I.3 Status History

NEW 9/23/13
Meetings to discuss the development of a service level agreement between the Office of the State Budget Director and COT are scheduled to begin next week.

COT’s metrics page now reflects last month’s statistics. Future plans include a review of how COT’s service provision is measured and how these metrics are presented. Your suggestions are welcomed and can be sent to i3@ky.gov.

NEW 9/17/13
The Cabinet for Health and Family Services (CHFS) consolidation planning sessions continue and COT is reconfiguring work space areas to support a physical move of the former CHFS Help Desk employees to be relocated with their peers at the Commonwealth Service Desk location. Location changes for these staff will soon begin and will be completed in September.

A COT project manager, focusing on program and agency detailed task planning, joined the I.3 team on September 16th.

Changes to the FAC I.3 site are underway, your suggestions can be sent to i3@ky.gov or you can contact Brenda Brown at brenda.brown@ky.gov.

NEW 9/6/13
The CIO’s Capital IT Project Review presentation to the Capital Planning Advisory Board (CPAB) was on September 5th. Copies of the presentation will be provided to members of the Technology Advisory Council. The 2014-2020 Commissioner’s Report to the CPAB is available on COT's Capital IT Project page.

NEW 8/29/13
The Technology Advisory Council held its monthly meeting this week and began review of two enterprise security policies. In addition to workgroup updates relating to the I.3 service level agreement (SLA) template, additional agency IT service needs, and Capital IT project review, the TAC heard CIO Fowler’s plans for enterprise IT strategic planning this fall.

The Cabinet for Health and Family Services (CHFS) consolidation is focused on the completion of a detailed infrastructure assessment and planning sessions to ensure the agency’s business needs are met.
**NEW 8/23/13**
This week CIO Jim Fowler informed the Cabinet Secretaries that the **Office of the State Budget Director** has been successfully transitioned to the centralized infrastructure maintained and managed by COT. He acknowledged that this activity helped us refine the process, taught us valuable lessons, and helped us learn to better engage the customer. He also shared our pleasure with the spirit of cooperation and collaboration that was evident during this kick-off.

The next **Technology Advisory Council** meeting is scheduled for August 27th at a new location, 300 Fair Oaks in the offices of the Department for Environmental Protection. The agenda includes discussion of new enterprise security policies and enterprise IT strategic planning, and workgroup updates.

Due to a legislative special session, the CIO’s **Capital IT Project Review** presentation to the Capital Planning Advisory Board (CPAB) was rescheduled from August to September 5th.

**NEW 8/16/13**
The **Office of the State Budget Director** consolidation is nearly complete. Any outstanding issues will be resolved and agency confirmation of completion will be requested. Lessons learned from this consolidation will be used to improve the next one.

The **Cabinet for Health and Family Services (CHFS)** consolidation kickoff meeting was held last week and the agency consolidation coordinator has been identified. Additional meetings are planned for next week.

Preliminary planning is also underway with the **Cabinet for Economic Development**.

**NEW 8/12/13**

NEW 6/28/13
CIO Fowler will brief Cabinet Secretaries next week. The tentative agency consolidation schedule will be discussed, with the Office of State Budget Director (OSBD) being the first, followed by the Cabinet for Health and Family Services. The OSBD kick off meeting is scheduled for next week.

FY14 Rated Services will not increase and, in some situations, a hybrid rate may apply. The hybrid rate will be less than the current rated service cost. The Enterprise Assessment remains the same as it was in FY13. A memo about the FY14 IT Infrastructure financial arrangements will be provided to agencies. As more information is available, i.e. Frequently Asked Questions, it will be posted.

The Capital IT Project Review presentations are scheduled on July 8th, 9th, 10th and 15th.

NEW 6/21/13
Topics in today’s TAC meeting included the introduction of Jim Fowler, CIO; a briefing on FY 14 rated services; and updates from the Service-Metrics-SLA and Capital IT Project Review work groups. The Rated Services briefing provided by John Hicks, Office of the State Budget Director and F&A Deputy Sec. Rucker, generated questions and will be followed by an official memorandum and a Frequently Asked Questions document.

