1) Vandalism;
  - (2) Sprinkler leakage, unless you have protected the system against freezing;
  - (3) Building glass breakage;
  - (4) Water damage;
  - (5) Theft; or
  - (6) Attempted theft.
- b. With respect to Covered Causes of Loss other than those listed in a.(1) through a.(6) above, we may reduce the amount we would otherwise pay for the loss or damage by 15%.

## 7. VALUATION

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in **b., c., d., e., f. and g.** below.

- d. Glass at the cost of replacement with safety glazing material if required by law.
- e. Tenant's Improvements and Betterments at:
  - (1) Actual cash value of the lost or damaged property if you make repairs promptly.
  - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:

- (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
- (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.
- f. Valuable Papers and Records, including those which exist on electronic or magnetic media (other than prepackaged software programs), at the cost of:
  - (1) Blank materials for reproducing the records; and
  - (2) Labor to transcribe or copy the records when there is a duplicate.
- g. With respect to **SCHEDULED FINE ARTS**, the most we will pay in the event of loss to covered property is the lesser of the following up to the limit of liability shown in the schedule:
  - (1) The cost of restoring the property to its condition immediately before the loss; or
  - (2) The cost of replacing the property with like kind and quality.

## 8. TRANSFER OF RIGHTS TO RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us immediately upon and to the extent of our payment. You must do everything necessary to secure our rights and must do nothing (after "loss") to impair them. If payment is made under this policy and you recover damages from another, you agree to hold in trust for us the proceeds of the recovery and shall reimburse us to the extent of our payment.

## 9. LIVESTOCK

With respect to "livestock", the term loss means death or destruction caused by, resulting from or made necessary by a covered cause of loss.

## I. ADDITIONAL CONDITIONS

### 1. CONCEALMENT, MISREPRESENTATION OR FRAUD

This certificate is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other certificate holder, at any time, concerning:

- a. This certificate;
- b. The Covered Property;
- c. Your interest in the Covered Property; or
- d. A claim under this certificate.

### 2. COINSURANCE

We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the 90% Coinsurance requirement is greater than the Limit of Insurance for the property. Instead we will determine the most we will pay using the following steps:

- a. Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- b. Divide the Limit of Insurance of the property by the figure determined in step (a);
- c. Multiply the total amount of loss, before the application of any deductible, by the figure determined in step (b), and;
- d. Subtract the deductible from the figure determined in step (c). We will pay the amount determined in step (d) or the limit of insurance, whichever is less. For the remainder, you will have to absorb the loss yourself.

#### Example No. 1 (Underinsurance)

When:

Value of the property is	\$250,000
Coinsurance percentage is	90%
Limit of Insurance is	\$100,000
Deductible is	\$250
The amount of loss is	\$40,000

Step (a):  $\$250,000 \times 90\% = \$225,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (b):  $\$100,000 \div \$225,000 = .44$

Step (c):  $\$40,000 \times .44 = \$17,600$

Step (d):  $\$17,600 - \$250 = \$17,350$

We will pay no more than \$17,350. The remaining \$20,250 is not covered.

#### Example No. 2 (Adequate Insurance)

When:

Value of the property is	\$250,000
Coinsurance percentage is	90%
Limit of Insurance is	\$225,000
Deductible is	\$250
The amount of loss is	\$40,000

Step (a):  $\$250,000 \times 90\% = \$225,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (b):  $\$225,000 \div \$225,000 = 1.00$

Step (c):  $\$40,000 \times 1.00 = \$40,000$

Step (d):  $\$40,000 - \$250 = \$39,750$

We will cover the \$39,750 loss in excess of the Deductible. No penalty applies.

### 3. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this certificate without additional premium within 45 days prior to or during the certificate period, the broadened coverage will immediately apply to this certificate.

### 4. TERRITORY

This certificate covers within the United States of America and Canada.

## E. LOSS CONDITIONS

### 1. ABANDONMENT

There can be no abandonment of any property to us.

