MEMORANDUM

TO: All State Agencies, Universities & KCTCS

FROM: Sheri B. Whisman, Director
Division of State Risk & Insurance Services

DATE: July 1, 2019

SUBJECT: Fiscal Year 2020 – Fire & Tornado Fund (F & T)

The Commonwealth of Kentucky is self-insured through the not-for-profit Division of State Risk and Insurance Services. State Risk provides and procures cost effective insurance for state owned property (buildings and assets), vehicles and mobile equipment. By being self-insured, we are able to continue to offer additional complimentary services to our customers at no additional charge - some examples are:

- Included with your property insurance are the statutorily mandated sprinkler inspections for all reported sprinkler systems. This year, the inspections are being performed by Johnson Controls, free of charge to your agency. Your agency will continue to be responsible for repairing all deficiencies found during the inspections and submitting the Corrective Action Statements to State Risk. If you have a deficiency, Johnson Controls may give you an estimate; however, you are under no obligation to utilize them as your repair company.

- State Risk also provides free statewide risk management services and can assist with procurement of public official bonds, commercial liability, sickness / accident insurance policies, aviation policies and various liability policies for state agencies and universities, including KCTCS.

- The boiler and equipment breakdown insurance is a permanent scheduled endorsement within the Fire and Tornado (F&T) Fund.

- State Risk offers free training! If you would like to learn more or take a refresher course on how to read and understand your policy, how to add or remove property coverage, including assets to your policy, and how to report a claim, etc., go to our website and complete the online training request form at the bottom of our webpage. I am happy to report that we will be continuing the contractual agreement with Factory Mutual (FM) Global as our excess insurer on large losses that exceed $1 million. FM Global provides you loss control counseling and engineering services at no additional cost. Let us know if you would like more information and how to reach out to FM Global.

The F & T deductible will remain at $5,000 for each F & T covered loss for FY 20.

What's New?

- Within the Finance Cabinet, the Division of State Risk and Insurance Services along with the Division of Real Properties have been working to make reporting easier for you! We have combined our FTR10 with the Real Properties B117 form. Since both forms required the same information, we believe this change simplifies your role in reporting a new structure.

- We have heard you and we are making the change! Starting July 1, you will no longer be required to complete an inland marine schedule for items UNDER $25,000. However, this does not apply to fine arts and temporary items, which will continue to be scheduled no matter the value.

- We need your help! Please keep us notified when materials on a structure or the square footage change. For example: when a roof is replaced from shingles to a metal roof and/or adding to or removing part of a building. This helps us keep values current and a fair settlement on claims as they are paid out.

- We now offer you access to our database, which houses your certificates/policies. This will be a valuable resource for your agency as you can review your coverages at any time; ensuring accuracy and completeness. Contact Ryan Barnard at Ryan.Barnard@ky.gov of my team, to request sign in access credentials.

- Attached to our policy is a legislation packet. We have taken legislation that relates to our agency and have shared that document with you.

- Due to the initiative to move all state agencies into state owned facilities, in the fall of 2019, our office will be moving. We will keep you informed on the move date and forwarding address as it becomes available.

- When a structure is insured and experiences a total loss, State Risk will pay actual cash value (ACV) on property that has not been repaired, replaced or rebuilt on the same or another site within two years from the date of loss.

On behalf of everyone at State Risk, we would like to thank you for being valued our customer! We appreciate the trust you have placed in us. It’s always a pleasure serving you and as your self-insured risk office since 1936; our continued goal is to provide excellent customer service at all times. Should you have any feedback you would like to share, please feel free to do so. We are constantly looking for ways to improve our services.

If you have any questions, please feel free to reach out to me at Sheri.Whisman@ky.gov or Buryl Thompson, Assistant Director at Buryl.Thompson@ky.gov.

You must do everything necessary to secure our rights and must do nothing (after “loss”) to impair them. a. Adjust the “loss” with the owners of the property. We will not pay more than the owner’s financial interest in the Covered Property.

You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

9. REINSTATEMENT OF LIMIT AFTER LOSS

The Limit of Insurance will not be reduced by the payment of any claim, except for total “loss” of a scheduled item, in which event we will refund the unearned premium on that item.

10. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us to the extent of our payment. You must do everything necessary to secure our rights and must do nothing after “loss” to impair them.

