1. Introduction

Kentucky State Government is one of the Commonwealth’s largest consumers. State government purchases represent a broad range of goods and services. All state agencies purchase goods and services daily under the authority granted to them. The Finance and Administration Cabinet and the Transportation Cabinet through centralized procurement systems in Frankfort, Kentucky purchase a large volume of these goods and services.

Non-Construction Procurements are bid and contracted by:

Finance and Administration Cabinet  
Office of Procurement Services  
Office of the Controller  
Capitol Annex Building  
200 Mero Street, 5th floor  
Frankfort KY 40601  
Phone: (502) 564-4510  
Fax: (502) 564-6013

Non-Highway Capital Construction related projects are bid and contracted by:

Finance and Administration Cabinet  
Division of Engineering and Contract Administration  
Department for Facilities & Support Services  
403 Wapping Street  
Frankfort, Kentucky 40601

Kentucky Model Procurement Code (KRS 45A)

The Commonwealth of Kentucky was the first state to adopt Model Procurement Code legislation, which prescribes the methods by which the Kentucky State Government must bid, negotiate and award contracts. The preferred and most commonly used method of purchasing is by competitive sealed bidding. Procurements involving technical or complex requirements may be bid as competitive negotiations by formal Request for Proposal (RFP). In either situation, a formal bid request will be issued by an open, competitive Solicitation or a RFP and awarded in accordance with the Kentucky Model Procurement Code.
Other Procurement Regulations and Policies

Statutes:
In addition to the Model Procurement Code, other Kentucky Revised Statutes such as those in Chapters 45 and 56 are also important to the Commonwealth’s procurement process.

Administrative Regulations:

Kentucky Administrative Regulations for all state agencies and Commonwealth vendors are located at: https://legislature.ky.gov/Law/kar/Pages/default.aspx.

Kentucky Administrative Regulations specifically for the Finance and Administration Cabinet and related to statewide purchasing are located at: https://apps.legislature.ky.gov/law/kar/TITLE200.HTM.

Kentucky Administrative Regulations for the Transportation Cabinet are: https://apps.legislature.ky.gov/law/kar/TITLE600.HTM https://apps.legislature.ky.gov/law/kar/TITLE603.HTM

Overview of the Solicitation Process

The standard solicitation process for state agencies involves: requisitioning; public Solicitation; receipt of responses; evaluation; and, contract award.

The state agency Requisition is the initial document in which the specific purchase requirement(s) and award criteria are identified. An agency’s purchasing officer is assigned the request and reviews it for accuracy and competitiveness. If within the agency’s authority, the agency purchasing officer prepares the appropriate Solicitation for release. The agency may post the Solicitation on the Commonwealth’s eProcurement website at https://emars311.ky.gov/webapp/vssprdonline311d/AltSelfService. If above the agency’s authority, the Requisition is submitted to the Finance and Administration Cabinet where the Solicitation process will occur.

Responses to Solicitations may be returned as a hard copy via mail or delivery, or sent securely online, when authorized by the Solicitation.

The primary method of contracting is by sealed bid (Request For Bid). Bids received are publicly opened at the time and place stated in the Solicitation. At the request of any interested party, bids are read publicly. The bids are tabulated; checked for responsiveness to the stated terms, conditions and specifications; evaluated; and awarded to the bidder who offers the Best Value to the Commonwealth. The evaluation criteria will be stated in every Solicitation.

When it is determined that the use of competitive sealed bidding is not practical, requirements
may be solicited by the competitive negotiation method. For this method, the Commonwealth uses a Request for Proposal (RFP). The RFP includes comprehensive performance requirements, technical provisions, and specific evaluation criteria for scoring offers. Contract awards are based upon these criteria. Responses to Request for Proposals are not publicly read.

(See FAP 111-43-00 for information regarding Personal Services Contracts.)

**Awards and Contracts**

The Commonwealth uses several types of award documents to establish a formal agreement with a vendor, either to purchase defined goods or services or to set prices for future purchases. The following documents may be used:

*Contracts* (CT for goods & services) - Centrally generated awards for user agencies by the Finance and Administration Cabinet, Office of Procurement Services and the Division of Engineering and Contract Administration or Transportation Cabinet generated awards within the Cabinet's small purchase or delegated authority.

*Purchase Orders* (PO for goods & services) – Decentralized agency generated awards within the agency's small purchase authority or other delegation.

*Master Agreements* (MA) – Centrally generated awards for user agencies by the Finance and Administration Cabinet; Office of Procurement Services; the Division of Engineering and Contract Administration and the Transportation Cabinet.

