60.7 A - Executive Summary						
<p>Provide an Executive Summary that summarizes the Vendor's proposed staffing and organizational structure, technical approach, and implementation plan. The Executive Summary must include a statement of understanding and fully document the Vendor's ability, understanding and capability to provide the full scope of work. Address the following, at a minimum:</p> <p>The Vendor's statement of understanding of the healthcare environment in the Commonwealth, the Kentucky Medicaid program and vision for this procurement, and needs of Medicaid</p> <p>An overview of the Vendor's proposed organization to provide coordinated services under the Contract.</p> <p>A summary of the Vendor's strategy and approach for administering services for Enrollees.</p> <p>A summary of the Vendor's strategy and approach for establishing a comprehensive provider network.</p> <p>A summary of innovations and initiatives the Vendor proposes to implement to achieve improved health outcomes for Enrollees in a cost effective manner. Include a discussion of challenges the Vendor anticipates and how the Vendor will work to address such challenges.</p>		25	4.5	5	22.5	Had a corporates feel. Not a lot of Medicaid plans is evident; not a lot of experience with Medicaid, but has a lot of commercial experience. Would have liked to have seen more detail specific to Kentucky and its problems.
Section Score		25			22.5	
60.7 B Company Background - 1. Corporate Experience						
a.	<p>Describe the Vendor's experience in the provision of managed care services to the populations specified in this Contract. In addition, include the following information in the response:</p> <p>i. Experience in implementation of population health management programs and initiatives. Include information about how the Vendor has addressed social determinants of health.</p> <p>ii. Three (3) examples of initiatives the Vendor has implemented for Medicaid managed care programs that have supported improved outcomes. Describe whether such initiatives were cost effective and resulted in sustained change.</p> <p>iii. A summary of lessons learned from the Vendor's experience providing similar services to similar populations.</p> <p>iv. How the Vendor will apply such lessons learned to the Kentucky Medicaid managed care program.</p>	60	4.5	12	54	A lot of references to Florida, but would have liked them to have focused more on Kentucky. Liked the summary of lessens learned. They were one of founding members of Unite Us and gave lots of detail about him. Very organized and well written, covered all of the points.

4	<p>Financial Security Obligations (Section 13.0 Contractor's Financial Security Obligations)</p> <p>a. Describe how the Vendor will comply with net worth, solvency, reinsurance and surplus requirements.</p> <p>b. Provide documentation of lines of credit that are available, including maximum credit amounts and available credit amount.</p> <p>c. Describe any risk arrangements the Vendor proposes to have with providers for contracted services and describe oversight of such arrangements.</p>	15	5	3	15	The response is very extensive, detailed, clear and informative and flows in a logical and sequential manner. Their financial backing is from Humana Inc. which has a \$2 billion line of credit.
5	<p>Third Party Resources (Section 14.0 Third Party Resources)</p> <p>Describe the Vendor's approaches in the identification of other insurance held by its Enrollees and other insurance that may be required to pay for services provided to Enrollees (third party liability) and coordination of benefits (COB) with third parties, including cost avoidance, and Enrollee and provider request for COB or TPL within specified timelines.</p>	10	4	2	8	The response is very extensive, detailed, clear and informative and flows in a logical and sequential manner.
6	<p>Management Information System (Section 15 Management Information System)</p>					
	<p>a. Provide a detailed description, diagrams and flowcharts of the Management Information System (MIS) the Vendor will use to support all aspects of Kentucky's Medicaid managed care program including the following subsystems:</p> <ul style="list-style-type: none"> i. Enrollee Subsystem ii. Third Party Liability (TPL) iii. Provider Subsystem iv. Reference Subsystem v. Claims Processing Subsystem (to include Encounter Data) vi. Financial Subsystem vii. Utilization/Quality Improvement Subsystem viii. Surveillance Utilization Review Subsystem (SURS) <p>Diagrams and flowcharts should show each component of the MIS and the interfacing support systems used to ensure compliance with Contract requirements.</p> <p>As part of the response, include information about the following:</p> <ul style="list-style-type: none"> i. Required interfaces, how the system will share and receive information with the Department, how the Vendor's system will use files provided by the Department, Subcontractors, providers, and other supporting entities. ii. Capability to store and use large amounts of data, to support data analyses, and to create standard and ad hoc reports. iii. Extent to which these systems are currently implemented and integrated with other systems, internal and external, and the Vendor's approach for assuring systems that are not fully implemented and integrated will be ready to begin operations on required timeframes. <p>Diagrams and flowcharts should show each component of the MIS and the interfacing support systems used to ensure compliance with Contract requirements.</p>	15	5	3	15	The response was concise. Have required interfaces. 100 clearinghouses that they can accept claims from.
	<p>b. Provide a description for and list of potential risks and mitigation strategies for implementing new information systems and changes to existing systems to support the Kentucky Medicaid managed care program.</p>	5	5	1	5	They outline 14 risk and explain system replacements that are anticipated. Have information technology risk governance team.
	<p>c. Describe the Vendor's current and planned use and support of new and existing technology in health information exchange (HIE), electronic health records (EHR), and personal health records (PHR).</p>	5	4	1	4	The response is extensive, detailed, clear, and informative and flows in a logical and sequential manner. It addresses the aspects of the question. Investing \$500K for those who adopt EHRs that connect to KHIE.
	<p>d. Describe the Vendor's approach to assessing integrity, accuracy, and completeness of data submitted by providers and Subcontractors.</p>	5	4	1	4	Front end edits in place.
	<p>e. Provide a description of the Vendor's data security approach and how the Vendor will comply with Health Insurance Portability and Accountability Act (HIPAA) standards including the protection of data in motion and at rest, staff training and security audits.</p>	5	5	1	5	They have an internally developed encryption algorithm to protect PHI when stored contained accessed or flash drive, etc. Levels of edits are fantastic.