The Service-Metrics-SLA work group reported that a draft SLA would be ready for the full TAC, by next month’s meeting. The Capital IT Project Review work group reported that 47 projects from 19 cabinets\agencies were received by the Legislative Research Commission. Planning is underway for follow-up presentations before scoring of the projects is conducted to identify the projects that will be recommended to the Capital Project Advisory Board in August.

The latest COT Organizational Chart will be posted to the COT Home page. Changes reflect the reorganization executive order, signed by Gov. Beshear, effective June 16th.

NEW 6/14/13
The TAC meeting scheduled for Thursday, June 13, was re-scheduled to Friday, June 21. Our new CIO, Jim Fowler, will be introduced and there will be an update from the Service-Metrics-SLA workgroup. The primary focus of the meetings will be a discussion about rates for Fiscal Year ’14.

The contract with NTT DATA INC for I.3 planning support ended June 14, with the presentation and delivery of their final deliverables. Information and insight gained from this engagement creates a foundation for COT staff to execute the implementation of the Office of the State Budget Director in the near future.
NEW 6/7/13
CIO Fowler first week included a presentation on I.3 which provided background information and previewed NTT DATA’s report, “Implementation Roadmap and Master Plan”.

The next TAC meeting is June 13 at the KHEAA location. Other anticipated June activities include the announcement of the FY14 Rates and COT’s new organizational structure.

NEW 5/23/13
Changes to the I.3 site have been completed. Feedback regarding these changes and other I.3 related questions can be sent to i3@ky.gov. Initially the I.3 Inbox was reviewed by human resource employees within the Finance and Administration Cabinet. Currently information provided through this Inbox is being reviewed by COT and forwarded to the appropriate person for response. A SharePoint 2010 migration is underway. The TAC, NTT DATA and I.3 SharePoint sites are projected to be unavailable on May 23rd.

NEW 5/17/13
Since April, the Managed Print Services (MPS) initiative has been underway. Nearly 500 devices are now managed under this initiative, saving the Commonwealth over $60,000 per month. An aggressive deployment schedule of approximately 100 additional devices per month will rapidly increase the monthly savings.

Agency Assessments (Round 2) are due by close of business today. It is critical that this information be provided as soon as possible. To date, some agencies have completed the review and a few have requested extra time to provide a better quality response.

Next week’s meeting of the full TAC is being moved to June 13, 2013 and includes an introduction of the Commonwealth’s new CIO.

Changes to the FAC I.3 site are underway, your suggestions can be sent to i3@ky.gov or you can contact Brenda Brown at brenda.brown@ky.gov.

NEW 5/10/13
Agencies received a request for assistance to ensure that COT has valid and complete Agency Assessment information. This information is needed for COT’s rated services calculations and will be incorporated in each agency’s implementation plan. Responses are needed by close of business May 17th.

The April 2013, Leadership Engagement Results meeting Questions and Answers are now available.

The TAC’s Services-Metrics-SLA workgroup continued a review of a draft SLA template on Wednesday. The first-pass review of both the SLA and the Incident
Priority table has been completed. The work group is on track to share a draft template at the next meeting of the TAC.

**NEW 5/3/13**
Governor Steve Beshear announced James M. Fowler as chief information officer (CIO) for state government, effective June 1.

Stakeholder engagement meetings were held this week and will continue for the next several weeks.

Both the TAC as a whole and the TAC Services-Metrics-SLAs workgroup met this week. During the TAC meeting, Deputy Secretary Rucker provided an I.3 progress update, which included an informative question and answer session.

**NEW 4/5/13**
Stakeholder engagement interviews, an organizational change activity involving both agency and COT staff, will continue next week.
The TAC’s Services-Metrics-SLAs workgroup will be holding its fourth meeting on April 8th, and will provide a progress update to the full TAC meeting set for April 9th.

I.3 Abbreviations (initials and acronyms) have been added and can be found in the Related Links section on this page.

NEW 3/27/13
Earlier this month, the Office of the State Budget Director asked agencies to complete an IT Expenditure Survey. The survey provided an opportunity for the agencies to report IT expenditures for each appropriation unit. The deadline for completion is April 15, 2013.

NEW 3/15/13
“Future State” service requirement meetings started this week with the Desktop, Server, and Voice Services teams.

