TO: All State Agencies, Universities & KCTCS

FROM: Sheri B. Whisman, Director
Division of State Risk & Insurance Services

DATE: July 1, 2022

SUBJECT: Fiscal Year 2023 – Fire & Tornado Fund (F & T) Policy Renewal

The Division of State Risk and Insurance Services provides and procures cost effective insurance for state owned property, vehicles, mobile equipment, and liability risk exposures. Additionally, this division provides state-wide risk management services and procures Public Official Bonds, commercial liability, sickness/accident insurance policies, aviation policies and various liability policies to state agencies, universities, and Kentucky Community and Technical College Systems. The division also provides underwriting, appraisal services of state-owned structures and utilizes a third-party claims adjuster to assist in processing your insurance claims faster. State Risk evaluates the various state agencies’ insurance needs and acts as the insurance liaison between state agencies, the Finance Cabinet and the commercial insurance market.

The State Fire and Tornado Insurance Fund (F&T), is an essential focus of the division. F&T is a self-insured, commercial property insurance program established in 1936. F&T provides insurance protection for all state-owned buildings and business personal property (contents), pursuant to KRS 56.070. The fund provides property insurance coverage on an “all risk” basis, including losses caused by floods and earthquakes, etc., subject to specified exclusions, for approximately 8,200 state-owned structures.

I am pleased to announce that for fiscal year 2023, the F&T deductible will remain the same at $5,000 per occurrence – per covered loss. Factory Mutual (FM) Global will also remain our excess insurer on large losses that exceed $1 million. FM Global will continue to also provide you loss control counseling, engineering services and boiler inspections at no additional cost to your agency.

State Risk will continue to cover the cost of the statutorily mandated sprinkler and boiler inspections for all state-owned buildings. However, your agency will remain responsible for repairing any deficiencies found during those inspections and submit a Corrective Action Statement (CAS) to StateRiskSprinklerProgram@ky.gov to remove the deficiency from our records.
If you are not currently receiving our electronic newsletter let us know! The newsletter offers different topics related to insurance and risk prevention. We have partners that also provide articles and we spotlight agencies who are on top of risk prevention. If you are not currently receiving our quarterly newsletter, please contact Ryan Barnard at: Ryan.Barnard@ky.gov.

We have a few new members of our team. They are:

- Jennifer “Jeni” Collins - Underwriter for state owned real and personal property
- Cecil Sowers - Safety Officer who manages the State Sprinkler Program
- James Baggett - Assists Underwriting and Appraisers, tracks deficiencies through our Boiler Program and assists with Auto claims under the KSAP (auto insurance program).
- Chris West – Property Appraiser
- Chuck Jackson – Property Appraiser

For Fiscal Year 23, the following changes will be made to your F&T Policy:

- Plants, animals, and livestock used for research purposes are covered for loss, subject to exclusions. We will pay the cost to replace the plant or animal. However, the policy does not provide coverage for the cost of the research, engineering, or scientific study.

Thank you for being our valued customer! We are grateful for the privilege of serving you and hope we have met your expectations to date. If you have any questions or if we can assist in any way, please feel free to reach out to me at Sheri.Whisman@ky.gov or Buryl Thompson, Assistant Director at Buryl.Thompson@ky.gov.

ELECTRONIC DATA PROCESSING COVERAGE SECTION

COVERAGE FORM

Various provisions in this certificate restrict coverage. Read the entire certificate carefully to determine rights, duties and what is and is not covered. Throughout this certificate, the words “you” and “your” refer to the certificate holder shown in the Declarations. The words “we,” “us” and “our” refer to the State Fire and Tornado Insurance Fund.

As an extension of coverage, we will pay up to an additional $10,000 for expense you incur in removing debris of covered property from a covered location after a covered loss. This extension applies if the 25% limitation of debris removal coverage for covered property is exhausted, or if the applicable limit of liability at a covered location is exhausted.

Debris removal does not apply to expense for “clean-up” of “pollutants.”

c. Newly Acquired Property

We will provide coverage as follows:

On newly acquired Covered Property up to the total limit shown on the Declarations Page for Total Covered Property whether lo-
cated at a current location or a newly acquired location, but in no event shall we pay more than $500,000 under this Coverage Extension for any one “loss.”

