SUBJECT: Fiscal Year 2021 – Fire & Tornado Fund (F & T) Policy Renewal

The Division of State Risk and Insurance Services, under the direction of the Finance and Administration Cabinet, is your risk prevention and self-insured property coverage provider. State Risk is a *not-for-profit* agency that provides cost effective insurance for state owned property (building and assets), vehicles and mobile equipment.

For the upcoming fiscal year, your deductible will remain the same at \$5,000 per occurrence – per covered loss. In addition, I am happy to report that State Risk will be continuing the contractual agreement with Factory Mutual (FM) Global as our excess insurer on large losses that exceed \$1 million. FM Global also provides you loss control counseling, engineering services and boiler inspections ***at no additional cost to your agency.*** Let us know if you would like more information and how to reach out to FM Global.

Each year before renewal, my team and I take time to talk about the prior year and where we could possibly make our policy more effective for the Commonwealth. We also take into consideration requests we have heard throughout the year from our customers.

Starting July 1, below is a quick glance of what is changing:

- We added additional term definitions in the definition section.
 - Business Interruption
 - Extra Expense
- If you have inland marine property that is valued at **\$25,000 or more** that is **unscheduled**, those items will **not be covered** during a loss. *All fine art, exhibits, transit, and temporary items are required to be scheduled no matter their individual values.*

- **Summary of Coverage Requirements:**

- Newly acquired contents must be reported to State Risk within **30 days** instead of 180 days.
- Inland Marine reporting requirements are within **30 days** of acquiring instead of 120 days.
- Electronic Data Processing Reporting Requirements are **30 days** instead of 120 days.
- The Required Form (BI-Basic, BI-Medical, or BI-University) are required for coverage to apply for business income and extra expense coverage. *See our website under “Underwriting” to locate the BI forms.*
- No Insured Value
 - If you believe your structure has no insurable value due to its condition, you may submit an FTR-11, termination of property insurance form with a current picture of the structure.
 - State Risk will make the final determination if the structure has an insurable value.

Complimentary Services

- State Risk will continue to cover the cost of the statutorily mandated sprinkler inspections for all reported state owned sprinkler systems. However, your agency will continue to be responsible for *repairing* all deficiencies found during inspections and submitting a Corrective Action Statement (CAS) to State Risk.
- The boiler and equipment breakdown insurance is also a continued part of your coverage along with the statutorily mandated inspections at state owned and insured facilities.
- State Risk offers free training! If you would like to learn more or take a refresher course on how to read and understand your policy, how to add or remove property coverage - including adding assets to your policy, how to report a claim, or learn more about our sprinkler inspection program, go to our website and complete the online training request form at the bottom of our webpage. Our website link is:

<https://finance.ky.gov/offices/controller/Pages/dsris.aspx>.

We need your help! Please keep us notified when materials on a structure or the square footage changes. For example: When a roof is replaced from shingles to a metal roof and /or adding to or removing part of a building. This helps us keep values current and a fair settlement on claims as they are paid out.

WE’VE MOVED!

The most we will pay for debris removal is 25% of the amount we pay for direct loss or damage to covered property before the application of any deductible. Any payment for debris removal will not increase the applicable coverage limit.

As an extension of coverage, we will pay up to an additional \$10,000 for expense you incur in removing debris of covered property from a covered location after a covered loss. This extension applies if the 25% limitation of

debris removal coverage for covered property is exhausted, or if the applicable limit of liability at a covered location is exhausted.

Debris removal does not apply to expense for “clean-up” of “pollutants.”

c. Newly Acquired Property

We will provide coverage as follows:

On newly acquired Covered Property up to the total limit shown on the Declarations Page for Total Covered Property whether lo-

cated at a current location or a newly acquired location, but in no event shall we pay more than \$500,000 under this Coverage Extension for any one “loss.”

You will report such newly acquired property, or Covered Property already insured by this policy which is moved to a newly acquired location, to us within 120 days from the date the Covered Property is acquired or moved, as the case may be, and pay any additional premium due. However, in no event shall coverage be extended beyond the expiration of the certificate.

Extra Expense means any necessary operating expenses over and above your “normal” cost of operating your “data processing operation.” This expense could include rental of additional equipment or facilities and the cost of additional labor.

We will pay your necessary Extra Expense from the date of “loss” until the “loss” is repaired or replaced and “normal” operations resume. You agree to resume “normal” operations (partial or complete) as soon as possible following any “loss.” We will not pay for any Extra Expense that extends beyond what it should reasonably take to repair or replace your damaged property.

The most we will pay in any one “loss” under this extension is:

This extension is additional insurance.

- (3) We will pay any Extra Expense to:
 - (a) Repair or replace any property; or
 - (b) Research, replace or restore the lost information on damaged valuable papers and records;

to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

b. Civil Authority.