STATE FIRE AND TORNADO INSURANCE FUND
ELECTRONIC DATA PROCESSING COVERAGE SECTION
COVERAGE FORM

Various provisions in this certificate restrict coverage. Read the entire certificate carefully to determine rights, duties and what is and is not covered. Throughout this certificate, the words “you” and “your” refer to the certificate holder shown in the Declarations. The words “we,” “us” and “our” refer to the State Fire and Tornado Insurance Fund.

A. COVERAGE

We will pay for “loss” to your Covered Property from any of the Covered Causes of Loss.

1. COVERED PROPERTY

e. Similar property of others in your care, custody or control while situated at the location(s) shown on the Declarations Page.

Data means information stored on the media and includes facts, instructions, concepts, and programs converted to a form usable in a data processing operation.

Media means materials on which data is recorded, such as magnetic tapes, disc packs, paper tapes and cards, floppy discs and compact discs, used in processing units.

2. PROPERTY NOT COVERED

Covered Property does not include:

a. Accounts, records, documents and other valuable papers, unless they are programming documentation or instruction manuals.

But, we will cover these items once they are converted to data form.

b. Data processing data or media that cannot be replaced with similar property of equal quality.

c. Your property that you have rented or leased to someone else and is not at your location.

4. COVERAGE EXTENSIONS

a. Recharge or refill of a fire protective device

   We will pay for your expense to recharge or refill any fire protective devices, which are designed specifically to protect Covered Property when these devices have been used in a loss covered by this certificate, or have been accidentally discharged.

   The most we will pay in any one “loss” under this extension is $50,000.

   This extension is additional insurance.

b. Debris Removal

   We will pay expenses you incur in removing debris of covered property from a covered loss. Debris removal expenses will be paid only if they are reported to us within 120 days after the date of direct physical loss.

   The most we will pay for debris removal is 25% of the amount we pay for direct loss or damage to covered property before the application of any deductible. Any payment for debris removal will not increase the applicable coverage limit.

   As an extension of coverage, we will pay up to an additional $10,000 for expense you incur in removing debris of covered property from a covered location after a covered loss. This extension applies if the 25% limitation of debris removal coverage for covered property is exhausted, or if the applicable limit of liability at a covered location is exhausted.

   Debris removal does not apply to expense for “clean-up” of “pollutants.”

c. Newly Acquired Property

   We will provide coverage as follows:

   On newly acquired Covered Property up to the total limit shown on the Declar-
tions Page for Total Covered Property whether located at a current location or a newly acquired location, but in no event shall we pay more than $500,000 under this Coverage Extension for any one “loss.”

You will report such newly acquired property, or Covered Property already insured by this policy which is moved to a newly acquired location, to us within 120 days from the date the Covered Property is acquired or moved, as the case may be, and pay any additional premium due. If you do not report such property or movement of property, coverage will cease automatically after the 120 days has elapsed. However, in no event shall coverage be extended beyond the expiration of the certificate.

d. Extra Expense

We will pay your Extra Expense to continue your business after a “loss” to your “data processing operation” caused by a Covered Cause of Loss. Extra Expense means any necessary operating expenses over and above your “normal” cost of operating your “data processing operation.” This expense could include rental of additional equipment or facilities and the cost of additional labor.

We will pay your necessary Extra Expense from the date of “loss” until the “loss” is repaired or replaced and “normal” operations resume. You agree to resume “normal” operations (partial or complete) as soon as possible following any “loss.” We will not pay for any Extra Expense that extends beyond what it should reasonably take to repair or replace your damaged property.

The most we will pay in any one “loss” under this extension is:

(1) $10,000; or
(2) $10,000 plus the limit of Insurance shown on the Declarations Page for Extra Expense.

This extension is additional insurance.

e. Covered Property While in Transit or Away From Your Premises.

We will pay for loss to Covered Property due to a Covered Cause of Loss while in transit or while away from your “premises”. The most we will pay in any one “loss” is $5,000. But, if the Covered Property is moved due to impending danger of “loss” from a Covered Cause of Loss, we will pay for “loss” up to the applicable limit shown on the Declarations Page, for a period up to 30 days, after which coverage will cease.

This extension is additional insurance.

f. Duplicate and Backup Data and Media

We will pay for a Covered Cause of Loss to duplicate and backup data and media that you store at a separate location not shown on the Declarations Page. However, the most we will pay is 25% of the total limit shown on the Declarations Page for data and media coverage or $50,000, whichever is less. This coverage applies only to separate storage locations located at least 100 feet from the covered location.