### 2. APPRAISAL

If we or you disagree on the value of the property or the amount of "loss", either may make written demand for an appraisal of the "loss". In this event, each party will select a competent and impartial appraiser. The two

appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and

- a. Adjust the "loss" with the owners of the property. We will not pay more than the owner's financial interest in the Covered Property.
- b. Provide a defense for legal proceedings brought against you. If provided, the expense of this defense will be at our cost and will not reduce the applicable Limit of Insurance under this certificate.

### 8. RECOVERIES

If either you or we recover any property after loss settlement, that party must give the other prompt notice. The property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

### 9. REINSTATEMENT OF LIMIT AFTER LOSS

The Limit of Insurance will not be reduced by the payment of any claim, except for total "loss" of a scheduled item, in which event we will refund the unearned premium on that item.

## ELECTRONIC DATA PROCESSING COVERAGE SECTION COVERAGE FORM

Various provisions in this certificate restrict coverage. Read the entire certificate carefully to determine rights, duties and what is and is not covered. Throughout this certificate, the words "you" and "your" refer to the certificate holder shown in the Declarations. The words "we," "us" and "our" refer to the State Fire and Tornado Insurance Fund.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section G-DEFINITIONS.

#### 2. PROPERTY NOT COVERED

Covered Property does not include:

- a. Accounts, records, documents and other valuable papers, unless they are programming documentation or instruction manuals.

But, we will cover these items once they are converted to data form.

- b. Data processing data or media that cannot be replaced with similar property of equal quality.
- c. Your property that you have rented or leased to someone else and is not at your location.
- d. Contraband, or property in the course of illegal transit or trade.

- e. Laptop Computers

#### 3. COVERED CAUSES OF LOSS

Covered Causes of Loss means RISKS OF DIRECT PHYSICAL "LOSS" to Covered Property except those causes of "loss" listed in the Exclusions.

#### 4. COVERAGE EXTENSIONS

##### a. Recharge or refill of a fire protective device

We will pay for your expense to recharge or refill any fire protective devices, which are designed specifically to protect Covered Property when these devices have been used in a loss covered by this certificate, or have been accidentally discharged.

The most we will pay in any one "loss" under this extension is \$50,000.

This extension is additional insurance.

##### b. Debris Removal

We will pay expenses you incur in removing debris of covered property from a covered loss. Debris removal expenses will be paid only if they are reported to us within 120 days after the date of direct physical loss.

The most we will pay for debris removal is 25% of the amount we pay for direct loss or damage to covered property before the application of any deductible. Any payment for debris removal will not increase the applicable coverage limit.

As an extension of coverage, we will pay up to an additional \$10,000 for expense you incur in removing debris of covered property from a covered location after a covered loss. This extension applies if the 25% limitation of debris removal coverage for covered property is exhausted, or if the applicable limit of liability at a covered location is exhausted.

If you do not report such property or movement of property, coverage will cease automatically after the 120 days has elapsed. However, in no event shall coverage be extended beyond the expiration of the certificate.

**d. Extra Expense**

We will pay your Extra Expense to continue your business after a "loss" to your "data processing operation" caused by a Covered Cause of Loss. Extra Expense means any necessary operating expenses over and above your "normal" cost of operating your "data processing operation." This expense could include rental of additional equipment or facilities and the cost of additional labor.

We will pay your necessary Extra Expense from the date of "loss" until the "loss" is repaired or replaced and "normal" operations resume. You agree to resume "normal" operations (partial or complete) as soon as possible following any "loss." We will not pay for any Extra Expense that extends beyond what it should reasonably take to repair or replace your damaged property.

The most we will pay in any one "loss" under this extension is:

- (1) \$10,000; or

This extension is additional insurance.

# STATE FIRE AND TORNADO INSURANCE FUND

## BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Insurance applies only to items specifically described in this certificate for which an amount of insurance is shown and, unless otherwise provided, all provisions and stipulations of this form and certificate shall apply separately to each such item. Throughout this certificate, the words "you" and "your" refer to the Certificate Holder shown in the Declarations. The words "we," "us" and "our" refer to the State Fire and Tornado Insurance Fund.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section G-DEFINITIONS.

