DATE: July 1, 2024

SUBJECT: Fiscal Year 2025 – Fire & Tornado Fund (F & T) Policy Renewal

The Division of State Risk and Insurance Services provides and procures cost effective insurance for state owned property thru the State Fire and Tornado Insurance Fund (F&T). F&T is a self- insured, commercial property insurance program designed to provide insurance protection for all state-owned buildings and state-owned business personal property (contents), *pursuant to KRS 56.070*. The fund provides property insurance coverage on an “all risk” basis, including losses caused by floods and earthquakes, etc., subject to specified exclusions for state owned structures.

While we encourage you to read your entire policy for changes, some highlights for 7/1/24 are:

- Property claims will close within two years maximum from date of loss. This is in line with our excess guidelines. *Example: Date of loss 4-1-23 / Claim must close by 4/1/25.*
- Business Interruption (B/I) coverage will be for a maximum time up to 6 months from the date of loss. Exception: If the loss becomes a DECA project or a Capital Project claim, we will cover the loss income up to 1 year maximum from date of loss.
- Storage fuel tanks and the fuel inside the tanks will no longer be insured through F & T.
- EV charging stations that are Commonwealth owned can now be insured through F & T.
- Animals will not be insured through F & T. This includes research livestock / animals, etc.

Fire & Tornado Policy

Renewal July 1, 2024

- Building values that are \$10,000 or less in value will no longer be appraised by an appraiser. We will use the fair market value on the building (price at the time of the purchase). Receipt will be needed to verify purchase price.
- A percentage formula will be applied to all roofs that have experienced damage from a covered loss. A depreciated value, based on the roof's age and condition, will be applied at the time of the loss. The schedule below is the formula that will be adopted 7/1/24:

Age	Depreciation %
0 – 5 years old	0%
6-10 years old	10%
11-15 years old	25%
16 – 19 years old	40%
20+ years old	70%

- If a non-compliant life safety deficiency is not corrected within the maximum timeframe of 90 days from inspection findings, **the agency may be billed an additional premium per policy (not location) per KRS 56.170.** Also, State Risk will not pay for loss or damage caused by or resulting from a fire if prior to the fire, you knew of any suspensions or impairment and failed to notify us in writing of that fact **or** failed to maintain or correct a known deficiency for any protective safeguard.

Continued policy conditions and insured responsibilities in effect prior to 7/1/24:

- Property deductibles will remain the same at \$10,000 per covered occurrence.
- Notifying State Risk of a new claim ***within 7 days max from date of loss.*** This can be done via email or phone call. This allows us to get adjusters to your site, if needed, and give direction on next steps.
- Notice of Loss form will be required ***within 14 days from the date of loss.***
- State Risk will continue to cover the cost of the statutorily mandated sprinkler **and** boiler inspections for all state-owned buildings. Johnson Controls will continue to be the contracting company for sprinkler inspections, while Hartford Steam Boiler will conduct the boiler inspections. Your agency will remain responsible for repairing any deficiencies found during those inspections and submit a Corrective Action Statement (CAS) to StateRiskSprinklerProgram@ky.gov to remove the deficiency from our records.

- Agencies will need to schedule any inland marine items with a value of \$10k or higher. Fine arts are required to be scheduled no matter their value.
- Fencing coverage will require a photo of the fence, value, linear length, and location of the fencing. Blanket coverages will not be allowed.
- State Risk's self-retention level will remain \$5 million per covered occurrence.
- Alliant Specialty Insurance Services will be the excess carrier for claims that exceed the self-insured limit of \$5 million.
- Newly acquired buildings or contents must be reported within 30 days of ownership.
- When the claim is complete, a Proof will be sent to your agency for reimbursement for covered expenses. ***This form will need to be returned to State Risk at least 7 days from receipt.***

INFORMATION PAGE

COVERAGE IS MANDATORY

The Fire and Extended Coverage section of your certificate provides insurance on real and personal properties as required by Chapter 56 (refer to KRS 56.065 through KRS 56.185) of the Kentucky Revised Statutes. See "Covered Property" for items insured by this section of the policy.

