FEDERAL DEBARMENT

1. Prior to contract award, an agency initiating a procurement of \$100,000 or more, any amount of which is federally funded, shall ensure that the successful vendor is not debarred from doing business with federal agencies. An agency may access the List of Parties Excluded from Federal Procurement and Nonprocurement Programs on the U. S. General Services Administration (GSA) website to verify that the vendor is not debarred.
2. An agency may include in a solicitation a statement that the vendor's signature on a solicitation response certifies that the vendor is not debarred from doing business with federal agencies and that, if debarred during the life of the contract, the vendor will notify the Commonwealth buyer of record within seventy-two (72) hours of the federal debarment.
3. If a solicitation does not contain the statement established in section 2 of this policy, the vendor shall submit, with its solicitation response, a written certification on the vendor's letterhead that the vendor is not debarred from doing business with federal agencies and that, if debarred during the life of an extended term contract, the vendor will notify the Commonwealth buyer of record within seventy-two (72) hours of the federal debarment.