We will pay the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss. The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

- (1) Three (3) consecutive weeks after the time of that action; or
- (2) When your Business Income coverage ends;

whichever is later.

c. Alterations and New Buildings.

We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - (a) Used in the construction, alterations or additions; or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of “operations,” the “period of restoration” will begin on the date “operations” would have begun if the direct physical loss or damage had not occurred.

d. Extended Business Income

(1) Business Income other than “Rental Value.”

If the necessary “suspension” of your “operations” produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except “finished stock”) is actually repaired, rebuilt or replaced and “operations” are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in **(1)(a)** above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) “Rental Value”

If the necessary suspension of your “operations” produces a “Rental Value” loss payable under this policy, we will pay for the actual loss of “Rental Value” you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in **(1)(a)** above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

4. COVERAGE EXTENSIONS

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

NEWLY ACQUIRED LOCATIONS

- a. You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.
- b. The most we will pay for loss under this Extension is \$100,000 for each location.
- c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (1) This policy expires;
 - (2) 30 days expire after you acquire or begin to construct the property; or
 - (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

BUSINESS INCOME AND/OR EXTRA EXPENSE COVERAGE

We will pay the actual loss of Business Income you sustain caused by Computer Failure at the premises

described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises.

If you have purchased extra expense coverage, we will pay the actual and necessary Extra Expense you incur due to Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises. Extra Expense means necessary expenses you incur that you would not have incurred if there had been no "Computer Failure". Extra Expense includes expenses for repair, modification or replacement of the Computer but only to the extent that such expenses reduce the amount of Business Income loss that otherwise would have been payable under the provisions of this extension.

The most we will pay for the total of all losses and/or expenses sustained in any one certificate year is \$25,000, regardless of the number of "Computer Failures" or the number of computers involved in any "Computer Failure."

This extension is additional insurance.

B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss Form as shown in Fire and Extended Coverage Section.

C. LIMITS OF INSURANCE

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following Additional coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil authority;
3. Extra Expense; or
4. Extended Business Income.

D. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal

If you and we disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of the

Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event of Loss

You must see that the following are done in the event of loss:

- a. Notify the police if a law may have been broken.
- b. Provide us with notice of loss or damage within (30) days of the loss or damage, as required by KRS 56.110 and include a description of the property involved.
- c. Complete, sign, and return to us, a Notice of Loss Form within (14) days after notifying us of a loss. Such form shall include a description of how, when, where the loss or damage occurred.
- d. Take all reasonable steps to protect the Property Insured from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.
- e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- f. Sign and return the Report and Proof of Loss form within (14) days from receipt of such form.
- g. Cooperate with us in the investigation or settlement of the claim.
- h. We may examine a certificate holder under oath, while not in the presence of any other certificate holder and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including a certificate holder's books and records. In the event of an examination, the certificate holder's answers must be signed.

3. Limitation-Electronic Media and Records

We will not pay for any loss of Business Income caused by direct physical loss of or damage to Electronic Media and Records after the longer of:

- a. 60 consecutive days from the date of direct physical loss of or damage to Electronic Media and Records or the longer of:

- b. The period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:

- (1) Electronic data processing, recording or storage media such as films, tapes, discs drums or cells;
- (2) Data stored on such media; or
- (3) Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to Extra Expense.

Example No. 1:

A Covered Cause of Loss damages a computer June 1. It takes until September 1 to replace the computer and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 - September 1. Loss during the period September 2 - October 1 is not covered.

Example No. 2:

A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1 - September 29 (60 consecutive days). Loss during the period September 30 - October 15 is not covered.

4. Loss Determination

- a. The amount of Business Income Loss will be determined based on:
 - (1) The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses.
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
 - (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;

- (b) Bills, invoices, and other vouchers; and
- (c) Deeds, liens or contracts.

- c. The amount of Extra Expense will be determined based on:

- (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration," once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- (2) All necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption of Operations

We will reduce the amount of your:

- (1) Business Income loss other than Extra Expense, to the extent you can resume your "operations," in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

- d. If you do not resume "operations," or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

5. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

E. ADDITIONAL CONDITION

1. Concealment, Misrepresentation or Fraud

This certificate is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other certificate holder, at any time, concerning:

- a. This certificate;
- b. The Covered Property;
- c. Your interest in the Covered Property; or
- d. A claim under this certificate.

F. OPTIONAL COVERAGES

If shown in the Declarations, the following Optional Coverage apply separately to each item.

1. Maximum Period of Indemnity

- a. The Additional Condition, coinsurance does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income is the lesser of:
 - (1) The amount of loss sustained during the 120 days immediately following the beginning of the "period of restoration"; or
 - (2) The Limit of Insurance shown in the Declarations.

2. Monthly Limit of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - (1) The Limit of Insurance, multiplied by
 - (2) The fraction shown in the Declarations for this Optional Coverage.