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments

	f. Describe any proposed system changes or enhancements that the Vendor is contemplating making during the anticipated Contract Term, including subcontracting all or part of the system. Describe how the Vendor will ensure operations are not disrupted.	5	5	1	5	Very forth coming about changes/updates EDIFECs
7	Encounter Data (Section 16.0 Encounter Data Submissions)					
	a. Provide a detailed description of the Vendor's processes for ensuring complete, accurate, and timely encounter data submissions to the Department, including procedures for working with providers and Subcontractors to correct errors.	10	4	2	8	Seems to focus a lot on Florida and little on Kentucky. Talked more about the upgrade to Hero vs. what they are currently doing.
	b. Provide the Vendor's Encounter Data Processing policies and procedures.	5	4	1	4	Detailed; however, they only included 1 policy.
	c. Describe common challenges the Vendor has experienced in encounter data development and submission, and mitigation strategies and best practices the Vendor has implemented to ensure accurate and complete encounter data.	10	5	2	10	Good challenges; liked the encounter reconciliation program on page 11.
	d. Describe educational approaches the Vendor will implement to support providers and Subcontractors that are identified as having ongoing challenges in submission of complete, accurate, and timely information.	5	5	1	5	They have an educational series about claims payments. Like the provider validation team.
	e. Describe initiatives the Vendor proposes raising to the Encounter Technical Workgroup to enhance the data submission requirements and improve the accuracy, quality, and completeness of encounter submissions.	5	4	1	4	Have an initiative to improve the FQHC encounters.
8	Kentucky Health Information Exchange (KHIE) and Electronic Health Records (Section 17 Kentucky Health Information Exchange, Section 18 Electronic Health Records)					
	a. Describe strategies and incentives the Vendor will implement to encourage provider adoption and use of electronic health records that result in improvements in the quality of care for Enrollees and cost of health care services.	5	5	1	5	Investing \$500k of adopting KHIE. Nation level involvement.
	b. Describe strategies for requiring participants to establish connectivity to the Kentucky Health Information Exchange (KHIE) for a minimum of: i. Providers: applicable public health reporting ii. Hospitals: applicable public health reporting and Admit Discharge Transfer (ADT's).	10	5	2	10	They completed an analysis to see who was not connected in the location. Verifying immunizations
	c. Provide a description of initiatives and incentives to encourage adoption of electronic health records and information exchange.	5	4	1	4	Table I.C.8-4 outlines their incentives and initiatives.
9	Quality Management and Health Outcomes (Section 19.0 Quality Management and Health Outcomes)					
	a. Provide a detailed description of how the Vendor will support the Department in achieving its goals to transform the Medicaid program to empower individuals to improve their health and engage in their healthcare and to significantly improve quality of care and healthcare outcomes, and to reduce or eliminate health disparities. At a minimum, the Vendor's response should address: i. How it will structure its organization to provide for a comprehensive and holistic approach to meet these goals, including coordination with Subcontractors and providers. ii. Strategic solutions the Vendor will use in quality management, measurement, and improvement. iii. Innovative strategies and enhanced services, if any, that the Vendor proposes to implement to enhance the health and well-being of Enrollees and to improve health outcomes, including examples of successes with similar Medicaid populations. iv. Internal tools and technology infrastructure the Vendor will use to support improvements in health outcomes and to identify, analyze, track, and improve quality and performance metrics as well as the quality of services provided by Network Providers at the regional and statewide levels. v. Methods to ensure a data-driven, outcomes-based continuous quality improvement process, including an overview of data that is shared with providers to support their understanding of progress in achieving improved outcomes.	30	5	6	30	Very detailed; good chart Figure I.C.9-1 which shows Kentucky vs. Humana Inc. Like the QMAC it is coded by an enrollee. Like the clinical guidance eXchange. Like collaboration with KBC
	b. Indicate if the Vendor has received NCQA accreditation for the Kentucky Medicaid market, and if not, the proposed timeline for achieving accreditation.	5	4	1	4	Currently accredited through 2022 and they plan to NCQA distinction in multicultural
	c. Provide the Vendor's proposed use of the Quality Improvement Committee (QIC) to improve the Kentucky Medicaid managed care program.	5	4	1	4	The response is extensive, detailed, clear, and informative and flows in a logical and sequential manner. It addresses the aspects of the question.

Vendor Name: Humana						
Values assigned should relate to the quality and strength of the solution and its relevance to DMS		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
d.	Provide the Vendor's proposed use of the Quality and Member Access Committee (QMAC) to improve the Kentucky Medicaid managed care program, including the following information: i. Proposed stakeholder representation. ii. Innovative strategies the Vendor will use to encourage Enrollee participation. iii. Examples of successful strategies the Vendor has implemented to obtain active participation in similar committees.	20	5	4	20	Good incentive per meeting each enrollee get a \$40 gift card, childcare, a meal, & travel
e.	Provide a comprehensive description of the Vendor's proposed Quality Assessment and Performance Improvement (QAPI) Program that meets all requirements of this Contract.	5	4.5	1	4.5	Liked Table I.C.9-3 outlines the components of their QAPI
f.	For each of the below quality measures, demonstrate how the Vendor will work to make improvements in Kentucky's Medicaid population. Include discussion of strategies and interventions specific to each measure, partners that will be necessary to achieve improvement, data analytics, and anticipated timeframes for success in achieving improvements. Describe potential challenges the Vendor anticipates, if any, and how those will be addressed. Provide examples of successes in other state Medicaid programs, and how that success will be leveraged in the Kentucky Medicaid market. i. Medication Adherence for Diabetes Medications ii. Tobacco Use and Help with Quitting Among Adolescents iii. Colorectal Cancer Screening	30	5	6	30	They state they have an extensive use of data analytics. Provided good matrix of other plans.