Coverage Extension - Newly Acquired or Constructed Property:

Buildings - For coverage to apply to newly acquired or constructed buildings, they must be reported within 30 days after you acquire or take possession. Once reported, premium will be charged from the actual date you took beneficial occupancy.

Contents - Updated values in newly acquired buildings must be reported within 30 days after acquisition, for coverage to start at acquisition of the new location.

Reporting Requirements:

When requesting coverage please provide the following:

Buildings - New locations should be reported by completing a Request for Property Insurance Form (B117/FTR-10) prior to taking beneficial occupancy. You must provide the initial value of the building until an appraisal can be conducted.

Leased Property - If a state agency leases a building from a non-commonwealth entity, the building owner is responsible for providing insurance on the building. The state agency's owned business personal property must be covered under the Fire & Tornado Fund.

If a state agency leases a Commonwealth owned building to a non-commonwealth entity that state agency is responsible for providing property insurance on the building and any Commonwealth owned business personal property within the building through the Fire & Tornado Fund.

Contents - Individually itemized schedules are required for reporting contents values for coverage, for fine arts, watercraft, & individual items valued over \$10,000. Otherwise, only the total value for each insured location is required to be reported for coverage to be in effect. You must also complete the "Request for Property Insurance Form" (B117-FTR10) for new locations. Reporting the value of contents is the responsibility of the certificate holder.

If you believe your structure has no insurable value you may submit an FTR-11 termination of property insurance with a picture of the structure to StateRiskUnderwriting@ky.gov. State Risk will make the final determination if a structure has insured value.

The Limit of Insurance will not be reduced by the payment of any claim, except for total "loss" of a

scheduled item, in which event we will refund the unearned premium on that item.

10. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us to the extent of our payment. You must do everything necessary to secure our rights and must do nothing after "loss" to impair them.

STATE FIRE AND TORNADO INSURANCE FUND

ELECTRONIC DATA PROCESSING COVERAGE SECTION COVERAGE FORM

Various provisions in this certificate restrict coverage. Read the entire certificate carefully to determine rights, duties and what is and is not covered. Throughout this certificate, the words “you” and “your” refer to the certificate holder shown in the Declarations. The words “we,” “us” and “our” refer to the State Fire and Tornado Insurance Fund.

A. COVERAGE

We will pay for “loss” to your Covered Property from any of the Covered Causes of Loss.

1. COVERED PROPERTY

Media means materials on which data is recorded, such as magnetic tapes, disc packs, paper tapes and cards, floppy discs and compact discs, used in processing units.

2. PROPERTY NOT COVERED

Covered Property does not include:

- a. Accounts, records, documents and other valuable papers, unless they are programming documentation or instruction manuals.
But, we will cover these items once they are converted to data form.
- b. Data processing data or media that cannot be replaced with similar property of equal quality.

4. COVERAGE EXTENSIONS

a. Recharge or refill of a fire protective device

We will pay for your expense to recharge or refill any fire protective devices, which are designed specifically to protect Covered Property when these devices have been used in a loss covered by this certificate, or have been accidentally discharged.

The most we will pay in any one “loss” under this extension is \$50,000.

This extension is additional insurance.

b. Debris Removal

We will pay expenses you incur in removing debris of covered property caused by or resulting from a covered loss. Debris removal expenses will be paid only if final invoices are submitted to us within 120 days after the date of direct physical loss.

The most we will pay for debris removal is 25% of the amount we pay for direct loss or damage to covered property before the application of any deductible. Any payment for debris removal will not increase the applicable coverage limit.

As an extension of coverage, we will pay up to an additional \$10,000 for expense you incur in removing debris of covered property from a covered location after a covered loss. This extension applies if the 25% limitation of debris removal coverage for covered property is exhausted, or if the applicable limit of liability at a covered location is exhausted.

Debris removal does not apply to expense for “clean-up” of “pollutants.”

c. Newly Acquired Property

We will provide coverage as follows:

On newly acquired Covered Property up to the total limit shown on the Declarations Page for Total Covered Property whether

located at a current location or a newly acquired location, but in no event shall we pay more than \$500,000 under this Coverage Extension for any one "loss."

