

Electronic Safety & Security - Record Drawing Guidelines

Division 280000-5

In addition to the requirements outlined in previous chapters of the Procedures Manual, the following guidelines are presented below to communicate additional record drawing expectations for Electronic Safety and Security.

Division 28 Electronic Safety and Security Additional Record Drawing Guidelines

- Floor Plans: Record drawings shall:
 - Present contact information for warranty service provider.
 - Identify room numbers that reflect identifiers corresponding to Owner's installed labeling.
 - Present the location of all serviceable devices including hubs, routers, etc.
- Schedules: All manufacturer and model references are to reflect information for installed devices in lieu of specified devices.