g.	Describe the Vendor's proposed approach to collaborating with the Department, other MCOs, and providers to ensure Performance Improvement Projects (PIPs) are effective in addressing identified focus areas and improving outcomes and quality of care for Enrollees, including the following: i. Lessons learned, challenges, and successes the Vendor has experienced while conducting PIPs, and how the Vendor will consider those experiences in collaboration with the Department on identified PIPs. ii. Recommended focus areas, including those for regional collaborative PIPs, for the first two years of the Contract resulting from this RFP and rationale for these focus areas. iii. Methods for monitoring and ongoing evaluation of progress and effectiveness.	20	5	4	20	Like the PIP example where adherence for an antidepressant who is diabetic
h.	Provide a description of opportunities the Vendor has identified to collaborate with the Department for Public Health to support improvement in public health outcomes. Where does the Vendor anticipate that collaborating on initiatives would have the most impact in addressing quality care and outcomes for Medicaid Enrollees? Explain the Vendor's rationale.	5	4	1	4	Proposed chronic disease management Would have liked to see a Kentucky example instead of one from Florida
i.	Describe the Vendor's approach to monitoring and evaluating progress in improving the quality of health care and outcomes on an ongoing basis. Describe the following: i. How the Vendor will use data to inform and prioritize initiatives to address Enrollee needs. ii. Methods for measuring provider performance against practice guidelines and standards adopted by the QIC, and follow up activities to be conducted with providers based on ongoing review of findings. iii. A summary of the Vendor's approach to annual evaluation of the overall effectiveness of the QAPI program and how the Vendor will use findings for continuous quality improvement efforts.	15	4	3	12	they have a Medicaid trend analytics The dashboard on page 41 Table I.C.9-5 appears to combine product lines.

	<p>j. Provide a summary of how the Vendor will collaborate with the Department and other Vendors in developing and implementing a value-based payment (VBP) program. Include proposed approaches for the following at a minimum:</p> <ul style="list-style-type: none"> i. The Vendor's lessons learned in developing and implementing VBP models, examples of models that have been most effective in improving performance and outcomes. ii. Recommended goals and focus areas in the first two years of implementation of the VBP program. iii. Proposed approaches to collaborate with the Department and other MCOs to develop the VBP program and to implement a coordinated approach to achieve statewide improvement in outcomes. iv. Potential challenges specific to Kentucky and the Vendor's proposed methods for addressing identified challenges. v. Regardless of the model implemented, the Vendor's approaches to analyzing performance against targets, frequency of analyses, reporting results to DMS, and use of analyses to modify interventions that are not making progress towards achieving targets. 	25	5	5	25	Shown really good examples for the challenges and VBP.
	<p>k. Will the Vendor and Subcontractors implement VBP arrangements with providers? If so, describe the following:</p> <ul style="list-style-type: none"> i. The types of VBP arrangements the Vendor and Subcontractors plan to use and why these models were selected. As part of your description, map your proposed VBP arrangement to the HCP-LAN APM Framework maturity level. ii. How improvement in health outcomes will be addressed through the VBP arrangements implemented. iii. Methods for evaluating the effectiveness of VBP, including tracking of costs and improvement in health outcomes. 	20	5	4	20	Liked Table I.C.9-10 which talks about the different plans Liked the 3 Aims that demonstrate health outcomes
	<p>l. Provide results of any provider satisfaction survey reflecting the Vendor's performance in Kentucky or any other state Medicaid program over the last three (3) years. Where results identified provider dissatisfaction, Describe strategies the Vendor has implemented to address improvement, and examples of how those strategies have been effective.</p>	5	4	1	4	They provided provider satisfaction results of the last 3 years Includes Kentucky, but focus on Florida. They missed the opportunity to explain issues, have they have been addressed, and how it will not continue going forward.
10	Utilization Management (Section 20.0 Utilization Management)					
	<p>a. Describe strategies the Vendor will implement to identify and reduce inappropriate utilization of services, including emergency departments, including the following at a minimum:</p> <ul style="list-style-type: none"> i. Proposed approach to using data to inform the Vendor's efforts to improve appropriate use of service and cost efficiencies, as well as to identify potential Fraud and Abuse referrals. ii. Overview of the Vendor's methods for monitoring appropriate health care utilization, including two examples of identified negative trends, initiatives undertaken to improve them, and the results of these initiatives. iii. Frequency in which the Vendor proposes to re-evaluate its approaches to identify need for adjustments (e.g., re-evaluation of existing prior authorization requirement for appropriateness)? 	15	5	3	15	Liked Figure I.C.10-1 Humana's CareHub Clinical Technology Platform Focused program on ER utilization. Liked dashboards displayed on Table I.C.10-1

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
Values assigned should relate to the quality and strength of the solution and its relevance to DMS						
	<p>b. Describe the Vendor's proposed Utilization Management (UM) Program, assuring that it addresses requirements of RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices". In the description, include information about the following, at a minimum:</p> <ul style="list-style-type: none"> i. Approach to align the UM Program with the Department's required clinical coverage policies. ii. Proposed evidence-based decision support tool(s). iii. Innovations and automation the Vendor will implement, for example, to reduce provider administrative burden under the UM Program. iv. Methods and approach to balance timely access to care for Enrollees with the administration of the UM Program. v. Approach to integrate medical and behavioral health services in the UM program. vi. Approach to ensure UM Program is compliant with mental health parity. vii. Approach to ensuring accountability for developing, implementing, and monitoring compliance with Utilization policies and procedures and consistent application of criteria by individual clinical reviewers. viii. Processes and resources used to develop and regularly review Utilization Review (UR) criteria. ix. Prior Authorization processes for Members requiring services from non-participating providers or expedited Prior Authorization, including methods for assuring services are not arbitrarily or inappropriately denied or reduced in amount, duration, or scope. x. How the Vendor will use its Utilization Management Committee to support Utilization Management activities. 	60	4.5	12	54	Has Gold Card Program and Automated PA Use MCG Care guidelines, but doesn't replace clinical judgment Found page 23 "Kentucky & Florida", but the column only says "Kentucky"
11	Monitoring and Oversight (Section 21.0 Monitoring and Oversight)					
	a. Describe the Vendor's proposed approach to internal monitoring of operations to ensure compliance with this Contract.	5	4	1	4	The lines appeared to be blurred between corporate and Kentucky Medicaid; decisions appear to be made at a corporate level vs. at a Medicaid level.
	b. Describe the Vendor's proposed approach to providing oversight of its Subcontractors, including examples of actions the Vendor takes when a Subcontractor is found to be non-compliant or when performance improvement opportunities are identified.	10	4	2	8	Good examples with actions taken when a subcontractor is found to be in noncompliance.