*Contracts* are awarded to satisfy a one-time agency business need. *Purchase Orders* may be awarded, normally under $20,000, to satisfy a one-time agency need or may be awarded for goods or services used over a period of time. *Master Agreements* are awarded to cover the estimated requirements of state government goods or services used in significant quantities over a period of time. The *Solicitation* may estimate the needed quantities, but no guarantee is made of a specific amount to be purchased. A *Master Agreement* may be issued for the use of only one state agency or for the use by several or all state agencies. The terms of a *Master Agreement* may vary, but are generally awarded for one year with options to renew annually with the written agreement of all parties involved.
Payment Procedures  *(FAP 120-05-00)*

State law requires that all proper *Invoices* for provided goods and/or services be paid within thirty (30) working days. If a proper *Invoice* is not paid within 30 working days, the Commonwealth will pay a one (1) percent per month penalty to the vendor. State agencies are required to notify a vendor if an improper invoice has been received from the vendor.

**Small Purchase Procedures (FAP 111-55-00)**

If needed goods are not available from a *Master Agreement*, a state agency may use its *Small Purchase Authority* to purchase needed goods not to exceed its spending limit. The standard *Small Purchase Authority* is $1,000. However, an agency may be delegated a higher small purchase spending limit, in accordance with **200 KAR 5:302,Section 2**. The number of quotes required for these spending limits is provided in the tables below:

*The posting of a request for quotes on the state’s eProcurement website will satisfy the quote solicitation requirements.

Vendors of small-dollar-volume items, which the Commonwealth of Kentucky is likely to use but is unlikely to carry on *Master Agreements*, may wish to send their information to agency purchasing officers, as well as to the Finance and Administration Cabinet's Office of Procurement Services.
2. Other Resources for Vendors

Finance and Administration Cabinet, Office of Equal Employment Opportunity and Contract Compliance

The Office of Equal Employment Opportunity and Contract Compliance administers the provisions found at KRS 45.560 – 45.640, known as the Kentucky Equal Employment Opportunity Act. All contract awards in excess of $500,000 are subject to these provisions. The EEO Act requires that during the performance of the contract the contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, age forty (40) and over, disability, veteran status or national origin. The Office certifies to the contracting agency any unlawful practice of the contractor.

The Act requires any party intending to submit a bid on a contract in excess of $500,000, to provide to the contracting agency work force data, an affidavit of intent to comply, and a breakdown of subcontracts. Work force data includes an employment utilization report with a breakdown of the bidding party’s existing work force. The work force breakdown reflects the race, ethnicity, gender, and equal employment opportunity job category for each employee. Within ten (10) days after receipt of the reports, the Office determines whether the bidding party’s work force is reflective of the percentage of available minorities and women in the area from which the bidding party’s employees are drawn.

The bidding party is certified if the Office determines that the bidding party's work force is reflective of the percentage of available minorities and women in the bidding party’s hiring area. Certified contractors are qualified to bid on any contract covered by the Kentucky EEO Act without filing additional data for a period of one (1) year.

If the Office determines that the bidding party’s work force reflects an under utilization of minorities or women, the bidding party and contracting agency are notified, and no certification is issued. The bidding party then has the option of filing an affirmative action plan for recruiting and hiring minorities or women. The Office monitors the bidding party’s achievement of the goals and objectives outlined in the affirmative action plan. Failure to comply with the provisions set forth in the affirmative action plan is an unlawful practice under the EEO Act and constitutes a material breach of the contract.

The equal employment provisions of the EEO Act may be met in part by subcontracting to a minority or woman contractor or subcontractor. This option is only available if the contract in question allows use of subcontractors. A minority or woman contractor or subcontractor is defined as a small business that is owned and controlled by one (1) or more racial or ethnic minorities or women. The office maintains a list of referral resources to assist contractors and vendors in their
efforts to identify minority or woman-owned businesses. For information contact:

3. eProcurement Website

Use the eProcurement website if you have the means to access the Internet. If you do not have your own computer, you may take advantage of public resource centers and many public libraries. To access the eProcurement website, enter the following address on your browser's URL line: https://finance.ky.gov/eProcurement/Pages/default.aspx

This website provides a list of helpful links. The most important is the Vendor Self Service (VSS) link, which provides the capability to look at the list of current Kentucky solicitation opportunities, select one that looks interesting to you, and either review the solicitation online or download it to your computer. The resulting document, once printed out to hard copy at your location, may be used as your official solicitation document.

