Dear Sir/Madam,

This letter is in response to a request from Joshua Waltrip, Attorney, Regulatory Affairs of Passport Health Plans (the "Company"), that the Schoenbaechler Law Office (the "Firm") furnish certain information in connection with any current litigation being handled by the Firm.

We call your attention to the fact that during the past year the Firm has represented the Company only in connection with certain limited matters. The Firm's representation of the Company currently involves a sole piece of litigation. It is a district court case in Jefferson County, Kentucky that originated in small claims court. The matter stems from a dispute between Hans Cesarz/Brandenburg Chiropractic and the Company due to the plaintiff's request for compensation for printing and mailing certain documents to the Company. On December 10, 2019, the Judge denied both parties' motions for summary judgment.

The Plaintiff is seeking \$2,305.00. This is an extremely low risk matter and undersigned counsel believes it will in no way impair the Company's ability to administer its Kentucky Medicare Managed Care Contract.

Thank you,

SCHOENBAECHLER LAW OFFICE, PLLC