12	Enrollee Services (Section 22.0 Enrollee Services)					
	<p>a. Describe the Vendor's operation of the Enrollee Services call center including:</p> <ul style="list-style-type: none"> i. How the Vendor will monitor and ensure full staffing during operational hours. ii. Examples of training and resources provided to call center staff. iii. Approach to using back-up staff to support increased call volumes, how the Vendor ensures such staff are trained and have the correct materials specific to the Kentucky Medicaid managed care program, and location of these staff. 	15	5	3	15	They forecast the call volume. Extensive amount of training; cross train Florida staff. Poverty simulation in collaboration with Bellerman University in Louisville.
	<p>b. Describe the Vendor's approach to Enrollee outreach and education, including the following at a minimum:</p> <ul style="list-style-type: none"> i. Overall approach to educating and engaging Enrollees about topics such as but not limited to Covered Services, accessing care, availability of the Population Health Management program, and improving overall health. ii. Topics the Vendor proposes to be priority areas of focus for Enrollee outreach and education. iii. Initiatives and education (health literacy) the Vendor will use to drive appropriate utilization and cost-effective health care services. iv. Collaboration opportunities with other contracted MCOs, CHFS Departments, and community partners to support Enrollee needs through joint outreach and education. 	25	5	5	25	Likes Figure I.C.12-3 that shows a full picture of their enrollee touchpoints Talk about GoalGo Gave Kentucky specific examples.

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
<i>Values assigned should relate to the quality and strength of the solution and its relevance to DMS</i>						
	c. Describe methods for communicating with Enrollees as follows: i. Creative efforts to achieve high levels of Enrollee engagement (e.g., smart phone applications,) to educate Enrollees and to communicate information for their individual health issues. ii. Approach to identifying, developing, and distributing materials that will be of most use to Enrollee populations, and efforts the Vendor proposes to target distribution to specific populations as appropriate. iii. Methods of leveraging communications to meet the diverse needs and communication preferences of Enrollees, including individuals with limited English proficiency and diverse cultural and ethnic backgrounds, disabilities and regardless of gender, sexual orientation or gender identity.	30	4	6	24	Table I.C.12-2 which displays their target population materials. Online training tool kit MyStrength They do gaps in care alerts and proactive messaging. However, it appears that they are lumping Humana Medicaid and Humana Inc. together on page 35.
	d. Provide a summary of innovative methods and the Vendor's proposed outreach plan to assess the homeless population.	5	5	1	5	Like they offer medical respite and eviction diversion/prevention.
	e. Describe the proposed approach to assess Enrollee satisfaction at each point of contact (call, online and in-person), including tools, frequency and process to measure trends, and use of findings to support ongoing program improvement.	5	4	1	4	The Humana Hero Game of Phones was creative, but everything else appeared to be standard.
	f. Provide the following sample materials: i. Draft Welcome Packet and Enrollee ID card aligned with the requirements of RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices". ii. Sample Enrollee Handbook meeting the requirements of RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices". iii. Three (3) sample Enrollee materials with taglines and displaying ability to meet translation, accessibility and cultural competency requirements.	15	5	3	15	Sample documents were good, through, easy to follow, and visually appealing.
13	Enrollee Selection of Primary Care Provider (PCP) (Section 23.0 Enrollee Selection of Primary Care Provider)					
	a. Describe the Vendor's proposed approach to helping Enrollees to identify and make voluntary selections of PCPs, within specified timeframes, who meet their needs, ensure continuity of care. Include information about differences in the Vendor's approach, if any, to supporting Enrollees without Supplemental Security Income (SSI), Enrollees who have SSI and Non-Dual Eligible, and Enrollees under Guardianship through the selection process.	5	4	1	4	Comprehensive onboarding outreach campaign Allow a PCP change at anytime.
	b. Describe the Vendor's PCP auto-assignment algorithm for Enrollees who do not make a voluntary selection, including how the Vendor will ensure an Enrollee's continuity of care.	5	4	1	4	Like Table I.C.13-1 which is the automated PCP process.
	c. Describe the Vendor's approach for processing provider change requests when for an Enrollee request after initial assignment, for cause, when Enrollees regain eligibility, when the Provider is terminated, and for a Provider request.	5	4	1	4	The response is extensive, detailed, clear, and informative and flows in a logical and sequential manner. It addresses the aspects of the question. It can be changed at anytime, but the change is not effective immediately.
	d. Describe the Vendor's approach to identifying, outreaching to, and educating Enrollees who do not receive services from their PCP within one (1) year of enrollment with the PCP. What information and support will the Vendor provide to Enrollees to obtain services?	5	4	1	4	Liked Table I.C.13-2 which shows their target outreach timeline
14	Enrollee Grievances and Appeals (Section 24.0 Enrollee Grievances and Appeals)					
	Describe the Vendor's proposed Enrollee Grievances and Appeals process, including a summary of methods for the following:					
	a. Compliance with State and Federal requirements.	5	4.5	1	4.5	100% resolved within 30 days.
	b. Process for Expedited Review.	5	5	1	5	the behavioral health director can interject
	c. Involvement of Enrollees and their caregivers in the process.	5	4	1	4	They provided multiple ways for the caregiver to be involved
	d. Tracking grievances and appeals received by type and trending results for use in improving operations.	5	4	1	4	Would have liked to have seen an example; even a screenshot of the dashboard.
	e. Reviewing overturned decisions to identify needed changes.	5	4	1	4	Liked the Member and Provider 360, but no examples were provided.
15	Marketing (Section 25.0 Marketing)					
	a. Provide a summary of the Vendor's marketing and distribution plan, describing the following at a minimum: i. The system of control over the content and form of all marketing materials. ii. The methods and procedures to log and resolve marketing Grievances. iii. The verification and tracking process to ensure marketing materials and activities have been approved by the Department and adhere as required by Section 25.1 "Marketing Activities" and Section 4.4 "Approval of Department" for the Vendor and its Subcontractors.	15	5	3	15	Creating Studio H. They provided statewide marketing plan; Attachment I.C.15-1

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
<i>Values assigned should relate to the quality and strength of the solution and its relevance to DMS</i>						
	b. Describe the Vendor's understanding of the populations in the Commonwealth and define how it will adapt its marketing materials to reach the various populations and audiences.	5	4	1	4	Liked messaging approach.
