

# Potentially Preventable Events: PCP & Member Analysis

The screenshot displays a web application interface with a data table titled "PPA Percent Differences from Expected". The table compares 2018/09-2019/08 data against 2017/09-2018/08 data. The table has columns for "Attributed PCP", "IP PPA Admits", "IP PPA Admits PKPY", "IP PPA Admits % Diff", "IP PPA Allowed", "IP PPA Allowed FMPM", and "IP PPA Allowed % Diff". A green text box is overlaid on the table with the text "Capabilities include: PCP-level review" and "Member-level analysis".