You will report such newly acquired property, or Covered Property already insured by this policy which is moved to a newly acquired location, to us within 120 days from the date the Covered Property is acquired or moved, as the case may be, and pay any additional premium due. However, in no event shall coverage be extended beyond the expiration of the certificate.

Extra Expense means any necessary operating expenses over and above your “normal” cost of operating your “data processing operation.” This expense could include rental of additional equipment or facilities and the cost of additional labor.

We will pay your necessary Extra Expense from the date of “loss” until the “loss” is repaired or replaced and “normal” operations resume. You agree to resume “normal” operations (partial or complete) as soon as possible following any “loss.” We will not pay for any Extra Expense that extends beyond what it should reasonably take to repair or replace your damaged property.

This extension is additional insurance.

(a) At the described premises; or
(b) At replacement premises or at temporary locations, including
   (i) Relocation expenses; and
   (ii) Costs to equip and operate the replacement or temporary location(s).

(2) We will pay any Extra Expense to minimize the suspension of business if you cannot continue “operations”.

(3) We will pay any Extra Expense to:

   (a) Repair or replace any property; or
   (b) Research, replace or restore the lost information on damaged valuable papers and records;

   to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

b. Civil Authority.

We will pay the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss. The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

(1) Three (3) consecutive weeks after the time of that action; or
When your Business Income coverage ends; whichever is later.

c. Alterations and New Buildings.
We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:
   (1) New buildings or structures, whether complete or under construction;
   (2) Alterations or additions to existing buildings or structures; and
   (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
      (a) Used in the construction, alterations or additions; or
      (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of “operations,” the “period of restoration” will begin on the date “operations” would have begun if the direct physical loss or damage had not occurred.

d. Extended Business Income
   (1) Business Income other than “Rental Value.”
   
   If the necessary “suspension” of your “operations” produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
      (a) Begins on the date property (except “finished stock”) is actually repaired, rebuilt or replaced and “operations” are resumed; and
      (b) Ends on the earlier of:
         (i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
         (ii) 30 consecutive days after the date determined in (1)(a) above.

   However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

   Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

   (2) “Rental Value”

   If the necessary suspension of your “operations” produces a “Rental Value” loss payable under this policy, we will pay for the actual loss of “Rental Value” you incur during the period that:
      (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
      (b) Ends on the earlier of:
         (i) The date you could restore your “operations”, with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
         (ii) 30 consecutive days after the date determined in (1)(a) above.

   However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

   Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

4. COVERAGE EXTENSIONS

   If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

   NEWLY ACQUIRED LOCATIONS
   a. You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.
   b. The most we will pay for loss under this Extension is $100,000 for each location.
   c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
      (1) This policy expires:
      (2) 30 days expire after you acquire or begin to construct the property; or
      (3) You report values to us.

   We will charge you additional premium for values reported from the date you acquire the property.

   This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

   BUSINESS INCOME AND/OR EXTRA EXPENSE COVERAGE
We will pay the actual loss of Business Income you sustain caused by Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises.

If you have purchased extra expense coverage, we will pay the actual and necessary Extra Expense you incur due to Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises. Extra Expense means necessary expenses you incur that you would not have incurred if there had been no “Computer Failure.” Extra Expense includes expenses for repair, modification or replacement of the Computer but only to the extent that such expenses reduce the amount of Business Income loss that otherwise would have been payable under the provisions of this extension.

The most we will pay for the total of all losses and/or expenses sustained in any one certificate year is $25,000, regardless of the number of “Computer Failures” or the number of computers involved in any “Computer Failure.”

This extension is additional insurance.

B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss Form as shown in Fire and Extended Coverage Section.

C. LIMITS OF INSURANCE

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following Additional coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil authority;
3. Extra Expense; or
4. Extended Business Income.

D. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal

If you and we disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of the Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

a. Pay its chosen appraiser; and
b. Bear the expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event of Loss

You must see that the following are done in the event of loss:

a. Notify the police if a law may have been broken.
b. Provide us with notice of loss or damage within (30) days of the loss or damage, as required by KRS 56.110 and include a description of the property involved.
c. Complete, sign, and return to us, a Notice of Loss Form within (14) days after notifying us of a loss. Such form shall include a description of how, when, where the loss or damage occurred.
d. Take all reasonable steps to protect the Property Insured from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.
e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
f. Sign and return the Report and Proof of Loss form within (14) days from receipt of such form.
g. Cooperate with us in the investigation or settlement of the claim.
h. We may examine a certificate holder under oath, while not in the presence of any other certificate holder and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including a certificate holder’s books and records. In the event of an examination, the certificate holder’s answers must be signed.

3. Limitation-Electronic Media and Records

We will not pay for any loss of Business Income caused by direct physical loss of or damage to Electronic Media and Records after the longer of:
a. 60 consecutive days from the date of direct physical loss of or damage to Electronic Media and Records or the longer of:

b. The period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:
(1) Electronic data processing, recording or storage media such as films, tapes, discs, drums or cells;
(2) Data stored on such media; or
(3) Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to Extra Expense.

Example No. 1:
A Covered Cause of Loss damages a computer June 1. It takes until September 1 to replace the computer and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 - September 1. Loss during the period September 2 - October 1 is not covered.

Example No. 2:
A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1 - September 29 (60 consecutive days). Loss during the period September 30 - October 15 is not covered.

4. Loss Determination
   a. The amount of Business Income Loss will be determined based on:
      (1) The Net Income of the business before the direct physical loss or damage occurred;
      (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses.
      (3) The operating expenses, including payroll expenses, necessary to resume “operations” with the same quality of service that existed just before the direct physical loss or damage; and

   c. The amount of Extra Expense will be determined based on:
      (1) All expenses that exceed the normal operating expenses that would have been incurred by “operations” during the “period of restoration” if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
         (a) The salvage value that remains of any property bought for temporary use during the “period of restoration,” once “operations” are resumed; and
         (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
      (2) All necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

5. Loss Payment
   We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:
   a. We have reached agreement with you on the amount of loss; or
   b. An appraisal award has been made.
E. ADDITIONAL CONDITION

1. Concealment, Misrepresentation or Fraud

This certificate is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other certificate holder, at any time, concerning:

a. This certificate;

b. The Covered Property;

c. Your interest in the Covered Property; or

d. A claim under this certificate.

F. OPTIONAL COVERAGES

If shown in the Declarations, the following Optional Coverages apply separately to each item.

1. Maximum Period of Indemnity

   a. The Additional Condition, coinsurance does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

   b. The most we will pay for loss of Business Income is the lesser of:

      (1) The amount of loss sustained during the 120 days immediately following the beginning of the “period of restoration”; or

      (2) The Limit of Insurance shown in the Declarations.

2. Monthly Limit of Indemnity

   a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

   b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the “period of restoration” is:

      (1) The Limit of Insurance, multiplied by

      (2) The fraction shown in the Declarations for this Optional Coverage.

   Example:
   • When the Limit of Insurance is $120,000
     AND
     • The fraction shown in the Declarations for this Optional Coverage is: 1/4
     The most we will pay for loss in each period of 30 consecutive days is: $30,000
     ($120,000 x 1/4 = $30,000)

   If, in this example, the actual amount of loss is:

   Days 1-30 $ 40,000
   Days 31-60  20,000
   Days 61-90  30,000
   $ 90,000

   We will pay:
   Days 1-30 $ 30,000
   Days 31-60  20,000
   Days 61-90  30,000
   $ 80,000

   The remaining $10,000 is not covered.

3. Business Income Agreed Value

   a. To activate this Optional Coverage:

      (1) A Business Income Report/Work Sheet must be submitted to us and must show financial data for your “operations”:

      (a) During the 12 months prior to the date of the Work Sheet; and

      (b) Estimated for the 12 months of this Optional Coverage.

      (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

      (a) The Coinsurance percentage shown in the Declarations; multiplied by

      (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

   b. The Additional Condition, Coinsurance, is suspended until:

      (1) 12 months after the effective date of this Optional Coverage; or

      (2) The expiration date of this policy; whichever occurs first.

   c. We will reinstate the Additional Condition, submit a new Work Sheet and Agreed Value:

      (1) The Business Income Limit of Insurance; divided by

      (2) The Agreed Value.