### A. COVERAGE

Coverage is provided as described below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

- (i) Business Income including "Rental Value."
- (ii) Business Income other than "Rental Value."
- (iii) "Rental Value."

If option (i) above is selected, the term Business Income will include "Rental Value." If option (iii) above is selected, the term Business Income will mean "Rental Value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration." The suspension must be caused by direct physical loss of or damage to property, including personal property in the open (or in a vehicle) within 100 feet, at premises which are described in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of loss.

If you are a tenant, your premises is the portion of the building which you rent, lease or occupy, including:

- a. all routes within the building to gain access to the described premises; and

- b. your personal property in the open (or in a vehicle) within 100 feet.

### 1. BUSINESS INCOME

### 2. COVERED CAUSES OF LOSS

See applicable Causes of Loss Form as shown in Fire & Extended Coverage Section.

### 3. ADDITIONAL COVERAGES

#### a. Extra Expense.

Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

- (1) We will pay any Extra Expense to avoid or minimize the suspension of business and to continue "operations":

- (a) At the described premises; or

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

(b) At replacement premises or at temporary locations, including:

- (i) Relocation expenses; and
- (ii) Costs to equip and operate the replacement or temporary locations.

(2) We will pay any Extra Expense to minimize the suspension of business if you cannot continue "operations."

(3) We will pay any Extra Expense to:

(a) Repair or replace any property; or

(b) Research, replace or restore the lost information on damaged valuable papers and records;

to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

**b. Civil Authority.**

We will pay the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss. The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

(1) 3 consecutive weeks after the time of that action; or

(2) When your Business Income coverage ends;

whichever is later.

**c. Alterations and New Buildings.** We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

(1) New buildings or structures, whether complete or under construction;

(2) Alterations or additions to existing buildings or structures; and

(3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:

(a) Used in the construction, alterations or additions; or

(b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations," the "period of restoration" will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

**d. Extended Business Income**

(1) Business Income other than "Rental Value."

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and

(b) Ends on the earlier of:

(i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 30 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

**(2) "Rental Value"**

If the necessary suspension of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a)** Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b)** Ends on the earlier of:
  - (i)** The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
  - (ii)** 30 consecutive days after the date determined in **(1)(a)** above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

**4. COVERAGE EXTENSIONS**

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

**NEWLY ACQUIRED LOCATIONS**

- a.** You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.

- b.** The most we will pay for loss under this Extension is \$100,000 for each location.
- c.** Insurance under this Extension for each newly acquired location will end when any of the following first occurs:

- (1)** This policy expires:
- (2)** 30 days expire after you acquire or begin to construct the property; or
- (3)** You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

**BUSINESS INCOME AND/OR EXTRA EXPENSE COVERAGE**

We will pay the actual loss of Business Income you sustain caused by Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises.

If you have purchased extra expense coverage, we will pay the actual and necessary Extra Expense you incur due to Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises. Extra Expense means necessary expenses you incur that you would not have incurred if there had been no "Computer Failure". Extra Expense includes expenses for repair, modification or replacement of the Computer but only to the extent that such expenses reduce the amount of Business Income loss that otherwise would have been payable under the provisions of this extension.

The most we will pay for the total of all losses and/or expenses sustained in any one certificate year is \$25,000, regardless of the number of "Computer Failures" or the number of computers involved in any "Computer Failure."

This extension is additional insurance.

## B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss Form as shown in Fire and Extended Coverage Section.

## C. LIMITS OF INSURANCE

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following Additional coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil authority;
3. Extra Expense; or
4. Extended Business Income.

## D. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

### 1. Appraisal

If you and we disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of the Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

### 2. Duties In The Event of Loss

- a. You must see that the following are done in the event of loss:

1. Notify the police if a law may have been broken.
2. Provide us with notice of the loss or damage within (30) days of the loss or damage. Include a description of the property involved.
3. Complete, sign, and return to us, a Notice of Loss Form within (14) days after notifying us of a loss. Such form shall include a description of how, when, where the loss or damage occurred.
4. Take all reasonable steps to protect the Property Insured from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.
5. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
6. Sign and return the Report and Proof of Loss form within (14) days from receipt of such form.
7. Cooperate with us in the investigation or settlement of the claim.
8. We may examine a certificate holder under oath, while not in the presence of any other certificate holder and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including a certificate holder's books and records. In the event of an examination, the certificate holder's answers must be signed.

