Request for Qualifications (“RFQ”) to serve as Bond Counsel for Kentucky state debt issuing entities for Fiscal Year 2022 and Fiscal Year 2023

The Office of Financial Management (“OFM”) of the Finance and Administration Cabinet of the Commonwealth of Kentucky, on behalf of the Kentucky Asset/Liability Commission (“ALCo”), Kentucky Higher Education Student Loan Corporation (“KHESLC”), Kentucky Housing Corporation (“KHC”), Kentucky Infrastructure Authority (“KIA”), Kentucky Local Correctional Facilities Construction Authority (“KLCFCA”), Kentucky Public Transportation Infrastructure Authority (“KPTIA”), State Property and Buildings Commission (“SPBC”), State Universities (“Universities”), Kentucky River Authority (“KRA”) and the Turnpike Authority of Kentucky (“TAK”) requests the submission of qualifications of your firm to serve as bond counsel to these entities for Fiscal Year 2022 (July 1, 2021 through June 30, 2022) and Fiscal Year 2023 (July 1, 2022 through June 30, 2023).

Kentucky Revised Statutes (“KRS”) 45A.840 to 45A.879 states the process by which managing underwriter, financial advisor, co-manager and bond counsel firms are selected for state bond issuing agencies. A firm shall not be considered for providing bond counsel services unless OFM has pre-qualified the firm on a biennial basis prior to the date of issuance of a Request for Proposals (“RFP”). Please refer to <https://legislature.ky.gov/Law/Statutes/Pages/default.aspx> to view the KRSs cited in this Request for Qualifications (“RFQ”). This RFQ is also available on OFM’s website, listed below:

<http://finance.ky.gov/services/ofm/Pages/OFMRFPsandRFQs.aspx>

From the responses received pursuant to this RFQ, OFM will establish a list of pre-qualified firms to respond to future RFPs issued for work to be performed during Fiscal Years 2022 and 2023.

Description of Issuer

Kentucky Asset/Liability Commission (“ALCo”)

Created pursuant to KRS 56.860 to 56.869, ALCo is authorized to issue Tax and Revenue Anticipation Notes (“TRANS”), Project Notes and Funding Notes on behalf of the Commonwealth and its agencies. TRANS are issued to manage the mismatch between revenues and expenditures within a fiscal year. Project Notes are issued to provide interim or permanent (fixed or variable rate) financing for capital projects and economic development programs. Debt service for Project Notes may be funded by General, Agency, and Road Funds or federal transportation receipts (“GARVEES”). Funding Notes may be issued to fund court ordered judgments against the Commonwealth or to fund obligations owed under KRS 161 to the Teachers’ Retirement System of Kentucky. ALCo may enter into financial agreements such as interest rate swaps or options to achieve the Commonwealth’s financial goals and objectives. ALCo’s uninsured ratings vary depending on the type and repayment source. The term of an engagement for ALCo is for a contract period not to exceed two (2) years with an option to renew the contract for an additional period not to exceed two (2) years. OFM does not anticipate the need to issue an RFP to provide bond counsel services on behalf of ALCO for Fiscal Year 2022; however, OFM expects to issue an RFP for bond counsel services for Fiscal Year 2023. OFM will have an option to renew any resulting contract for an additional two-year period.

Kentucky Higher Education Student Loan Corporation (“KHESLC”)

Created pursuant to KRS 164A, KHESLC provides loan programs and related services to promote higher education opportunities for Kentucky students and families. OFM and KHESLC currently do not anticipate the need to issue an RFP for bond counsel services for Fiscal Year 2022; however, OFM and KHESLC expect to issue an RFP for bond counsel services for Fiscal Year 2023. OFM and KHESLC will have an option to renew any resulting contract for an additional one year period.

Kentucky Housing Corporation (“KHC”)

Created pursuant to KRS 198A, KHC makes mortgage and construction loans to increase the supply of affordable housing for low-to-moderate income residents of the state. KHC’s housing revenue bond indenture is rated “Aaa” from Moody’s Investors Service, Inc. and “AAA” from Standard & Poor’s Ratings Services. OFM and KHC do not anticipate the need to issue an RFP for bond counsel services for fiscal year 2022. However, OFM and KHC expect to issue a RFP to select one or more firms to provide bond counsel services for its single family and/or multi-family programs for Fiscal Year 2023. OFM and KHC will have an option to renew any resulting contract for an additional one year period.

Kentucky Infrastructure Authority (“KIA”)

Created pursuant to KRS 224A, KIA provides financial assistance to local governments in Kentucky for the construction, financing and refinancing of infrastructure facilities. KIA administers the Clean Water State Revolving Fund, Drinking Water State Revolving Fund, Infrastructure Revolving Fund and Governmental Agencies Program. Bonds issued to finance these programs are either lease appropriation, pooled loan transactions, or leveraged revolving loans with ratings ranging from AA+ from Standard and Poor’s for the Governmental Agencies Program to Aaa, AAA, AAA from Moody’s, Standard and Poor’s and Fitch respectively for the Clean Water and Drinking Water State Revolving Fund Programs. OFM and KIA anticipate issuing an RFP for bond counsel services for Fiscal Year 2022. OFM and KIA will have an option to renew any resulting contract for an additional one-year period.