   Example:

   When: The Limit of Insurance is: $100,000
   The Agreed Value is $200,000
   The amount of loss is $ 80,000
Step (a): \( \frac{100,000}{200,000} = .50 \)  
Step (b): \(.50 \times 80,000 = 40,000\)

**We will pay $40,000.** The remaining $40,000 is not covered.

4. **Extended Period of Indemnity**

   Under paragraph **A.3.d.**, Extended Business Income, the number “30” in subparagraph (2)(b) is replaced by the number shown in the Declarations for this Optional coverage.

Thank you for everything you all do to help us provide excellent customer service when property damages occur. Timely reporting of claims is important so we can utilize our claims experience and resources to assist you during difficult times. Information and forms are on our website:

Access “Chrome” and complete the Notice of Loss claim form SRC-10 on-line. When you click on the “EMAIL” box on the form, it will go directly to FT.PropertyClaims@ky.gov, accessible by our entire claims team.

In compliance with KRS 56.110, you must report property claims as soon as possible, not to exceed 30 days from the date of loss. The most common causes of loss reported included fire/smoke, lightning, windstorms, hail, vandalism/theft, and flood/water damages. Kentucky weather brings unexpected damages throughout the year and we recommend that you develop a process for your staff to follow when damages occur.

1. **Appoint a “Claim Contact person” in your Agency/University** for your staff to communicate all damages that occur; and take necessary steps to mitigate additional damages. The Claims Contact person will report all property claims to Audra Perkins and cc: Evelyn Smith.

2. We insure permanently installed equipment (boilers, chillers, HVAC, water heaters, etc.) as part of the building. **Make note of any warranty agreements** and keep those documents handy for these and any other items.

3. **What information is needed when damages occur:**
   a. **Document damages** with a camera or video.
   b. **List everything damaged**, no matter how insignificant you think it might be.
   c. When a **fire** occurs, contact the Fire Marshall/Fire Department immediately;
   d. When damages involve **theft, vandalism or a vehicle** hits the building/structure, contact the police because their report will help us adjust your claim accurately and assist us with possible subrogation.
   e. When **lightning** damages occur, completion of the Lightning Loss Verification form SRC-11 is required.
   f. **Forward any/all information with a completed Notice of Loss claim form SRC-10**.

4. **We have many resources** to help assess and resolve damages caused by a “covered cause of loss”, at no cost to our insureds:
   a. Experienced & professional Licensed Property Claims Adjusters;
   b. Experienced Boiler/Equipment Breakdown professionals; and
   c. Division of Engineering & Contract Administration (DECA), when there is a possibility that the damages could have affected the building/structure stability.

The Fire & Tornado Self-insurance policy insures covered claims up to the first $1,000,000 per occurrence. When major damages could exceed that amount, we contact our excess carrier’s Claims Adjuster who will address insured damages above that amount, at no cost to our insureds.

5. **We acknowledge the required protocol for “bidding”** certain building repair projects when the cost exceeds $40,000 or if you have made an emergency request for approval within your Cabinet.

6. **Property claims remain open until completion of all repairs/replacement/cleanup;** and upon receipt of all final invoices/receipts for material/labor expenses, we determine the final payment settlement amount less your $5,000 deductible per claim occurrence. Please note that we do not pay vendors directly.

As always, if you have any questions about anything related to property claims, please contact us.

    Fire and Tornado Insurance Renewal

You, our valued customers, have done a great job this year updating coverage for your certificates. We want to thank you for helping us help you and we truly appreciate your assistance. We look forward to another year working together with you.

Over the past year, field appraisals were restricted due to COVID-19. Nevertheless, Chris and Chuck reviewed updates for approximately 8,200 structures owned by the Commonwealth. The appraisers determine the replacement cost values by using industry standard appraisal software with an emphasis on square footage, construction methods, and cost of materials. (KRS 56.080). It is imperative you inform us if you change any of the items listed above on your structures. We update our forms frequently to provide you with the most up to date information, please use our website to retrieve the forms @ https://finance.ky.gov/office-of-the-controller/division-of-state-risk-insurance-services/Pages/default.aspx