16	Enrollee Eligibility, Enrollment and Disenrollment (Section 26 Enrollee Eligibility, Enrollment and Disenrollment)					
	a. Describe the approach to meeting the Department's expectation and requirements outlined in RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices".	5	5	1	5	State that 2019 file were process 100% accurate. Weekly audits are performed. Exceed reach out requirements.
	b. Detail any limitations and/or issues with meeting the Department's expectations or requirements and the Vendor's proposed approach to address such limitations and/or issues.	5	3	1	3	It merely addresses the question, but provides no additional information. There are always limitation, but no examples were given.
17	Provider Services (Section 27 Provider Services)					
	a. Summarize the Vendor's overall approach to Provider Services, including initiatives and processes for providing effective services to providers to support the Kentucky Medicaid program. In the response, address the following at a minimum: i. A description of how provider representatives engage with providers initially and on an ongoing basis, including level of local presence and onsite visits to provider locations. ii. Description of formal committees, workgroups, or other forums, if any, in which Providers can receive updates and instruction from the Vendor and offer input about the overall program and Vendor initiatives. iii. Methods and metrics used to collect provider feedback and to measure overall provider satisfaction, including frequency of doing so. iv. Methods the Vendor will use to minimize provider complaints and escalations to the Department.	25	5	5	25	Liked I.C.17-1 which is the provider support model. Have a GoCard Program and have a practice innovation advisor.
	b. Describe the Vendor's proposed Provider Services call center, including an overview of the following at a minimum: i. Approach to assuring the call center is fully staffed during required timeframes. ii. Location of proposed operations. iii. How the Vendor will meet and monitor call center standards, and how the Vendor will use monitoring results to adjust operations, as needed.	15	4	3	12	they forecast call volume and have extensive staff training, but nothing out of the norm.
	c. Provide an overview of the Vendor's proposed provider website, including examples of information that will be provided through the website and any functionality that will be included to communicate with providers. Provide sample screenshots of provider websites currently maintained by the Vendor.	5	5	1	5	Liked the secure provider portal Avality. It was well laid out and organized.
	d. Provide a proposed table of contents for the Provider Manual and a brief description of the type of information the Vendor will communicate via the manual.	5	5	1	5	Very well organized table of contents for the Provider Manual.
	e. Provide the Vendor's proposed approach to provider orientation and education.	5	4.5	1	4.5	They have required annual training.
	f. Describe the Vendor's support of providers in Medicaid enrollment and credentialing, including the following: (Include copies of the Vendor's proposed credentialing policies and procedures, and procedures for coordination with the CVO(s).) i. Methods for assisting providers who are not enrolled in Medicaid with the enrollment process. ii. Proposed process for conduct of credentialing until such time that a Credentialing Verification Organization (CVO) is contracted by the Department. iii. Proposed process for transitioning credentialing activities to and coordinating with the Department's contracted CVO(s) to educate and assist Providers in completing the credentialing process with the CVO(s). iv. Approach for a timely contracting determination of providers upon receipt of information from a CVO that a provider's credentialing is complete, specifying timeframe for uploading a credentialed and contracted provider into the claims payment system to allow for payment of adjudicated claims.	30	5	6	30	Extensive, but why does it take 10 days to load someone in the system? They have Apex. Assist with App811 and verify the information.

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
Values assigned should relate to the quality and strength of the solution and its relevance to DMS						
	<p>g. Provide the Vendor's proposed approach for processing provider grievances and appeals. Include at a minimum:</p> <ul style="list-style-type: none"> i. The overall process to include description of interaction with providers, required correspondence and timeframes for acknowledging and resolving grievances and appeals. ii. Process for tracking reasons for grievances and appeals to identify trends, and how the Vendor will use this information to improve internal operations, provider relations, and provider satisfaction. iii. Process for ensuring transparency to DMS of grievance and appeal types, resolutions, and any Vendor actions to decrease such grievances or appeals in the future. 	20	5	4	20	All grievances go into one system. They have good figure that shows their grievances and appeals. No wrong door policy. Their analytics tools was neat.
18	Provider Network (Section 28 Provider Network)					
	<p>a. Provide the Vendor's proposed Provider Network development strategy to ensure a comprehensive statewide network across all provider types. The Vendor's strategy must describe the following:</p> <ul style="list-style-type: none"> i. Innovative approaches to recruit providers and to develop and maintain the Vendor's provider network to ensure network adequacy standards and highest quality care, including: <ul style="list-style-type: none"> 1. Strategies to recruit providers in traditionally underserved as well as non-urban areas, by health need, and to overcome expected accessibility challenges. 2. Strategies and methods to address workforce shortages and network gaps, included proposed initiatives to collaborate with the Department and other contracted MCOs to develop innovative solutions to meet the healthcare needs of Enrollees. 3. Strategies for contracting with providers in bordering states to help address network adequacy challenges, including lessons learned and successes or challenges with this approach. ii. Approach to providing out-of-network care when timely access to a Network Provider is not possible, including the Vendor's approach to supporting Enrollees in accessing such care. iii. Approach to ensure Network Providers are physically accessible and have accommodations for Enrollees with physical or mental disabilities. iv. Approach to ensure a comprehensive network to address the needs of all Enrollees, including the provision of services in a culturally sensitive and linguistically appropriate manner. v. Strategies the Vendor will implement to ensure the network adequacy and access standards are met if actual Enrollment exceeds projected Enrollment. 	50	4	10	40	\$28 Million in incentives to Kentucky providers 5 different recruitment strategies for underserved communities Gave examples of issues in Casey & Larue Co. It appears that Humana is stating on page 17 of the response that providers will be enrolled in multiple products which is not compliant with the contract.