Organizational Change activities, which include the Leadership Engagement Series, are progressing to a Stakeholder Engagement Series. This process will involve interviews with both agency and COT employees. FAQs from the Leadership Results meeting will be posted soon.

Technology Advisory Council (TAC) workgroups will begin work on service descriptions/SLAs/metrics and IT capital project reviews on Monday, March 18. To allow the groups time to develop their work products, the regular TAC meeting has been moved to April 9th.

NEW 3/8/13
The Leadership Engagement Interview series wrapped up this week with a Leadership Results meeting facilitated by FAC Deputy Secretary Rucker. Representatives of the Office of the State Budget Director, Personnel Cabinet and the FAC Human Resources division also answered questions and provided updates. FAQs from that meeting will be forthcoming.

A draft of the “Current State” of infrastructure within COT and the I.3 agencies was completed by NTT DATA and is currently under COT review. “Future State” requirement meetings are scheduled to start next week. Information collected during these meetings will be used for planning the Commonwealth’s future shared service delivery model and high-level implementation plan.

NEW 2/27/13
The second Technology Advisory Council (TAC) meeting was held on February 26. Members were requested to volunteer for one of two committees, Capital IT Project Review and/or Enterprise Service Level Descriptions / Metrics Planning. TAC input was requested on COT’s latest enterprise security policy.
By February 15, many agencies had completed their agency assessments. A few agencies needed additional time and should have their assessments completed by March 1, 2013.

Employees that were special detailed to COT have completed a Skills Assessment survey.

The Leadership Engagement series is generating some changes in our future communication and cultural change processes.

NEW 2/13/13

The individual agency assessment information is due close of business this Friday, February 15.

NEW 2/1/13
The first meeting of the Technology Advisory Council (TAC) was held on Tuesday, January 29th. Chaired by Secretary Flanery (Interim CIO), it was attended by COT leadership, staff from the Office of the State Budget Director, and representatives of executive branch agencies.

The Leadership Engagement activities also began this week.

The individual agency assessments continue to identify key aspects of each agency’s assets, policies, etc.

NEW 1/18/13
The majority of Agency Assessment Kickoff meetings have been completed and the teams plan to finish data gathering activities by mid-February.

The New Employee Orientation meetings will conclude next week and work continues on the preparation of a Skills Assessment survey. All COT employees will be invited to take a Change Readiness survey. Plans for the first Technology Advisory Council (TAC) meeting are being finalized. Finally, NTT DATA will be facilitating a Leadership Engagement process with IT leadership from other agencies.

NEW 1/9/13
To help ensure a successful integration of the staff that have been detailed to special duty, COT will be providing a skills assessment survey. The survey will focus on current job duties and other areas of work interest that the employees may have. The skills assessment survey process is scheduled to begin mid-January.

NEW 1/2/13
Last month the Agency Assessment teams worked with Cabinet for Health and Family Services (CHFS). CHFS’s cooperation has been crucial to the success of this process. Not only did they provide extensive information during the assessment,
but worked with COT to leverage lessons to improve the process. Other agency assessments are scheduled to begin this month.

**NEW 12/19/12**
Last week COT executive leadership, transition support staff, security personnel and our COT trainer completed three regional New Employee Orientation sessions with more than 50 attendees. Due to the holidays and the scheduling challenges they bring, the remaining meetings will resume after January 7, 2013. The meetings have provided fresh insight to our newest employees and their specific challenges in working in locations outside of Frankfort.

**NEW 12/6/12**
New employee orientation meetings are scheduled to start on 12/7/2012 and should be completed before the end of December. The meetings will focus on human resources topics, COT’s change management process, security badges and a brief customer services training. Meetings will not only be held in Frankfort, but will also be held in three other regional locations.

**NEW 12/5/2012**
COT has engaged NTT DATA to assist the Commonwealth during the planning phase of the IT Infrastructure Initiative. A kick off meeting with COT was held on November 27, 2012. NTT DATA, working with COT resources, will focus on IT infrastructure & operations, organizational change management and transition management. COT is excited to be able to leverage the knowledge that NTT DATA brings to this engagement.