You will report such newly acquired property, or Covered Property already insured by this policy which is moved to a newly acquired location, to us within 120 days from the date the Covered Property is acquired or moved, as the case may be, and pay any additional premium due. If you do not report such property or movement of property, coverage will cease automatically after the 120 days has elapsed. However, in no event shall coverage be extended beyond the expiration of the certificate.

d. Extra Expense

We will pay your Extra Expense to continue your business after a "loss" to your "data processing operation" caused by a Covered Cause of Loss. Extra Expense means any necessary operating expenses over and above your "normal" cost of operating your "data processing operation." This expense could include rental of additional equipment or facilities and the cost of additional labor.

We will pay your necessary Extra Expense from the date of "loss" until the "loss" is repaired or replaced and "normal" operations resume. You agree to resume "normal" operations (partial or complete) as soon as possible following any "loss." We will not pay for any Extra Expense that extends beyond what it should reasonably take to repair or replace your damaged property.

The most we will pay in any one "loss" under this extension is:

- (1) \$10,000; or
- (2) \$10,000 plus the limit of Insurance shown on the Declarations Page for Extra Expense.

This extension is additional insurance.

e. Covered Property While in Transit or Away From Your Premises.

We will pay for loss to Covered Property due to a Covered Cause of Loss while in transit or while away from your "premises". The most we will pay in any one "loss" is \$5,000. But, if the Covered Property is moved due to impending danger of "loss" from a Covered Cause of Loss, we will pay for "loss" up to the applicable limit shown on the Declarations Page, for a period up to 30 days, after which coverage will cease.

This extension is additional insurance.

f. Duplicate and Backup Data and Media

We will pay for a Covered Cause of Loss to duplicate and backup data and media that you store at a separate location not shown on the Declarations Page. However, the most we will pay is 25% of the total limit shown on the Declarations Page for data and media coverage or \$50,000, whichever is less. This coverage applies only to separate storage locations located at least 100 feet from the covered location.

This extension is additional insurance.

- (4) Weight of people or personal property;
- (5) Weight of rain that collects on a roof;
- (6) Use of defective material or methods in construction, remodeling or renovation if the collapse occurs during the course of the construction, remodeling or renovation.

This Additional Coverage does not increase the Limits of Insurance provided in this Coverage Form.

h. Pollutant Clean Up

We will pay up to \$10,000 in each annual certificate period for expense you incur for "clean-up" of pollutants from land, air, or water at your "premises". The presence, release, discharge or dispersal of the pollutants must be caused by a covered cause of loss not otherwise excluded. The expenses will be paid only if final invoices are submitted to us within 120 days after the date of the direct physical loss.

i. Incompatibility of Software

We will cover the cost of:

- (1) Modification of data processing equipment; or

- a. **Governmental Action**

But we will pay for acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread if the fire would be covered under this Coverage Form.

- b. **Nuclear Hazard**

- (1) Any weapon employing atomic fission or fusion; or
 - (2) Nuclear reaction or radiation, or radioactive contamination from any other cause. But we will pay for direct “loss” caused by resulting fire if the fire would be covered under this Coverage Form.

- c. **War and Military Action**

- (1) War, including undeclared or civil war;
 - (2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
 - (3) Insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

- d. **Intentional Acts**

This includes any loss that is caused by or results from any act committed with the intent to cause damage or destruction by you or any certificate holder, or at your direction or the direction of any certificate holder.

- e. **Neglect**

Unless you take all reasonable steps to protect Covered Property when it is threatened with loss. After a loss, you must take all reasonable steps to protect Covered Property from further loss. If you fail to do so, we won’t cover any loss that results from your neglect.

- d. We won’t cover loss, damage, or “clean-up” caused by or resulting from asbestos or asbestos containing materials.

- e. We won’t cover property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

3. We will not pay for a “loss” caused by or resulting from any of the following. But if “loss” by a Covered Cause of Loss results, we will pay for that resulting “loss.”

- a. Acts or decision, including the failure to act or decide, of any person, group, organization or governmental body.