	<p>b. If Subcontractors will provide Covered Services, describe how network development efforts will be coordinated with the Vendor's provider network development strategy and how the Vendor will monitor the Subcontractor's activities and ensure transparency of these activities to the Department.</p>	10	4	2	8	They do reporting caps and penalties and rigorous oversight program.
	<p>c. Describe the Vendor's approach to use of telehealth services to improve access. Include the following at a minimum:</p> <ul style="list-style-type: none"> i. Criteria for recognized sites. ii. Education efforts to inform providers and Enrollees. iii. Whether reimbursement will be available to the presenting site as well as the consulting site or only the consulting site. Include any requirements or limitations on reimbursement. iv. Lessons learned and successes or challenges with implementation of telehealth services for other programs the Vendor has served and that the Vendor will consider for provision of telehealth services in Kentucky. 	20	4	4	16	They reimburse for consulting sites only They contract with Arcadian for tele-psychiatry & MD LIVE which is a virtual care platform. They thoroughly discussed lessons learned and their challenges.
	<p>d. Describe the Vendor's provider contracting strategies, including processes for determining if a provider meets all contracting requirements (at the time of enrollment and on an ongoing basis), as well as processes for corrective action and termination.</p> <p>Include copies of the Vendor's proposed contract templates for individual practitioners and for facilities as attachments.</p>	5	4	1	4	The detailed contract templates are attached

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
<i>Values assigned should relate to the quality and strength of the solution and its relevance to DMS</i>						
e.	Demonstrate progress toward developing network capabilities for statewide access by providing evidence of existing contracts or signed Letters of Intent with providers by provider type (for the Vendor and Subcontractor). Include the following information at a minimum: i. A Microsoft Excel workbook by provider type listing every provider that has signed a contract or Letter of Intent, including the provider's name, specialty(ies), address and county(ies), Medicaid Region(s) served, whether the provider is accepting new patients, accessibility status for individuals with disabilities, language spoken, and the provider's Medicaid Identification Number(s). ii. A summary Microsoft Excel worksheet with total provider counts by provider type by Medicaid region and county. iii. A statewide Geographic Access report of all providers with LOIs color coded by provider type by Service Region.	15	2.5	3	7.5	The attachments requested are attached, but some of the fields are not completed, i.e. language 1 and handicap accessibility.
f.	Describe proposed Enrollee to provider ratios by provider type, as well as the Vendor's methodology for considering a provider's FTE when calculating network adequacy standards.	5	2	1	2	It appears that the response provided was not in alignment with the contract. How is the FTE calculated; 24 hours per week per location?
g.	Describe the Vendor's proposed methods for ongoing monitoring and assessment to ensure compliance with network adequacy and access to care standards, including tools used, the frequency of reviews, and how the Vendor will use findings to address deficiencies in the Provider Network. The response should also address how the Vendor monitors appointment availability and wait times. Provide samples of tools and/or reports.	10	5	2	10	They do secret shopper calls Liked Figure I.C.18-1 which provides the network gap measurement tools
h.	Describe how the Vendor would respond to the network termination or loss of a large provider group or health system. Include information about the following at a minimum: i. Notification to the Department and Enrollees. ii. Transition activities and methods to ensure continuity of care. iii. Analyses the Vendor will conduct to assess impact to network adequacy and access, and how the Vendor will address identified deficiencies.	5	5	1	5	Page 39 address immediate terminations.
19	Provider Payment Provisions (Section 29 Provider Payment Provisions)					
a.	Describe the Vendor's claims adjudication process and capabilities in maintaining high standards in claims processing.	5	4	1	4	They have edit and audits and they subcontract with Conduit. Attachment I.C.19-1 shows the adjudication process.
b.	Provide information about the Vendor and any entity proposed to process and pay claims. As part of the response, address the following: i. Policies and procedures to meet performance standards and prompt pay requirements for all provider types. ii. Market specific strategies for addressing potential provider payment issues, including underpayments, overpayments, pre-and post-claims editing policies and provider billing education. iii. Proposed average days to payment from claims submission for the Vendor's proposed claims platform for medical and pharmacy claims. Provide the Vendor's last calendar year's report on the "average number of days to pay providers."	15	4	3	12	Only talks about Florida, but the stats are very good Attachment I.C.19-2 is Kentucky specific policy
c.	Describe the Vendor's methodology for ensuring claims payment accuracy standards will be monitored and improved through audit. At a minimum, address the sampling methodology, the process for auditing the sample, documenting of results, and activities conducted to implement changes or required corrective actions.	5	4	1	4	Very good and detailed flow chart attached, see I.C.19-5 5 types of prepay audits and they randomly select 500 claims per month.
20	Covered Services(Section 30 Covered Services)					
a.	Provide a detailed description of how the Vendor's operational structure and practices will support integrated delivery of services (i.e., staff, contractors, systems, calls centers, etc.). In addition, the Vendor's response should address: i. Innovative approaches to ensure Enrollees experience whole-person care that integrates their medical and behavioral health benefits and addresses social determinants of health. ii. Approach for coordination with carved-out services (e.g., transportation and transitions to long term supports and services). iii. A description of any value-added services the Vendor proposes to provide to Enrollees.	15	5	3	15	They have a clinical technology platform and integrated system, see Figure I.C.20-1. Liked list of value added services

Vendor Name: Humana					
Values assigned should relate to the quality and strength of the solution and its relevance to DMS					
	Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
b. Provide the Contractor's approach to assisting Enrollees to access direct access services and second opinions, and referrals for services not covered by the Contractor.	5	4	1	4	Require PCP referral for second opinions
c. Describe the Vendor's proposed approach to the following: i. Interfacing with the Department and Department for Behavioral Health, Developmental, and Intellectual Disabilities. ii. Coordinating with the Department to establish collaborative agreements with state operated or state contracted psychiatric hospitals and other Department facilities that individuals with co-occurring behavioral health and developmental and intellectual disabilities (DID) use. Describe potential challenges and methods to address such challenges. iii. Complying with the Mental Health Parity and Addiction Equity Act.	15	4.5	3	13.5	Like the reentry program. Uses CMS tool for reentry. Good job describing their challenges in Table I.C.20-3.
d. Describe initiatives the Contractor will implement to identify trends in provider-preventable conditions and to educate providers who are identified as possibly needing support in better addressing those conditions.	5	4	1	4	They described the detail process, but did not provide any examples.