Kentucky Local Correctional Facilities Construction Authority (“KLCFCA”)

Created pursuant to KRS 441.605 to 441.695, KLCFCA provides an additional and alternative method for constructing, improving or repairing, and financing local and regional jails and other correctional facilities in the Commonwealth. It is uncertain whether there will be a need for bond counsel services for KLCFCA during Fiscal Years 2022 and 2023. However, in the event that an RFP should need to be issued, OFM must have a pre-qualified list from which to solicit responses. OFM would have an option to renew any resulting contract for an additional one-year period.

Kentucky Public Transportation Infrastructure Authority (“KPTIA”)

Created pursuant to KRS 175B.005 to 175B.115, KPTIA provides a structure for the construction, operation, financing, and oversight of significant transportation projects within the Commonwealth and between the Commonwealth and any state adjoining the Commonwealth. It is uncertain whether there will be a need for bond counsel services during Fiscal Years 2022 and 2023. However, in the event that an RFP should need to be issued, OFM must have a pre-qualified list from which

to solicit responses. OFM would have an option to renew any resulting contract for an additional one-year period.

State Property and Buildings Commission (“SPBC”)

Created pursuant to KRS 56.450, SPBC provides financing for capital projects and economic development programs approved by the General Assembly of the Commonwealth of Kentucky. SPBC issues lease revenue bonds to finance projects for which the debt service is appropriated from the Commonwealth’s General, Agency or Road Funds. SPBC’s uninsured ratings are “A1” from Moody’s Investors Service, Inc., “A-” from Standard & Poor’s Ratings Services, “A+” from Fitch Ratings, and “A+” from Kroll Bond Rating Agency. OFM expects to issue one RFP on behalf of SPBC to select one or more firms to provide bond counsel services during Fiscal Year 2022. OFM will have the option to renew any resulting contract for an additional one-year period.

Firms qualified for SPBC will also be qualified to submit a Request for Proposal should the need arise to hire a bond counsel firm for any agency or instrumentality not already included in this Request for Qualifications.

State Universities (“Universities”)

State-supported institutions of higher education in the Commonwealth include the following:

- Eastern Kentucky University
- Kentucky Community and Technical College System
- Kentucky State University
- Morehead State University
- Murray State University
- Northern Kentucky University
- University of Kentucky
- University of Louisville
- Western Kentucky University

These institutions issue debt to finance capital construction and asset acquisition which includes consolidated educational building projects, community colleges educational building projects and housing and dining facilities projects. The security for the debt issued by these institutions is general receipts or revenue generated from the operation of the facilities being financed, e.g. student registration fees, housing and dining fees. At this time, all the state universities have converted to the General Receipts Indenture and all housing and dining and consolidated education bonds are slowly being refunded or retired. The postsecondary education institutions are required by law to issue on a competitive basis. The State Universities’ uninsured ratings vary by institution and depend on the type of transaction. OFM does not anticipate the need to issue an RFP on behalf of the postsecondary education institutions to provide bond counsel services for Fiscal Year 2022. However, OFM will issue an RFP on behalf of the postsecondary education institutions to provide bond counsel services for Fiscal Year 2023. The term of this engagement would be for a contract period of one year with an option to renew the contract for an additional period of one year.

Kentucky River Authority (“KRA”)

Created pursuant to KRS 151.700 to 151.730, the KRA was created to protect and improve the waters of the Kentucky River through environmental management of the entire watershed. Through financing they construct, reconstruct, provide for the major maintenance, or repair the locks and dams on the Kentucky River and all real and personal property pertaining thereto, as well as maintain the channel. KRA’s financings are supported by water user fees. It is uncertain whether there will be a need for bond counsel services for KRA during Fiscal Years 2022 and 2023. However, in the event that an RFP should need to be issued, OFM must have a pre-qualified list from which to solicit responses. OFM would have an option to renew any resulting contract for an additional one-year period. KRA current uninsured ratings are “A2” from Moody’s Investors Service, Inc. and “A-” from Standard & Poor’s Ratings Services and “A+” from Fitch Ratings Services.

Turnpike Authority of Kentucky (“TAK”)

Created pursuant to KRS 175.410 to 175.990, TAK provides financing for construction, maintenance and repair of economic development roads within the Commonwealth. TAK issues lease revenue bonds to finance projects for which the debt service is appropriated from the Commonwealth’s Road Fund. TAK’s uninsured ratings are “Aa3” from Moody’s Investors Service, Inc., “A-” from Standard & Poor’s Ratings Services, and “A+” from Fitch Ratings. OFM and TAK currently do not anticipate the need to issue an RFP for bond counsel services for Fiscal Year 2022; however, OFM and TAK expect to issue an RFP for bond counsel services for Fiscal Year 2023, with an option to renew for an additional year.