- b. Faulty, inadequate or defective:

- (1) Planning, zoning, development, surveying, siting;

If the building has been vacant more than 60 days, your loss will be reduced by 50%.

D. DEDUCTIBLE

We will not pay for "loss" in any one occurrence until the amount of adjusted "loss" before applying the applicable Limits of Insurance exceeds the Deductible shown in the Deductible Section of the Declarations Page.

E. LOSS CONDITIONS

1. ABANDONMENT

There can be no abandonment of any property to us.

2. APPRAISAL

If we and you disagree on the value of the property or the amount of "loss", either may make written demand for an appraisal of the "loss". In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. DUTIES IN THE EVENT OF LOSS

You must see that the following are done in the event of loss or damage to Covered Property:

- f. Sign and return the Report and Proof of Loss Form within (7) days from receipt of such form.

In the event of an examination, the certificate holder's answers must be signed.

- b. The entry of final judgment; or
- c. The filing of an appraisal award.

We will not be liable for any part of a "loss" that has been paid or made good by others.

5. OTHER INSURANCE

If you have other insurance covering the same "loss" as the insurance under this certificate, we will pay only the excess over what you should have received from the other insurance. We will pay the excess whether you can collect on the other insurance or not.

7. PRIVILEGE TO ADJUST WITH OWNER

In the event of “loss” involving property of others in your care, custody or control, we have the right to:

- a. Adjust the “loss” with the owners of the property. We will not pay more than the owner’s financial interest in the Covered Property.
- b. Provide a defense for legal proceedings brought against you. If provided, the expense of this defense will be at our cost and will not reduce the applicable Limit of Insurance under this certificate.

8. RECOVERIES

If either you or we recover any property after loss settlement, that party must give the other prompt notice. The property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

9. REINSTATEMENT OF LIMIT AFTER LOSS

The Limit of Insurance will not be reduced by the payment of any claim, except for total “loss” of an item, in which event we will refund the unearned premium on that item.

10. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us to the extent of our payment. You must do everything necessary to secure our rights and must do nothing after “loss” to impair them.

- (1) The actual cost to repair or restore the property with materials of like kind and quality;
- (2) The cost of replacing that property with property of similar quality and function;
- (3) The amount you actually and necessarily spend to repair or replace the property; or
- (4) The Limit of Insurance applicable to the property.

If you do not repair or replace this property within a reasonable time following “loss,” the most we will pay will be the least of the following:

STATE FIRE AND TORNADO INSURANCE FUND

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE FORM

Insurance applies only to items specifically described in this certificate for which an amount of insurance is shown and, unless otherwise provided, all provisions and stipulations of this form and certificate shall apply separately to each such item.

Throughout this certificate, the words “you” and “your” refer to the Certificate Holder shown in the Declarations. The words “we”, “us” and “our” refer to the State Fire and Tornado Insurance Fund.

A. COVERAGE

Coverage is provided as described below for one or more of the following options for which a Limit of Insurance is shown in the Declarations:

- (i) Business Income including “Rental Value.”
- (ii) Business Income other than “Rental Value.”
- (iii) “Rental Value.”

If option (i) above is selected, the term Business Income will include “Rental Value.” If option (iii) above is selected, the term Business Income will mean “Rental Value” only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your “operations” during the “period of restoration” for a maximum time up to 6 months from date of loss. Exception: if the loss becomes a DECA or Capital Project claim. We will cover B/I up to 1 year maximum from date of loss. The suspension must be caused by direct physical loss of or damage to property, including personal property in the open (or in a vehicle) within 100 feet, at premises which are described in the Declarations and for which a Business Income Limit of Insurance is shown in the Declarations. The loss or damage must be caused by or result from a Covered Cause of loss.

If you are a tenant, your premise is the portion of the building which you rent, lease or occupy, including:

- a. All routes within the building to gain access to the described premises; and
- b. Your personal property in the open (or in a vehicle) within 100 feet.

1. BUSINESS INCOME

Business Income means:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. Continuing normal operating expenses incurred, including payroll.

2. COVERED CAUSES OF LOSS

See applicable Causes of Loss Form as shown in Fire & Extended Coverage Section.