### 3. Limitation-Electronic Media And Records

We will not pay for any loss of Business Income caused by direct physical loss of or damage to Electronic Media and Records after the longer of:

- a. 60 consecutive days from the date of direct physical loss of or damage to Electronic Media and Records or the longer of:
- b. The period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Includes copyrighted material of Insurance Services Office, Inc. with its permission

Electronic Media and Records are:

- (1) Electronic data processing, recording or storage media such as films, tapes, discs drums or cells;
- (2) Data stored on such media; or
- (3) Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to Extra Expense.

**Example No. 1:**

A Covered Cause of Loss damages a computer June 1. It takes until September 1 to replace the computer and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 - September 1. Loss during the period September 2 - October 1 is not covered.

**Example No. 2:**

A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1 - September 29 (60 consecutive days). Loss during the period September 30 - October 15 is not covered.

**4. Loss Determination**

- a. The amount of Business Income Loss will be determined based on:
  - (1) The Net Income of the business before the direct physical loss or damage occurred;
  - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses.

- (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
- (4) Other relevant sources of information, including:
  - (a) Your financial records and accounting procedures;
  - (b) Bills, invoices and other vouchers; and
  - (c) Deeds, liens or contracts.

b. The amount of Extra Expense will be determined based on:

- (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
  - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration," once "operations" are resumed; and
  - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- (2) All necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

**c. Resumption of Operations**

We will reduce the amount of your:

- (1) Business Income loss other than Extra Expense, to the extent you can resume your "operations," in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to nor-

mal and discontinue such Extra Expense.

- d. If you do not resume "operations," or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

## 5. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

## E. ADDITIONAL CONDITION

### 1. CONCEALMENT, MISREPRESENTATION OR FRAUD

This certificate is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other certificate holder, at any time, concerning:

- a. This certificate;
- b. The Covered Property;
- c. Your interest in the Covered Property; or
- d. A claim under this certificate.

### Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies in addition to the Common Policy conditions and the Commercial Property Conditions.

We will not pay the full amount of any loss if the Limit of Insurance for Business Income is less than:

- a. The Coinsurance percentage shown for Business Income in the Declarations times
- b. The sum of:
  - (1) The Net Income (Net Profit or Loss before income taxes), and
  - (2) Operating expenses including payroll expenses.

that would have been earned or incurred (had no loss occurred) by your "operations" at the described premises for the 12 months following the inception, or last previous anniversary date, of this policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

1. Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of the policy by the Coinsurance percentage;
2. Divide the Limit of Insurance for the described premises by the figure determined in Step 1; and
3. Multiply the total amount of loss by the figure determined in Step 2.

We will pay the amount determined in Step 3, or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted for the total of all operating expenses:

1. Prepaid freight - outgoing;
2. Returns and allowances;
3. Discounts;
4. Bad debts;
5. Collection expenses;
6. Cost of raw stock and factory supplies consumed (including transportation charges);
7. Cost of merchandise sold (including transportation charges).
8. Cost of other supplies consumed (including transportation charges);
9. Cost of services purchased from outsider (not employees) to resell, that do not continue under contract;

- 10. Power, heat and refrigeration expenses that do not continue under contract (if form CP 15 11 is attached)
- 11. All ordinary payroll expenses or the amount of payroll expense excluded (if form CP 15 11 I attached); and
- 12. Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion--not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

no penalty applies. We will pay no more than \$80,000 (amount of loss).

This condition does not apply to the Extra Expense Additional Coverage.

## F. OPTIONAL COVERAGES

If shown in the Declarations, the following Optional Coverages apply separately to each item.