21	Pharmacy Benefits (Section 31 Pharmacy Benefits)				
a. Describe the Contractor's proposed approach to administration of pharmacy benefits and related pharmacy services, including the following in its response: i. If using a Pharmacy Benefit Manager (PBM), provide a copy of the Subcontract, approach to integration with other services, as well as assuring transparency in pricing and reporting. ii. Methods to ensure access to covered drugs and adherence to the preferred drug list. iii. Responsibilities and composition of the P&T Committee. iv. Proposed DUR Program, including approaches to collaborate with the Department on pharmacy initiatives. v. Proposed Maximum Allowable Cost (MAC) program. vi. Approach to operation of a pharmacy call center.	30	5	6	30	Use their own Pharmacy benefits manager. They have 6 methods for ensuing transparency and pricing. They have a monthly Medicaid key metrics dashboard.
b. Describe the Contractor's pharmacy claims payment administration, including an overview of the Point of Sale (POS) system and processes for complying with dispensing fee requirements.	5	4	1	4	Figure I.C.21-5 describes the processing workflow. There is a discrepancy in the number of encounters and the number of claims in 2019.
c. Describe the Contractor's processes and procedures to provide timely, accurate and complete data to support the Department's rebate claiming process and ensure the Department maintains current rebates levels.	5	4	1	4	Use J Codes and 99.8% of claims are accepted.
d. Describe the Contractor's processes and procedures to provide data and support Department-based efforts and initiatives for 340B transactions.	5	4	1	4	End to End audit process and conduct provider education
e. Describe the Contractor's pharmacy Prior Authorization process, including the following as part of the response: i. Transparency in communicating the conditions for coverage to providers. ii. Required credentials for staff reviewing, approving and denying prior authorization requests. iii. Use of pharmacy and/or medical claims history to adjudicate prior authorization requests.	20	4	4	16	A lot of detail provided, but it appears like the lines are blurred between Medicaid and other parts of Humana, i.e. they are supported 67 pharmacist and the 763 nonclinical.
22	Special Program Requirements (Section 32 Special Program Requirements)				
a. Approach to ensuring Enrollees and Providers are aware of special program services.	5	5	1	5	They provided examples of outreach strategies which are very detailed; i.e. mailing, texting, online, etc. CareHub platform for texting.
b. Description of medical necessity review process.	5	3	1	3	They only take about Minimum and ASAM which doesn't cover all services.
c. Outreach methods to engage Enrollees.	5	5	1	5	Provided specific detail
d. Approach to identify, enroll and encourage compliance with lock-in programs.	5	4.5	1	4.5	They use KIIP (appears to be punitive); very strict
e. Approach to coordination, including referral and follow-up with other service providers, like Women, Infants, and Children (WIC), Head Start, First Steps, School-Based Services, DCBS and the Kentucky Transportation Cabinet Office of Transportation Delivery.	5	5	1	5	provided a very extensive list
23	Behavioral Health Services (Section 33.0 Behavioral Health Services)				

Vendor Name: Humana						
Values assigned should relate to the quality and strength of the solution and its relevance to DMS						
		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
	a. Provide a comprehensive description of the Contractor's proposed Behavioral Health Services, including the following: i. Current or planned delegation to delegate all or part of the provision of Behavioral Health Services to another entity. ii. Process for monitoring and evaluating compliance with access and care standards. iii. Proposed innovations to develop and maintain network adequacy and access. iv. Process for follow-up after hospitalization for Behavioral Health Services within the required timeframes. v. Process for ensuring continuity of care upon discharge from a Psychiatric Hospital.	25	5	5	25	Liked the face to face discharge planning and the homeless respite services and bridge visits.
	b. Describe the Contractor's approach to meeting the Department's requirements for operating seven (7) days a week, twenty-four (24) hours a day emergency and crisis hotline as defined in RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices".	5	5	1	5	Excellent training, supervision, oversight, and reports.
	c. Describe the Contractor's approach to coordination and collaboration between the Contractor, Behavioral Health Providers and the PCP as defined in RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices".	5	4.5	1	4.5	Letting the system connect the providers.
24	Population Health Management (PHM) Program (Section 34.0 Population Health Management Program)					
	a. Provide a comprehensive description of the Contractor's proposed Population Health Management (PHM) Program, including the following at a minimum:					
	i. Innovations and program elements the Contractor proposes to incorporate into this Program to support the overall goals of improving health outcomes for the population and empowering individuals to improve their health and engage in their healthcare.	20	5	4	20	Liked Figure I.C.24-21 their PHM approach Page 3 summarized their innovations
	ii. The Contractor's understanding of the National Committee for Quality Assurance (NCQA) PHM Model, and components of the Model the Contractor will incorporate into its PHM Program. If the Contractor, holds NCQA PHM Accreditation, describe the Contractor's implementation of related models, lessons learned, challenges and successes.	5	5	1	5	Liked Table I.C.24-1 is the PHM model
	iii. Plan to ensure high levels of Enrollee participation across all priority populations and conditions, including innovative methods for contacting and engaging Enrollees to initiate completion of Health Risk Assessments and Enrollee Needs Assessments.	5	5	1	5	They significantly improve their HRA in 2019 and talked about their enrollee incentives with over 2,000 in 2020.