3. ADDITIONAL COVERAGES

a. Extra Expense.

Extra Expense means necessary expenses you incur during the “period of restoration” that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Cause of Loss.

- (1) We will pay any Extra Expense to avoid or minimize the suspension of business and to continue “operations”:
 - (a) At the described premises; or
 - (b) At replacement premises or at temporary locations, including
 - (i) Relocation expenses; and
 - (ii) Costs to equip and operate the replacement or temporary location(s).
- (2) We will pay any Extra Expense to minimize the suspension of business if you cannot continue “operations”.
- (3) We will pay any Extra Expense to:
 - (a) Repair or replace any property; or
 - (b) Research, replace or restore the lost information on damaged valuable papers and records;

to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

b. Civil Authority.

We will pay the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss. The coverage for Business Income will begin 72 hours after the time of that action and will apply for a period of up to three consecutive weeks after coverage begins.

The coverage for Extra Expense will begin immediately after the time of that action and will end:

- (1) Three (3) consecutive weeks after the time of that action; or
- (2) When your Business Income coverage ends;

whichever is later.

c. Alterations and New Buildings.

We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) New buildings or structures, whether complete or under construction;
- (2) Alterations or additions to existing buildings or structures; and
- (3) Machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and:
 - (a) Used in the construction, alterations or additions; or
 - (b) Incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of "operations," the "period of restoration" will begin on the date "operations" would have begun if the direct physical loss or damage had not occurred.

d. Extended Business Income

(1) Business Income other than "Rental Value."

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:

- (a) Begins on the date property (except "finished stock") is actually repaired, rebuilt or replaced and "operations" are resumed; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(2) "Rental Value"

If the necessary suspension of your "operations" produces a "Rental Value" loss payable under this policy, we will pay for the actual loss of "Rental Value" you incur during the period that:

- (a) Begins on the date property is actually repaired, rebuilt or replaced and tenantability is restored; and
- (b) Ends on the earlier of:
 - (i) The date you could restore your "operations", with reasonable speed, to the level which would generate the business income amount that would have existed if no direct physical loss or damage had occurred; or
 - (ii) 30 consecutive days after the date determined in (1)(a) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

4. COVERAGE EXTENSIONS

If a Coinsurance percentage of 50% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

NEWLY ACQUIRED LOCATIONS

- a. You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.
- b. The most we will pay for loss under this Extension is \$100,000 for each location.
- c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
 - (1) This policy expires;
 - (2) 30 days expire after you acquire or begin to construct the property; or
 - (3) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

BUSINESS INCOME AND/OR EXTRA EXPENSE COVERAGE

We will pay the actual loss of Business Income you sustain caused by Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises.

If you have purchased extra expense coverage, we will pay the actual and necessary Extra Expense you incur due to Computer Failure at the premises described in the Schedule, or at another location if the off-premises Computer interfaces with a Computer at the described premises or is otherwise used in the operations of the business at the described premises. Extra Expense means necessary expenses you incur that you would not have incurred if there had been no "Computer Failure". Extra Expense includes expenses for repair, modification or replacement of the Computer but only to the extent that such expenses reduce the amount of Business Income loss that otherwise would have been payable under the provisions of this extension.

The most we will pay for the total of all losses and/or expenses sustained in any one certificate year is \$25,000, regardless of the number of "Computer Failures" or the number of computers involved in any "Computer Failure."

This extension is additional insurance.

B. EXCLUSIONS AND LIMITATIONS

See applicable Causes of Loss Form as shown in Fire and Extended Coverage Section.

C. LIMITS OF INSURANCE

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following Additional coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil authority;
3. Extra Expense; or
4. Extended Business Income.

D. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal

If you and we disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of the Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event of Loss

You must see that the following are done in the event of loss:

- a. Notify the police if a law may have been broken.
- b. Notify us of any damages within (7) days maximum, as required by KRS 56.110 and include a description of the property involved.
- c. Complete, sign, and return to us, a Notice of Loss Form within (14) days after notifying us of a loss. Such form shall include a description of how, when, where the loss or damage occurred.
- d. Take all reasonable steps to protect the Property Insured from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs, for consideration in the settlement of the claim. This will not increase the Limit of Insurance.
- e. At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- f. Sign and return the Report and Proof of Loss form within (7) days from receipt of such form.
- g. Cooperate with us in the investigation or settlement of the claim.
- h. We may examine a certificate holder under oath, while not in the presence of any other certificate holder and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including a certificate holder's books and records. In the event of an examination, the certificate holder's answers must be signed.

3. Limitation-Electronic Media and Records

- a. 60 consecutive days from the date of direct physical loss of or damage to Electronic Media and Records or the longer of:
- b. The period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:

- (1) Electronic data processing, recording or storage media such as films, tapes, discs drums or cells;
- (2) Data stored on such media; or
- (3) Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to Extra Expense.

Example No. 1:

A Covered Cause of Loss damages a computer June 1. It takes until September 1 to replace the computer and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 - September 1. Loss during the period September 2 - October 1 is not covered.

Example No. 2:

A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1 - September 29 (60 consecutive days). Loss during the period September 30 - October 15 is not covered.

4. Loss Determination

- a. The amount of Business Income Loss will be determined based on:
 - (1) The Net Income of the business before the direct physical loss or damage occurred;
 - (2) The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses.
 - (3) The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and

- (4) Other relevant sources of information, including:
 - (a) Your financial records and accounting procedures;
 - (b) Bills, invoices, and other vouchers; and
 - (c) Deeds, liens or contracts.

- c. The amount of Extra Expense will be determined based on:

- (1) All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (a) The salvage value that remains of any property bought for temporary use during the "period of restoration," once "operations" are resumed; and
 - (b) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- (2) All necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

c. Resumption of Operations

We will reduce the amount of your:

- (1) Business Income loss other than Extra Expense, to the extent you can resume your "operations," in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- (2) Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

- d. If you do not resume "operations," or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

5. Loss Payment

We will pay for covered loss within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:

- a. We have reached agreement with you on the amount of loss; or
- b. An appraisal award has been made.

If shown in the Declarations, the following Optional Coverage apply separately to each item.

1. Maximum Period of Indemnity

- a. The Additional Condition, coinsurance does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income is the lesser of:
 - (1) The amount of loss sustained during the 120 days immediately following the beginning of the "period of restoration"; or
 - (2) The Limit of Insurance shown in the Declarations.

2. Monthly Limit of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - (1) The Limit of Insurance, multiplied by
 - (2) The fraction shown in the Declarations for this Optional Coverage.

Example:

- When the Limit of Insurance is **\$120,000**
AND
- The fraction shown in the Declarations for this Optional Coverage is: **1/4**
The most we will pay for loss in each period of 30 consecutive days is: \$30,000
(\$120,000 x 1/4 = \$30,000)

If, in this example, the **actual amount of loss is:**

Days 1-30	\$ 40,000
Days 31-60	20,000
Days 61-90	<u>30,000</u>
	\$ 90,000

We will pay:

Days 1-30	\$ 30,000
Days 31-60	20,000
Days 61-90	<u>30,000</u>
	\$ 80,000

- (b) Estimated for the 12 months of this Optional Coverage.

- (2) The Declarations must indicate that the Business Income Agreed Value Optional Coverage applies, and an Agreed Value must be shown in the Declarations. The Agreed Value should be at least equal to:

- (b) The amount of Net Income and operating expenses for the following 12 months you report on the Work Sheet.

- b. The Additional Condition, Coinsurance, is suspended until:

- (1) 12 months after the effective date of this Optional Coverage; or

- (2) The expiration date of this policy; whichever occurs first.

- c. We will reinstate the Additional Condition, submit a new Work Sheet and Agreed Value:

- (1) The Business Income Limit of Insurance; divided by

- (2) The Agreed Value.

Example:

When:	The Limit of Insurance is:	\$100,000
	The Agreed Value is	\$200,000
	The amount of loss is	\$ 80,000

Step (a): $\$100,000 \div \text{by } \$200,000 = .50$ Step
(b): $.50 \times \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.