### 1. Maximum Period of Indemnity

- a. The Additional Condition, coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income is the lesser of:
  - (1) The amount of loss sustained during the 120 days immediately following the beginning of the "period of restoration"; or
  - (2) The Limit of Insurance shown in the Declarations.

### 2. Monthly Limit of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
  - (1) The Limit of Insurance, multiplied by
  - (2) The fraction shown in the Declarations for this Optional Coverage.

#### Example:

When: The Limit of Insurance is \$120,000  
The fraction shown in the Declarations for this Optional Coverage is 1/4

The most we will pay for loss in each period of 30 consecutive days is:

$$\$120,000 \times 1/4 = \$30,000$$

#### Example No. 1 (Underinsurance):

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the described premises would have been:

\$400,000

The Coinsurance percentage is: 50%  
The Limit of Insurance is: \$150,000  
The amount of Loss is: 80,000

Step 1:  $\$400,000 \times 50\% = \$200,000$   
(the minimum amount of insurance to meet your Coinsurance requirements)

Step 2:  $\$150,000 \div \$200,000 = .75$

Step 3:  $\$80,000 \times .75 = \$60,000$

We will pay no more than \$60,000. The remaining \$20,000 is not covered.

#### Example No. 2 (Adequate Insurance):

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this policy at the, described premises would have been:

\$400,000

The Coinsurance percentage is 50%  
The Limit of Insurance is \$200,000  
The amount of loss is \$80,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$400,000 x 50%). Therefore, the Limit of Insurance in this Example is adequate and

Includes copyrighted material of Insurance Services Office, Inc. with its permission

If, in this example, the actual amount of loss is:

Days 1-30	\$ 40,000
Days 31-60	20,000
Days 61-90	<u>30,000</u>
	\$ 90,000

We will pay:

Days 1-30	\$ 30,000
Days 31-60	20,000
Days 61-90	<u>30,000</u>
	\$ 80,000

The remaining \$10,000 is not covered.

### 3. Business Income Agreed Value

a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":

(a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

(a) The Coinsurance percentage shown in the Declarations; multiplied by

(b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) The expiration date of this policy; whichever occurs first.

c. We will reinstate the Additional Condition, submit a new Work Sheet and Agreed Value:

(1) The Business Income Limit of Insurance; divided by

(2) The Agreed Value.

#### Example:

When: The Limit of Insurance is:

	\$100,000
The Agreed Value is	\$200,000
The amount of loss is	\$ 80,000

Step (a): \$100,000 ÷ by \$200,000 = .50

Step (b): .50 x \$80,000 = \$40,000

We will pay \$40,000. The remaining \$40,000 is not covered.

### 4. Extended Period of Indemnity

Under paragraph A.3.d., Extended Business Income, the number "30" in subparagraph (2)(b) is replaced by the number shown in the Declarations for this Optional coverage.

The expiration date of this policy will not cut short the “period of restoration.”

4. **“Pollutants”** means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

## **DEDUCTIBLE**

This endorsement modifies insurance provided under the following sections of your Fire and Tornado Certificate:

**Fire and Extended Coverage Section  
Inland Marine Coverage Section  
Telephone Coverage Section  
Electronic Data Processing Coverage Section  
Business Income & Extra Expense Coverage Section**

This endorsement deletes the Deductible provision in each coverage section above and replaces it in its entirety with:

In any one occurrence of loss or damage (hereinafter referred to as loss), we will not pay for that loss if the adjusted amount of loss is less than or equal to the deductible. If the adjusted amount of loss exceeds the deductible, we will then subtract the deductible from the adjusted amount of loss and will pay the resulting amount or limit of insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate limits of insurance apply, the losses will not be combined in determining the application of the deductible. But the deductible will be applied only once per occurrence.

If any causes of loss, coverages or types of property insured against under this policy are subject to separate deductibles and two or more of those causes of loss, coverage and/or types of property are involved in any one loss occurrence, each cause of loss, coverage and type of property loss will be adjusted separately. But the total of the deductible amount applied will not exceed the highest deductible amount applied in that occurrence for any one cause of loss, coverage or type of property.

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE  
READ CAREFULLY**