The website also allows you to review recent Contract award information. You may also search for the commodity or service you provide to see if it is already on Contract with the Commonwealth.

Questions and comments regarding solicitations should be submitted in writing and directed to the purchasing officer listed in the Solicitation. For additional information about the website, you may contact the Customer Resource Center at 502-564-9641, (toll free) 1-877-973-4357, or by email at Finance.CRCGroup@ky.gov.

New Vendor Registration

Vendors wishing to do business with the Commonwealth must be registered before being awarded a Contract. Registration allows vendors the opportunity to identify those products and services they wish to offer to the Commonwealth; and registration makes it possible for state agencies to find your company. In addition, vendors are able to maintain their own vendor information online (i.e. contact, address, email, and phone number.)

Vendors may register on the eProcurement Web via the Vendor Self Service (VSS) application. Vendors may want to bookmark the VSS site as a favorite. Upon clicking the VSS link, vendors registering for the first time, will click on the Guests – Register or Activate My Account link and provide the requested information. Note that all required information is indicated by a red “*”. During the registration process the vendor will establish a User ID and Password that will be used as their VSS logon. This User ID and Password will also be used to submit online bid responses, when allowed by the Solicitation. This User ID and Password represents the company’s official electronic signature for submitting formal bids online and should be safeguarded. Both the User ID and Password are case sensitive.

Vendors may enter commodity code information for their product or services, as well as a commodity category. While this information is optional, vendors who select a commodity category and provide a valid email address with their point of contact will automatically receive an email notification each time a Solicitation for their product or service is posted to the website. A Commodity Class Codes and Descriptions listing is provided on the eProcurement website.

For additional information regarding Vendor Registration please refer to the Vendor Registration Overview document provided on the eProcurement website.
Update Vendor Registration

Previously registered vendors may update their vendor information by logging into the Vendor Self Service (VSS) application. A link to VSS is provided on the eProcurement website. It is very important to keep your information current. Ensure that your email address hasn’t changed so that your company will continue to receive email notifications of solicitation opportunities.

Logging into VSS requires the vendor to have a User Name and Password that would have been established during the registration process. For assistance, you may contact the Customer Resource Center at 502-564-9641, (toll free) 1-877-973-4357, or by email at Finance.CRCGroup@ky.gov.

Searching for Bid Opportunities

While on the eProcurement website, vendors may click on the Vendor Self Service (VSS) link to browse bid opportunities through the Guests area without being registered. Under the Guests area, click on View Solicitation. Select a Solicitation that you are interested in and either review the document online or download it to your computer. The resulting document, once printed out to hard copy at your location, may be used as your official bid document. You may also submit your bid electronically through the eProcurement website when authorized by the Solicitation.

The website also allows you to review recent contract award information by changing the status from open to awarded.

Responding to Solicitations

Detailed instructions for bidding on a Solicitation are found in the downloadable portion of the Solicitation, Kentucky Revised Statutes (KRS) and the Finance and Administration Cabinet Manual of Policies and Procedures (FAP).

Highlights for Online Bid and Proposal Submission

- Review the Solicitation and comply with its provisions and instructions. Remember to attach and acknowledge any pertinent attachments, as directed in the Solicitation.
- Vendors must be registered in the Commonwealth eProcurement system to via Vendor Self Service (VSS).
- Vendors must be logged in to their Vendor Self Service (VSS) account in order to submit a response.
- All bidders are cautioned to begin their electronic submission in sufficient time to complete before the closing date and time. Delays due to technical difficulties or document upload impediments shall not be justification for acceptance of a late bid or proposal.
- Detail instructions are available within the solicitation and at Online Bidding.
Highlights for Hardcopy Bid and Proposal Submission:

- Review the Solicitation and comply with its provisions and instructions. Remember to attach and acknowledge any pertinent attachments, as directed in the Solicitation.
- Prepare and SIGN RESPONSE IN INK,
- It is important that your bid be easily recognizable, so that it is not misdirected or opened early. The front of the mailing envelope must contain the following information in the lower left-hand corner:
  - The Solicitation number
  - The Solicitation closing date
- Only written or email requests, to the buyer of record, for bid clarifications/questions, will be accepted.
4. Other Bid Response Issues

_Faxed Information_

Fax, emailed, and telegraphic offers will not be considered unless authorized by the Solicitation. See **FAP 110-10-00** for the policy regarding modification requests.