This extension is additional insurance.

g. Collapse

We will pay for direct “loss” caused by or resulting from risks of direct physical “loss” involving collapse of all or part of a building or structure caused by one or more of the following:

(1) Fire; lightning; windstorm; hail; “explosion”; smoke; aircraft; vehicles; riot; civil commotion; vandalism; leakage from fire extinguishing equipment; “sinkhole collapse;” volcanic action; breakage of building glass; falling objects; weight of snow, ice or sleet; water damage; all only as insured against in this Coverage Form;
(2) Hidden decay;
(3) Hidden insect or vermin damage;
(4) Weight of people or personal property;
(5) Weight of rain that collects on a roof;
(6) Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation.

This Additional Coverage does not increase the Limits of Insurance provided in this Coverage Form.

h. Pollutant Clean Up

We will pay up to $10,000 in each annual certificate period for expense you incur for “clean-up” of pollutants from land, air, or water at your “premises”. The presence, release, discharge or dispersal of the pollutants must be caused by a covered cause of loss not otherwise excluded. The expenses must be reported to us within 120 days after the date of the direct physical loss or the expiration date of this certificate, whichever comes first.

i. Incompatibility of Software

We will cover the cost of:

(1) Modification of data processing equipment; or

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

We will pay up to an amount not to exceed $5,000 for this extension.

1. We will not pay for a “loss” caused directly or indirectly by any of the following. Such “loss” is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the “loss.”

a. Governmental Action
Seizure or destruction of property by order of governmental authority.

But we will pay for acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread if the fire would be covered under this Coverage Form.

b. Nuclear Hazard
(1) Any weapon employing atomic fission or fusion; or
(2) Nuclear reaction or radiation, or radioactive contamination from any other cause. But we will pay for direct “loss” caused by resulting fire if the fire would be covered under this Coverage Form.

c. War and Military Action
(1) War, including undeclared or civil war;
(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
(3) Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

d. Intentional Acts
This includes any loss that is caused by or results from any act committed with the intent to cause damage or destruction by you or any certificate holder, or at your direction or the direction of any certificate holder.

e. Neglect
Unless you take all reasonable steps to protect Covered Property when it is threatened with loss. After a loss, you must take all reasonable steps to protect Covered Property from further loss. If you fail to do so, we won’t cover any loss that results from your neglect.

f. Programming Errors
This includes loss caused by or resulting from errors in programs or in instructions given to data processing equipment.

2. We will not pay for a “loss” caused by or resulting from any of the following:

a. Delay, loss of market, loss of use and Interruption of Business. This includes loss from any delay, or because you can no longer sell or use the property.

b. Dishonest or criminal acts committed by:
(1) You, any of your partners, employees, directors, trustees, or authorized representatives;
(2) Anyone else with an interest in the property, or their employees or authorized representatives;
(3) Anyone else to whom the property is entrusted for any purpose.

This exclusion applies whether or not such persons are acting alone or in collusion with other persons or such acts occur during the hours of employment.

c. We won’t cover loss or damage caused by or resulting from the presence, release, discharge or dispersal of pollutants unless the presence, release, discharge or dispersal is itself caused by fire, lightning, windstorm or hail, “explosion,” riot or civil commotion, vehicles or aircraft, sonic boom, smoke, vandalism and malicious mischief, sprinkler leakage, sinkhole collapse or volcanic action.

d. We won’t cover loss, damage, or “clean-up” caused by or resulting from asbestos or asbestos containing materials.

e. We won’t cover property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

3. We will not pay for a “loss” caused by or resulting from any of the following. But if “loss” by a Covered Cause of Loss results, we will pay for that resulting “loss.”

a. Acts or decision, including the failure to act or decide, of any person, group, organization or governmental body.

b. Faulty, inadequate or defective:
(1) Planning, zoning, development, surveying, siting;

(2) Design, specifications, workmanship, repair, construction, renovation, remodeling, grading, compaction;

(3) Material used in repair, construction, renovation or remodeling;

(4) Maintenance of part or all of any property wherever located.

C. LIMITS OF INSURANCE

The most we will pay for “loss” in any one occurrence is the applicable Limit of Insurance shown on the Declarations or elsewhere in the certificate.