Example:

- When the Limit of Insurance is **\$120,000**
AND
- The fraction shown in the Declarations for this Optional Coverage is: **1/4**
The most we will pay for loss in each period of 30 consecutive days is: \$30,000
(\$120,000 x 1/4 = \$30,000)

If, in this example, the actual amount of loss is:

Days 1-30	\$ 40,000
Days 31-60	20,000
Days 61-90	<u>30,000</u>
	\$ 90,000

We will pay:

Days 1-30	\$ 30,000
Days 31-60	20,000
Days 61-90	<u>30,000</u>
	\$ 80,000

The remaining \$10,000 is not covered.

3. Business Income Agreed Value

- a. To activate this Optional Coverage:

(1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your "operations":

- (a) During the 12 months prior to the date of the Work Sheet; and
- (b) Estimated for the 12 months of this Optional Coverage.

(2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

- (a) The Coinsurance percentage shown in the Declarations; multiplied by
- (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

- b. The Additional Condition, Coinsurance, is suspended until:

- (1) 12 months after the effective date of this Optional Coverage; or
- (2) The expiration date of this policy; whichever occurs first.

- c. We will reinstate the Additional Condition, submit a new Work Sheet and Agreed Value:

- (1) The Business Income Limit of Insurance; divided by
- (2) The Agreed Value.

Example:

When:	The Limit of Insurance is:	\$100,000
	The Agreed Value is	\$200,000
	The amount of loss is	\$ 80,000

Step (a): \$100,000 ÷ by \$200,000 = .50 Step
 (b): .50 x \$80,000 = \$40,000

We will pay \$40,000. The remaining \$40,000 is not covered.

4. Extended Period of Indemnity

Under paragraph **A.3.d.**, Extended Business Income, the number “30” in subparagraph **(2)(b)** is replaced by the number shown in the Declarations for this Optional coverage.

Fire and Tornado Self-insurance Property Claims Packet

The Claims Section at Division of State Risk & Insurance Services is dedicated to provide the best possible claims service when property damages occur due to a covered cause of loss.

In compliance with KRS 56.110, State Agencies and State Universities having control or custody of damaged property, shall report a claim **within 30 days from the date of loss**.

- This is very important for proper assessment of damages, to confirm coverage and develop the scope of cleanup, repairs, replacement, etc., in a timely manner, as well as implement a plan to avoid more damages.

The property claims packet attached includes the following information to help you when damages occur:

- **Insured's Property Claim Contact**
 - This form was developed to help your staff know who to contact when property claims occur and a copy of this form should be scanned/mailed to Audra Perkins, who will keep an updated list for the entire Commonwealth of Kentucky insureds.
- **Instructions for Reporting Property Claims to Audra Perkins**
 - If you do not have "Chrome browser", google to get access at no cost. You can complete the form on line. Our forms can be found on our website:

<http://finance.ky.gov/offices/controller/Pages/dsrisk.aspx>

- Notice of Loss – form SRC-10
- Lightning Loss Verification – form SRC-11

Upon receipt of the Notice of Loss form SRC-10 with details, Audra will determine if the claim requires further assessment of damages by a licensed property Claims Adjuster, at no additional cost to you. A "covered cause of loss" is considered one-occurrence and only one \$5,000 deductible will be applied to all damages of insured coverages up to the insurance limit.

We also recommend that a CLAIM CONTACT PERSON be designated at all Commonwealth of KY State Agencies/State Universities.

Fire & Tornado Self-insurance Fund

3. **Complete a Notice of Loss form SRC-10**
 - a. Identify the Certificate number and Property ID number(s) for damaged property and complete sections 1 & 2 of form SRC-10
 - i. If damaged item(s) were required to be scheduled with State Risk/Underwriting Unit, submit documentation that items were scheduled prior to the claim.
 - b. Complete Section 3 of form SRC-10:
 - i. Give an estimated amount of damages (this will tell us the severity of damages)
 - ii. Loss Location is to confirm where the damages occurred

 1. For theft claims, submit a copy of the police report.
 2. For lightning claims, submit the Lightning Affidavit form SRC-11 (completed by the person/vendor who determined this cause)
4. **Upon receipt, we will determine if our Claims Adjuster is needed to assess the damages further.** A claim number will be assigned and we will notify you to reference that claim number in all communication regarding the claim, until closure.
5. **We acknowledge your required protocol for “bidding” certain building repair projects when the cost exceeds \$40,000** or if you have made an “emergency request” for approval within your Cabinet. Inform us when either of these relate to a claim.

Fire and Tornado Insurance Renewal

You all have done a great job this year keeping your certificates updated as coverage amounts changed and structures were added or removed. We want to thank you for helping us help you and we truly appreciate your teamwork - after all, teamwork makes the dream work! We look forward to another year working together with you.