_Bid Samples and Descriptive Literature_

Samples of items, when required, must be submitted within the time specified, and unless otherwise specified at no expense to the Commonwealth. If not destroyed by testing, samples will be returned at the offeror’s request and expense, unless otherwise stated by the Solicitation. Unless request for their return is made within thirty (30) days, all samples become the property of the Commonwealth. For online bid responses, all required samples must be submitted to the issuing office of the Solicitation by the date and time specified for the bid closing. Samples must be clearly marked with the Solicitation number, date and time of closing, and include the vendor's information and a printed copy of the Online Bidding Confirmation Page. See **FAP 110-10-00** for information regarding bid samples.

_Acknowledgment of Addenda_

It is the vendor's responsibility to check the web site for any modifications to this solicitation.

Failure to specifically acknowledge addenda with submission will not excuse the vendor from adhering to all changes to the requirements of the solicitation set forth therein nor provide justification for any pricing changes.

_Bid Modifications and Withdrawals_

A vendor may modify or withdraw an online bid response at any time prior to the published closing time and date for the Solicitation. An online draft bid response may be modified or withdrawn by completing a login with the vendor identification number and the Authentication Code. A formal bid response may only be withdrawn by applying the appropriate Bid Authorization Code. Faxing bid modifications and withdrawals is permitted. See **FAP111-35-00** and **FAP 110-10-00** regarding bid modification and withdrawals.

If the solicitation permitted hardcopy submission, Bid Solicitation responses may be modified or withdrawn by written, fax, or telegraphic notice received prior to the time and date specified for receipt of offers. An offer may also be withdrawn in person by an offeror, with proper identification and a signed receipt, but only if the withdrawal is made prior to the time and date set for receipt of offers.

_Bonding Requirements for Bidders_

When justified, the Commonwealth may require a bid bond as surety that a bid offer will be held firm for a specified period of time. Additionally, a performance bond may be required from the successful bidder. Bond documents for online bid responses may be submitted by attaching a scanned copy of the bond document with the online response or by a separate hard copy submitted manually and arriving prior to the time and date of closing for the Solicitation. Hard
copy submissions must be marked with the *Solicitation* number, date and time of closing, and vendor information. See FAP 111-27-00 and FAP 220-05-00 for information regarding bonds.

**Late Solicitation Responses**

Hard copy bids, modifications and withdrawals received at the office designated in the *Solicitation* after the time and date specified for receipt will not be considered for an award or *Contract*, unless:

- No bids are received other than the late bid; and
- The bid is postmarked, or logged into the courier tracking system, before the date and time set for the opening of bids; and
- An agency’s need is determined to preclude the re-advertisement of bids; and
- The price is investigated and found to be the best value for the Commonwealth of Kentucky.

**Formal Bid Openings**

Hard copy and online bid responses are opened and read (upon request) on the date specified. Interested bidders are welcome to attend the bid openings. See FAP111-35-00 for a discussion of competitive sealed bidding.

**Protesting a Contract Award**

A bidder who questions a *Solicitation* or selection for a contract award may file protest with the Secretary of the Finance and Administration Cabinet. A protest or notice of other controversy must be filed within two (2) weeks of the date the protestor knew of, or should have known of, the action being protested. All protests must be in writing. The Secretary, or his designee, is empowered to render a conclusive decision, in writing, to the aggrieved party stating the reason(s) for the action taken. See Protest Resources for a discussion of protest standards and process.
Complaints Against Vendors

When a state agency first experiences a relatively minor problem or difficulty with a vendor, the agency will contact the vendor directly and attempt to informally resolve the problem. If the vendor fails to respond satisfactorily, the agency will create an electronic Vendor Performance Evaluation Document (PE) and will notify the agency that issued the Contract or Master Agreement. The Vendor Performance Evaluation Document includes steps the agency has taken to resolve the dispute/complaint within the description of the complaint. The issuing agency resolves the complaint and documents the actions taken on the Vendor Performance Evaluation Document. This documentation may be used for future bid evaluations and decision-making affecting the vendor.

Open Records

With the implementation of the Vendor Self Service (VSS) website, bidders have access to limited Contract award information. Complete records may also be reviewed by filing an Open Records Request. To obtain documents through the Open Records Act from the Finance and Administration Cabinet, submit an open records request directly to the Office of General Counsel's orr.custodian@ky.gov. Requests must be (1) made in writing and (2) hand delivered or submitted via mail, email, or fax at (502) 564-9875 to the Open Records Custodian. The bidder will be notified when and where the records may be inspected. Normal business hours are Monday through Friday from 8:00 a.m. to 4:00 p.m. EST. Copies of these records are available at 10¢ per copy, or a fee of $1 for each CD (PDF electronic format). For Open Records information concerning Transportation Cabinet bids, phone the Cabinet’s legal counsel at (502) 564-7650 for procedures. For Open Records Request procedures at other issuing state agencies, contact the legal counsels in those agencies.