If the building has been vacant more than 60 days, your loss will be reduced by 50%.

D. DEDUCTIBLE

We will not pay for “loss” in any one occurrence until the amount of adjusted “loss” before applying the applicable Limits of Insurance exceeds the Deductible shown in the Deductible Section of the Declarations Page.

When the occurrence involves loss to more than one item of “Covered Property” and separate limits of insurance apply, only one deductible will be applied.

E. LOSS CONDITIONS

1. ABANDONMENT

There can be no abandonment of any property to us.

2. APPRAISAL

If we and you disagree on the value of the property or the amount of “loss”, either may make written demand for an appraisal of the “loss”. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of “loss”. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and

b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. DUTIES IN THE EVENT OF LOSS

You must see that the following are done in the event of loss or damage to Covered Property:

a. Notify the police if a law may have been broken.

b. Provide us with notice of loss or damage within (30) days of the loss or damage, as required by KRS 56.110 and include a description of the property involved.

d. Take all reasonable steps to protect the Property Insured from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.

e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

f. Sign and return the Report and Proof of Loss Form within (14) days from receipt of such form.

g. Cooperate with us in the investigation or settlement of the claim.

h. In the event of an examination, the certificate holder’s answers must be signed.

4. LOSS PAYMENT

We will prepare and forward for your signature a Report and Proof of Loss to initiate payment into the account specified by you or make good any “loss” covered under this certificate within 30 days after:

a. We reach agreement with you;

b. The entry of final judgment; or

c. The filing of an appraisal award.

We will not be liable for any part of a “loss” that has been paid or made good by others.

      (2) Pay the difference between the value of the pair or set before and after the “loss”.
   b. Parts. In case of “loss” to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

7. PRIVILEGE TO ADJUST WITH OWNER
   In the event of “loss” involving property of others in your care, custody or control, we have the right to:
   a. Adjust the “loss” with the owners of the property. We will not pay more than the owner’s financial interest in the Covered Property.
   b. Provide a defense for legal proceedings brought against you. If provided, the expense of this defense will be at our cost and will not reduce the applicable Limit of Insurance under this certificate.

8. RECOVERIES
   If either you or we recover any property after loss settlement, that party must give the other prompt notice. The property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

9. REINSTATEMENT OF LIMIT AFTER LOSS
   The Limit of Insurance will not be reduced by the payment of any claim, except for total “loss” of an item, in which event we will refund the unearned premium on that item.

10. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US
    If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us to the extent of our payment. You must do everything necessary to secure our rights and must do nothing after “loss” to impair them.

   c. Your interest in the Covered Property; or
   d. A claim under this certificate.

2. LEGAL ACTION AGAINST US
   No one may bring a legal action against us under this certificate unless:

6. VALUATION
   a. Valuation of data processing equipment, air conditioning and other electrical equipment, documentation and manuals, and property of others:
      If you repair or replace this property within a reasonable time following “loss,” the property will be valued at the full cost of repair or replacement. However, the most we will pay is the least of the following.
      (1) The actual cost to repair or restore the property with materials of like kind and quality;
      (2) The cost of replacing that property with property of similar quality and function;
      (3) The amount you actually and necessarily spend to repair or replace the property; or

The most we will pay is the Limit of Insurance shown on the Declarations Page.
STATE FIRE AND TORNADO INSURANCE FUND

BUSINESS INCOME (AND EXTRA EXPENSE)

COVERAGE FORM

Insurance applies only to items specifically described in this certificate for which an amount of insurance is shown and, unless otherwise provided, all provisions and stipulations of this form and certificate shall apply separately to each such item.

Throughout this certificate, the words “you” and “your” refer to the Certificate Holder shown in the Declarations. The words “we”, “us” and “our” refer to the State Fire and Tornado Insurance Fund.

A. COVERAGE

Coverage is provided as described below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

(i) Business Income including “Rental Value.”

(ii) Business Income other than “Rental Value.”

(iii) “Rental Value.”

If option (i) above is selected, the term Business Income will include “Rental Value.” If option (iii) above is selected, the term Business Income will mean “Rental Value” only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your “operations” during the “period of restoration.” The suspension must be caused by direct physical loss of or damage to property, including personal property in the open (or in a vehicle) within 100 feet, at premises which are described in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of Loss.