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
Values assigned should relate to the quality and strength of the solution and its relevance to DMS						
	iv. The Contractor's approach to each of the three PHM Program defined risk levels: health promotion and wellness, management of chronic conditions, and complex care management. Include information about the following for each risk level: a. Tools the Contractor will use to identify Enrollees and their risk levels and to support services provided. b. Risk stratification methodology and descriptions of the types of data that will be used. c. Methods to identify Enrollees for each of Kentucky's priority conditions or populations. d. Services and information available within each risk level. e. Description of the care planning process, including methods to ensure individualized and person-centered care plans, and summary of how the Contractor will include Enrollees, their caregivers, and multi-disciplinary teams. f. Stakeholder engagement strategies, including involvement of community resources to meet social needs. g. Technology and other methods for information exchange, as applicable. h. Frequency of provision of services. i. Priority areas (e.g., specific health risks, conditions, social determinants of health, etc.). j. Description of staffing for each risk level, including staff to Enrollee ratios, modes of interface with Enrollees, and use of care managers. k. If applicable, value-based payment (VBP) or incentive models the Contractor will include in Provider agreements to support involvement in the PHM Program. l. Methods for evaluating success of services provided. m. Methods for communicating and coordinating with an Enrollee's primary care provider or other authorized providers about care plans and service needs. n. Role, if any, the Kentucky Health Information Exchange (KHIE) will play in the Contractor's PHM Program as a resource.	70	5	14	70	Found multiple tables that summarized key pieces and like they had 4 Tiers vs. 3. The population of kids at risk out of home care is a trigger for their care management.
	v. Provide the Contractor's proposed approach to coordination with other authorized providers such as the WIC program and others.	5	5	1	5	Talk about the different programs available, not Public Health and make enrollees aware of what is available.
	vi. Describe the Contractor's approach to ongoing review of its PHM Program, including potential real-time measurement, and how the Contractor will use results to address identified issues.	5	5	1	5	Quality cost utilization and member experience. And provided a program example.
25	Enrollees with Special Health Care Needs (Section 35.0 Enrollees with Special Health Care Needs)					
	a. Describe innovative approaches and evidence-based practices the Contractor proposes to use in providing services to Enrollees defined in Section 35.0 "Enrollees with Special Health Care Needs" including. Include a summary of how the Contractor's experience in providing services to these populations has informed the approaches.	10	5	2	10	Very detailed, they listed other priority populations, liked figure I.C.25-1 comprehensive care support.
	b. Describe the Contractor's approach to facilitate access to appropriate services for Individuals with Special Health Care Needs to include: i. Approach to identifying Enrollees. ii. Process for screening and assessing individual Enrollee needs. iii. Approach to providing education to Enrollees and caregivers. iv. Approach to providing transition support services.	20	5	4	20	Detailed clinical technology platform and specialized identification for guardianship and homeless. Liked their discretion of transition support services.
26	Program Integrity (Section 36.0 Program Integrity)					

Vendor Name: Humana		Possible Points	Score (1 to 5)	Multiply by Weight	Resulting Score	Comments
<i>Values assigned should relate to the quality and strength of the solution and its relevance to DMS</i>						
	a. Provide a detailed summary of Contractor's proposed Program Integrity plan, including a discussion of the following: i. The Contractor's fraud and abuse detection/prevention program activities for employees, caregivers and providers, including reporting and follow-up, continuous monitoring of compliance, identification and reporting of issues to all required parties, and ongoing training. ii. An overview of the Regulatory Compliance Committee. iii. The proposed appeals process. iv. Proposed innovations for reporting data in the Program Integrity area. Provide examples of successful innovations implemented in Kentucky or other states.	20	4	4	16	Appears to be Humana Inc. nothing specific at a local level.
	b. Describe the Contractor's proposed approach to prepayment reviews.	5	4	1	4	\$43 Million; for Medicaid saving for Kentucky and Florida combined.
27	Contractor Reporting Requirements (Section 37.0 Contractor Reporting Requirement)					
	a. As indicated in RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices", the Department would like to leverage the contracted MCOs existing technologies and reporting capabilities to develop a comprehensive reporting package through a collaborative process. Understanding that ultimately the Department will define the reporting package, describe the Contractor's willingness to participate in such a collaboration, including a discussion of the following: i. Proposed reports and report templates that will result in a comprehensive, Department-accepted reporting package. ii. Proposed ideas for collaborating across MCOs to ensure consistent and comparable reporting using the same data definitions and specification can be achieved. iii. Requirement of Subcontractors to participate and or comply with this process.	15	5	3	15	Good reporting manual, 5 different templates they offered.
	b. Provide a detailed description of the Contractor's capability to produce reports required under this Contract, including an overview of the Contractor's reporting systems and capability to configure such systems to capture data according to reporting definitions and specifications as required by the Department.	5	5	1	5	Have 20 analyst; 4 dedicated to Kentucky Medicaid.
	c. Describe the Contractor's processes to review report accuracy and completeness prior to submission to the Department.	5	4	1	4	Overview on management system
	d. Provide examples of the Contractor's proposed: i. Processes for conducting comparative data analyses, interpreting trends, and summarizing findings in a manner that is easily interpreted by the Department. ii. Use of dashboard reporting to monitor, track, and evaluate performance metrics, including dashboard level data the Contractor proposes to submit to the Department. Provide a sample dashboard report. iii. Use of findings from reports to make program improvements and to identify corrective action.	15	5	3	15	They have a forecasting team; Medicaid feedback loop and provided case example.
	e. Describe the Contractor's processes for monitoring, tracking, and validating data from Subcontractors.	5	4	1	4	Standard
	f. Describe the Contractor's proposed process for the receipt, generation, interpretation, and provision of ad hoc reports requested by the Department.	5	4	1	4	They do a kickoff meeting and how their system tracks it.
28	Records Maintenance and Audit Rights (Section 38.0 Records Maintenance and Audit Requirements)					
	a. Describe the Contractor's methods to assess performance and compliance to medical record standards of PCPs/PCP sites, high risk/high volume specialist, dental providers and providers of ancillary services to meet the standards identified in Section 38.1 "Records Maintenance and Audit Requirements" of RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices".	5	4	1	4	Did not include anything about mental health
	b. Describe the Contractor's approach to prevent and identify data breaches.	5	5	1	5	They have an enterprise information protection program that they have spent \$98 Million on cyber security on 2019
	c. Describe the Contractor's approach to conducting Application Vulnerability Assessments as defined in Section 38.6 of RFP Attachment F "Draft Medicaid Managed Care Contract and Appendices".	5	5	1	5	They have a technical vulnerability management program