Jeni issued approximately 330 insurance certificates with 11,700 lines of coverage to insured state agencies, universities, and the Kentucky Community and Technical College Systems. To ensure proper insurance coverage, our underwriter assists state entities in determining the acquisition or surplus of buildings, business personal property (contents), and business interruption coverage. (KRS 56.070) The Fire and Tornado Fund supplies the following types of coverage for Commonwealth owned property:

- Building
- Building Contents
- Nine types of Inland Marine
- Fine Arts
- Electronic Data Processing Equipment
- Business Income & Extra Expense

Cecil Sowers facilitates the sprinkler inspection program to ensure all reported state-owned insured facilities are scheduled to be inspected per NFPA standards at no additional cost to the state agencies. We monitor the deficiencies for completion and collect the Corrective Action Statements (CAS), which document the completion of each deficiency. (KRS 56.170) See Endorsement D - Protective Safeguards in your Fire and Tornado Policy for details on how open and outstanding deficiencies may influence your property claims and insurance premiums. For questions regarding the program, contact StateRiskSprinklerProgram@ky.gov

Our team would love to meet with you virtually or in person to discuss the current coverages, conduct building audits, the sprinkler program, trainings, and review certificates. To schedule, please email StateRiskUnderwriting@ky.gov

Reporting Insurance Values Quick Tips

How to . . .

Add NEW buildings or other structures (Real Property)
Within 30 days of assuming 'beneficial occupancy' of the building:

✓ Insured Agency completes the B-117 /FTR-IO Property Insurance Form (Initial value will be determined by agency.) Keep in mind, the equipment attached to the building should be included in the building value.
✓ Insured Agency sends, to all required recipients, the completed 'Property Insurance Form' per the forms instructions.
✓ The Underwriters will process the coverage request.
✓ Appraisers will inspect the building pursuant to KRS 56.080 and establish the insured value.

Change EXISTING buildings or structures (Real Property)

✓ State Risk Appraisers are responsible for the proper insurance value on all real property (buildings and older structures — Pursuant to KRS 56.080)
✓ If the insured has altered a building that effects its value between the State Risk appraisals. The insurance agency may alert State Risk Underwriting of the alteration. Please identify the building number by using its assigned property ID number. The insured agency can email the underwriter the building ID and the reason(s) for the change. It is not necessary to complete an B117 / FTR-IO Property Insurance form for an existing building.

Add NEW personal property for insurance coverage

Personal property is all Commonwealth owned property non-building or not attached to building or land.

The State Risk Fire & Tornado Policy covers all personal property as building contents unless otherwise specified below.

✓ Computer and Telecommunications Equipment is covered using a separate policy coverage sections of the F&T policy.
✓ Inland Marine Risks are covered a separate policy section of the F&T policy. Inland Marine Coverage protects against damage to property such as fine arts, contractor, farm, or other mobile equipment, and specialized property that moves off the insured premises.
The insured agency is fully responsible for reporting proper insurance value for all personal property to State Risk Underwriting.

**Report NEW personal property is done by one of the following forms:**

- **New building contents** — these values are reported using B117/ FTR-10's 'Property Insurance Form'. This is typically done along with coverage for a new building however building contents at leased locations are also reported using this form.
- **New computer or Telecommunications Equipment** — Complete FTR-15, 'Master Computer Telephone Reporting Form'.
- **New Inland Marine** — Complete IM-I, 'Inland Marine Reporting Form'.

Inland Marine coverage follows the insured items wherever located, including while in transit, an itemized scheduled for property insured under inland marine is required for coverage to apply when the value is over $25,000.00 or the if the items are fine arts, exhibit, transit or temporary. Ideally, this schedule will include the item's name, insurable value, description, make and models where applicable, and an asset or identification number for the items. Schedules are NOT required for all other personal property coverage sections.

**Change EXISTING limits of insurance for personal property**

It is not necessary to complete the above-mentioned forms to adjust insurable values that have already been established. The insured agency can notate changes on the Declarations Report and return it to State Risk Underwriting by email or request an excel report to make the requested changes.

*Note: Your F&T policy provides a coverage extension limited to $500,000 for 30 days on your newly acquired personal property. Newly acquired personal property exceeding $500,000 must be reported immediately for coverage to apply. Because of this extension, and barring large acquisitions exceeding $500,000, your agency can comfortably update personal property once every quarter.*