If you are a tenant, your premise is the portion of the building which you rent, lease or occupy, including:

a. All routes within the building to gain access to the described premises; and

b. Your personal property in the open (or in a vehicle) within 100 feet.

1. BUSINESS INCOME

Business Income means:

a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and

b. Continuing normal operating expenses incurred, including payroll.

2. COVERED CAUSES OF LOSS

See applicable Causes of Loss Form as shown in Fire & Extended Coverage Section.

3. ADDITIONAL COVERAGES

a. Extra Expense.

Extra Expense means necessary expenses you incur during the “period of restoration” that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

(1) We will pay any Extra Expense to avoid or minimize the suspension of business and to continue “operations”:

(a) At the described premises; or

(b) At replacement premises or at temporary locations, including

(i) Relocation expenses; and

(ii) Costs to equip and operate the replacement or temporary location(s).

(2) We will pay any Extra Expense to minimize the suspension of business if you cannot continue “operations”.

(3) We will pay any Extra Expense to:

(a) Repair or replace any property; or

(b) Research, replace or restore the lost information on damaged valuable papers and records;

to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.
b. Civil Authority.
We will pay the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss. The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

(1) 3 consecutive weeks after the time of that action; or

(2) When your Business Income coverage ends; whichever is later.

c. Alterations and New Buildings.
We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

(1) New buildings or structures, whether complete or under construction;

(2) Alterations or additions to existing buildings or structures; and

(3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:

(a) Used in the construction, alterations or additions; or

(b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of “operations,” the “period of restoration” will begin on the date “operations” would have begun if the direct physical loss or damage had not occurred.

d. Extended Business Income

(1) Business Income other than “Rental Value.”
If the necessary “suspension” of your “operations” produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

(a) Begins on the date property (except “finished stock”) is actually repaired, rebuilt or replaced and “operations” are resumed; and

(b) Ends on the earlier of:

(i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 30 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) “Rental Value”
If the necessary suspension of your “operations” produces a “Rental Value” loss payable under this policy, we will pay for the actual loss of “Rental Value” you incur during the period that:

(a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and

(b) Ends on the earlier of:

(i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or

(ii) 30 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

4. COVERAGE EXTENSIONS
If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:
NEWLY ACQUIRED LOCATIONS

a. You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.

b. The most we will pay for loss under this Extension is $100,000 for each location.

c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
   (1) This policy expires:
   (2) 30 days expire after you acquire or begin to construct the property; or
   (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

BUSINESS INCOME AND/OR EXTRA EXPENSE COVERAGE

We will pay the actual loss of Business Income you sustain caused by Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises.

If you have purchased extra expense coverage, we will pay the actual and necessary Extra Expense you incur due to Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises. Extra Expense means necessary expenses you incur that you would not have incurred if there had been no “Computer Failure”. Extra Expense includes expenses for repair, modification or replacement of the Computer but only to the extent that such expenses reduce the amount of Business Income loss that otherwise would have been payable under the provisions of this extension.

The most we will pay for the total of all losses and/or expenses sustained in any one certificate year is $25,000, regardless of the number of “Computer Failures” or the number of computers involved in any “Computer Failure.”

This extension is additional insurance.

B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss Form as shown in Fire and Extended Coverage Section.

C. LIMITS OF INSURANCE

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following Additional coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil authority;
3. Extra Expense; or
4. Extended Business Income.

D. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal

If you and we disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of the Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

   a. Pay its chosen appraiser; and
   b. Bear the expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event of Loss

You must see that the following are done in the event of loss:

   a. Notify the police if a law may have been broken.
   b. Provide us with notice of loss or damage within (30) days of the loss or damage, as required by KRS 56.110 and include a description of the property involved.
c. Complete, sign, and return to us, a Notice of Loss Form within (14) days after notifying us of a loss. Such form shall include a description of how, when, where the loss or damage occurred.

d. Take all reasonable steps to protect the Property Insured from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.

e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

f. Sign and return the Report and Proof of Loss form within (14) days from receipt of such form.

g. Cooperate with us in the investigation or settlement of the claim.

h. We may examine a certificate holder under oath, while not in the presence of any other certificate holder and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including a certificate holder’s books and records. In the event of an examination, the certificate holder’s answers must be signed.