Cooperative Purchasing

The Finance and Administration Cabinet includes language in All State Agency Master Agreements that any political subdivision in Kentucky may participate in such Contracts to the same extent as the Commonwealth of Kentucky. The political subdivisions may purchase directly from the vendor possessing the All State Agency Master Agreement Contract. State agencies are required to use these Contracts. Local governments may use these Contracts. See KRS 45A.050 and KRS 45A.300 for information regarding cooperative purchasing.
5. Doing Business with the Office of Procurement Services

Information for Bidders

1. Written questions or clarifications may be directed to the purchasing officer administering the *Solicitation*.

2. Bids must be received before the specified closing time and date for receipt of bids. All hard copy bids are time stamped showing the time and date officially received. The time/date clock stamp at 200 Mero St., 5th floor is the official bid time/date receipt indicator.

3. Bidder assumes full responsibility for timely delivery of the bid in compliance with the above described procedures and conditions.

4. *Solicitations* of $20,000 or more may be advertised in publications and listed at the issuing agency office.

5. All bid openings are open to the public at the time and date prescribed in the *Solicitation*.

6. For information contact:

   Fax: (502) 564-6013
6. Doing Business with the Division of Engineering and Contract Administration

General Information
Potential vendors should review the eProcurement website for Solicitations. Solicitation opportunities are also posted outside the issuing agency office. Vendors should be registered on the eProcurement website, as well, or write to the Division address below.

Information for Bidders
1. After request for and receipt of bid documents, any questions or clarifications may be directed to the purchasing officer administering the Solicitation. Most invitations from Engineering and Contract Administration have a technical consultant who will also be able to answer questions. Both names will be listed in the documents, with telephone numbers.

2. Bids must be received before the specified closing time and date for receipt of bids. All bids are time stamped showing the time and date officially received. The time/date clock on the bid receipt clerk’s desk at 403 Wapping Street is the official bid time/date receipt indicator.

3. Bidder assumes full responsibility for timely delivery of the bid in compliance with the above described procedures and conditions.

4. All bid openings are open to the public. All bids received are publicly opened and read aloud at the time and date prescribed in the Solicitation.

5. All Solicitations are posted in the eProcurement system.

6. Questions relating to registration or small purchase procedures may be directed to:

   Finance and Administration Cabinet
   Division of Engineering and Contract Administration
   Department for Facilities and Support Services
   403 Wapping Street
   Frankfort, Kentucky 40601
   Contract Administration Phone (502) 564-3050
   Contract Administration Fax (502) 564-6822

5. Construction solicitations are also posted at www.planroom.ky.gov, where vendors are able to purchase plans and specifications.
7. Doing Business with the Kentucky Transportation Cabinet

General Information
Transportation Cabinet Solicitations are listed on the eProcurement website.

Information for Bidders

1. All vendors and contractors wishing to be placed on the Division's various source lists must make a request in writing addressed to:
   
   Kentucky Transportation Cabinet  
   Division of Purchases  
   200 Mero Street, 4th Floor East  
   Frankfort, KY 40622  
   Phone: (502) 564-4630  
   Fax: (502) 564-7069

   Also, vendors may register online at the Vendor Self Service (VSS) site to receive an email notification when Solicitations are posted for the commodities for which the vendor has registered.

2. Submit bids in such a way as to ensure that they arrive in the Transportation - Division of Purchases before the time set for bid closing on the Solicitation. The time shown on the recording clock on the receptionist's desk in the Division of Purchases, in the Transportation Cabinet Building, is the correct time.

3. When you receive a Solicitation, thoroughly read the entire document. The buyer listed on the Solicitation is the sole point of contact during the Solicitation process. Questions about the specifications must be submitted in writing to the buyer prior to the deadline for questions specified in the Solicitation. Procedural questions may be directed to the buyer in writing or at the telephone number given in the Solicitation.

4. Questions relating to small purchase procedures or delegated items may be directed to the address or telephone number listed above. Small Purchase procedures can be used for commodities, services, and equipment not to exceed $20,000 and construction services not to exceed $40,000.

5. All Solicitations are posted on the Vendor Self Service (VSS) website.

6. All Request for Bid (RFB) openings are open to the public at the time specified in the Solicitation.
