

## **703 – Document Reproduction and Distribution**

**703.1 Plans, Specifications and the Official Sealed Bid Form:** are available from an outside vendor. They are not available from the Division of Engineering and Contract Administration. The Division relies on an outside vendor (currently Lynn Imaging) for reproduction and distribution.

To order plans, the bidder must call Lynn Imaging, Distribution Department at phone number: (502) 875-8341, or visit <http://finance.ky.gov/services/stateplan/Pages/default.aspx> to order online. This web-site is used for ordering and plan holders list only.

Bidders that receive plans and specifications from sources other than the current outside vendor will not be registered as plan holders and will not receive addenda.

**703.2 Cost:** The cost to bidders for Plans and Specifications is listed on the web-site and is non-refundable. All payments for Plans and Specifications will be made to the current outside vendor.

The Architect-Engineer, all sub-consultants, the Project Manager and Using Agency Representative will receive a complete set of bid documents from the current outside vendor. The cost of providing these documents is from the project account.