3. Limitation-Electronic Media and Records

We will not pay for any loss of Business Income caused by direct physical loss of or damage to Electronic Media and Records after the longer of:

a. 60 consecutive days from the date of direct physical loss of or damage to Electronic Media and Records or the longer of:

b. The period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:

(1) Electronic data processing, recording or storage media such as films, tapes, discs drums or cells;

(2) Data stored on such media; or

(3) Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to Extra Expense.

Example No. 1:
A Covered Cause of Loss damages a computer June 1. It takes until September 1 to replace the computer and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 - September 1. Loss during the period September 2 - October 1 is not covered.

Example No. 2:
A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1 - September 29 (60 consecutive days). Loss during the period September 30 - October 15 is not covered.

4. Loss Determination

a. The amount of Business Income Loss will be determined based on:

(1) The Net Income of the business before the direct physical loss or damage occurred;

(2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in

the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses.

(3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and

(4) Other relevant sources of information, including:

(a) Your financial records and accounting procedures;

(b) Bills, invoices and other vouchers; and

(c) Deeds, liens or contracts.

b. The amount of Extra Expense will be determined based on:
(1) All expenses that exceed the normal operating expenses that would have been incurred by “operations” during the “period of restoration” if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:

(a) The salvage value that remains of any property bought for temporary use during the “period of restoration,” once “operations” are resumed; and

(b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and

(2) All necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption of Operations

We will reduce the amount of your:

(1) Business Income loss other than Extra Expense, to the extent you can resume your “operations,” in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

(2) Extra Expense loss to the extent you can return “operations” to normal and discontinue such Extra Expense.

d. If you do not resume “operations,” or do not resume “operations” as quickly as possible, we will pay based on the length of time it would have taken to resume “operations” as quickly as possible.

5. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

a. We have reached agreement with you on the amount of loss; or

b. An appraisal award has been made.

E. ADDITIONAL CONDITION

1. Concealment, Misrepresentation or Fraud

This certificate is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other certificate holder, at any time, concerning:

a. This certificate; b. The Covered Property; c. Your interest in the Covered Property; or d. A claim under this certificate.

F. OPTIONAL COVERAGES

If shown in the Declarations, the following Optional Coverage apply separately to each item.

1. Maximum Period of Indemnity

a. The Additional Condition, coinsurance does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income is the lesser of:

(1) The amount of loss sustained during the 120 days immediately following the beginning of the “period of restoration”; or

(2) The Limit of Insurance shown in the Declarations.

2. Monthly Limit of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the “period of restoration” is:

(1) The Limit of Insurance, multiplied by

(2) The fraction shown in the Declarations for this Optional Coverage.

Example:

- When the Limit of Insurance is $120,000 AND
- The fraction shown in the Declarations for this Optional Coverage is: 1/4

The most we will pay for loss in each period of 30 consecutive days is: $30,000

($120,000 x 1/4 = $30,000)

If, in this example, the actual amount of loss is:

<table>
<thead>
<tr>
<th>Period</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Days 1-30</td>
<td>$40,000</td>
</tr>
<tr>
<td>Days 31-60</td>
<td>20,000</td>
</tr>
<tr>
<td>Days 61-90</td>
<td>30,000</td>
</tr>
<tr>
<td></td>
<td>$90,000</td>
</tr>
</tbody>
</table>

We will pay:

<table>
<thead>
<tr>
<th>Period</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Days 1-30</td>
<td>$30,000</td>
</tr>
<tr>
<td>Days 31-60</td>
<td>20,000</td>
</tr>
<tr>
<td>Days 61-90</td>
<td>30,000</td>
</tr>
<tr>
<td></td>
<td>$80,000</td>
</tr>
</tbody>
</table>
3. Business Income Agreed Value

a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your “operations”:

(a) During the 12 months prior to the date of the Work Sheet; and

(b) Estimated for the 12 months of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

(a) The Coinsurance percentage shown in the Declarations; multiplied by

(b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) The expiration date of this policy; whichever occurs first.

c. We will reinstate the Additional Condition, submit a new Work Sheet and Agreed Value:

(1) The Business Income Limit of Insurance; divided by

(2) The Agreed Value.

Example:

When: The Limit of Insurance is: $100,000  
The Agreed Value is $200,000  
The amount of loss is $80,000

Step (a): $100,000 ÷ $200,000 = .50  
Step (b): .50 x $80,000 = $40,000

We will pay $40,000. The remaining $40,000 is not covered.