Chuck and Gerry perform field appraisals and annual updates for approximately 8,200 structures owned by the Commonwealth. The appraisers determine the replacement cost values by using industry standard appraisal software with an emphasis on square footage, construction methods, and cost of materials. (KRS 56.080). It is imperative you inform us if you change any of the items listed above on your structures.

Alex, Katherine, and Meagan issue approximately 330 insurance certificates to insured state agencies, universities, and the Kentucky Community and Technical College Systems. To ensure proper insurance coverage, the underwriters assist state entities in determining the acquisition or surplus of buildings, business personal property (contents), and business interruption coverage. (KRS 56.070) The Fire and Tornado Fund supplies the following types of coverage for Commonwealth owned property:

Building
Building Contents
Inland Marine
(Communication, Camera, Musical, Contractor / Farm, Scientific/Medical Equipment)
Fine Arts
Electronic Data Processing Equipment
Business Income & Extra Expense

Katherine and Meagan coordinate the sprinkler inspection program to ensure all reported state owned insured facilities are scheduled to be inspected annually per NFPA standards at no additional cost to the state agencies. We monitor the deficiencies for completion and collect the Corrective Action Statements, which document the completion of the deficiency. (KRS 56.170) See Endorsement D – Protective Safeguards in your Fire and Tornado Policy for details on how impairment can impact your property claims.

Upon request, our team is available to meet with you to discuss the current coverages, conduct building audits, sprinkler audits, trainings, and/or review certificates. To schedule, please contact Meagan.

Our team would be happy to assist with your insurance and sprinkler reporting. We update our forms frequently to provide you with the most up to date information. Our forms can be found on our website at: <https://finance.ky.gov/offices/controller/Pages/dsrjs.aspx>

Reporting Insurance Values Quick Tips

How to . . .

Add NEW buildings or other structures (Real Property)

Within 30 days of assuming 'beneficial occupancy' of the building:

- ✓ Insured Agency completes the B-117 /FTR-IO Property Insurance Form (Initial value will be determined by agency.) *Keep in mind, the equipment attached to the building should be included in the building value.*
- ✓ Insured Agency sends, to all required recipients, the completed 'Property Insurance Form' per the forms instructions.
- ✓ The Underwriters will process the coverage request.
- ✓ Appraisers will inspect the building pursuant to KRS 56.080 and establish the insured value.

Change EXISTING buildings or structures (Real Property)

- ✓ State Risk Appraisers are responsible for the proper insurance value on all real property (buildings and older structures — Pursuant to KRS 56.080)
- ✓ If the insured has altered a building that effects its value between the State Risk appraisals. The insurance agency may alert State Risk Underwriting of the alteration. Please identify the building number by using its assigned property ID number. The insured agency can email the underwriter the building ID and the reason(s) for the change. *It is not necessary to complete an B117/ FTR-IO Property Insurance form for an existing building.*

Add NEW personal property for insurance coverage

Personal property is all Commonwealth owned property non-building or not attached to building or land.

The State Risk Fire & Tornado Policy covers all personal property as building contents unless otherwise specified below.

- ✓ Computer and Telecommunications Equipment is covered using a separate policy coverage sections of the F&T policy.
- ✓ Inland Marine Risks are covered a separate policy section of the F&T policy. Inland Marine Coverage protects against damage to property such as fine arts, contractor, farm, or other mobile equipment, and specialized property that moves off the insured premises.

The insured agency is fully responsible for reporting proper insurance value for all personal property to State Risk Underwriting.

Report NEW personal property is done by one of the following forms:

- ✓ New building contents — these values are reported using B117/ FTR-10's 'Property Insurance Form' This is typically done along with coverage for a new building however building contents at leased locations are also reported using this form.
- ✓ New computer or Telecommunications Equipment— Complete FTR-15, 'Master Computer Telephone Reporting Form'
- ✓ New Inland Marine — Complete IM-I, ' Inland Marine Reporting Form'

Inland Marine coverage follows the insured items wherever located, including while in transit, an itemized schedule for property insured under inland marine is required for coverage to apply when the value is over \$25,000.00 or the if the items are fine arts, exhibit, transit or temporary. Ideally, this schedule will include the item's name, insurable value, description, make and models where applicable, and an asset or identification number for the items. Schedules are NOT required for all other personal property coverage sections.

Change EXISTING limits of insurance for personal property

It is not necessary to complete the above-mentioned forms to adjust insurable values that have already been established. The insured agency can notate changes on the Declarations Report and return it to State Risk Underwriting by email or request an excel report to make the requested changes.

Note: Your F&T policy provides a coverage extension limited to \$500,000 for 30 days on your newly acquired personal property. Newly acquired personal property exceeding \$500,000 must be reported immediately for coverage to apply. Because of this extension, and barring large acquisitions exceeding \$500,000, your agency can comfortably update personal property once every quarter.
