Specifications

All models bid shall be current model year and standard configuration.

All equipment shall be new and must be pre-serviced to the manufacturer's recommendations and in first class operating condition when delivered. All service work shall be done in the vendor's place of business or in another location provided by the vendor. No major assembly or servicing of equipment will be allowed on Commonwealth property, only minor modifications to equipment necessary to bring the item into compliance with specifications.

The vendor will not be liable under the above warranty for any defects or damages resulting from unforeseeable causes beyond the control and without

the fault or negligence of the vendor, such as misuse or neglect by the State, acts of God, fires, floods and hurricanes.

The Vendor shall coordinate all deliveries with the ordering agencies.

The Vendor agrees that when delivery is not made within the contracted due date, one percent (1%) per day will be deducted from the Vendor's invoice for each day the Vendor fails to meet the contracted delivery date. Neither party will be responsible for delays resulting from causes beyond the reasonable control of such party, including without limitation fire, explosion, flood, war, strike, or riot, provided that the nonperforming party uses commercially reasonable efforts to avoid or remove such causes of nonperformance and continues performance under this Agreement with reasonable dispatch whenever such causes are removed.

Section 3

Initial Contract Period

This contract shall be effective from the date of award through January 31, 2023.

Section 4

Renewal Clause – Optional Renewal Period

This contract may be extended at the completion of the initial contract period for **four (4) additional one-year periods**. This extension must have the written approval by all parties. If the contract provides for an optional renewal period, the Commonwealth of Kentucky reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. The vendor will be advised of any proposed revisions prior to the renewal periods. In the event proposed revisions cannot be agreed upon, either party shall have the right to withdraw without prejudice from either exercising the option or continuing the contract in an extended period.

Basis of Price Revisions

PRICE ADJUSTMENTS: Unless otherwise specified, the prices established by the contract shall remain firm for the contract period subject to the following:

A: Price Increases: A price increase shall not occur during the first twelve (12) months of the contract. A vendor may request a price increase after twelve (12) months of the contract, which may be granted or denied by the Commonwealth. Any such price increase shall be based on industry wide price changes. The contract holder must request in writing a price increase at least thirty (30) days prior to the effective date, and shall provide firm proof that the price increase(s) is justified. The Office of Procurement Services may request additional information or justification. If the price increase is denied, the contract holder may withdraw from the contract without prejudice upon written notice and approval by the Office of Procurement Services. Provided, however, that the vendor must continue service, at the contract prices, until a new contract can be established (usually within sixty (60) days).

B: Price Decreases: The contract price shall be reduced to reflect any industry wide price decreases. The contract holder is required to furnish the Office of Procurement Services with notice of any price decreases as soon as such decreases are available.

C: Extended Contract Periods: If the contract provides for an optional renewal period, a price adjustment may be granted at the time the contract is renewed, subject to price increase justification as required in Paragraph A "Price Increases" as stated above.

Section 8

Post Contract Agreements

This contract shall constitute the entire agreement between the State and awarded contractor. Unless contractually provided, **State agencies utilizing this contract will not be required to enter into nor sign further agreements, leases, company orders or other documents to complete or initiate the terms of a contract.** Any such documents so obtained will be non-binding on the State and agents of the State and will be cause for breach of contract.

Section 9

Equipment

Unless otherwise indicated, it is understood and agreed that any item offered or shipped on this contract shall be new and the latest or current year model and be in first class condition. Any unit failing to meet the foregoing requirements shall be returned to the contractor, at their expense, and replaced with a new unit.

The Commonwealth recognizes the rapid advancement of technology. If the bidder can provide new equipment of advanced technology after the award of the contract, the Commonwealth and the bidder may choose by mutual agreement to install such equipment. The price of the new technology equipment cannot exceed the cost of the award contract.

Section 12

Vendor’s Report

The vendor(s) may be asked to furnish the buyer, Office of Procurement Services, a report showing volume which has been sold to the Commonwealth and its using agencies each six (6) months of the contract period. The report will include political subdivisions and university purchases. This report may be the vendor’s computer printout sheet or form. This shall apply to all items, which are to become a part of this contract. This report must reference usage by brief description, product number or other format designated by the Office of Procurement Services.

Section 13

Cancellation Clause – 30 Day Notice

Both parties may cancel the contract by giving written notice thirty (30) days prior to effective cancellation date. In the event such action is taken, the contract shall be null and void upon receipt of a Modification from the Office of Procurement Services canceling the contract.

Section 14

Exception to Required Use of Contract

The establishment of this Master Agreement is not intended to preclude the use of similar products when requested by the agency. The Commonwealth of Kentucky reserves the right to contract for large requirements by using a separate solicitation.

Section 15

Service Performance

All services performed under this contract, if applicable, shall be in accordance with the terms and provisions of the contract. It will be the agency’s responsibility to ensure that such services rendered are performed and are acceptable.

The relationship between the State and the Contractor is that of client and independent contractor. No agent, employee, or servant of the contractor or any of its subcontractors

shall be or shall be deemed to be an employee, agent, or servant of the State for any reason. The contractor will be solely and entirely responsible for its acts and the acts of its agents, employees, servants and subcontractors during the performance of this contract.

Major deviations of services performed will not be made without the written approval of the Office of Procurement Services. Problems that arise under any aspect of performance should first be resolved between the vendor and the agency. Either party should refer in writing any such problems and/or disagreements that cannot be resolved to the Office of Procurement Services for settlement.

Section 16

Addition or Deletion of Items or Services

The Office of Procurement Services reserves the right to add new and similar items, with the consent of the vendor. The Office of Procurement Services to effect this change will issue a contract Modification. Until such time as the vendor receives a Modification, the vendor shall not accept Delivery Orders from any agency referencing such items or services.

Section 17

Agreement between Parties

This contract is the complete and exclusive statement of the agreement between the parties, which supersedes all prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this contract. It is further agreed between the parties, that any valid modification of contractual agreement must be formalized by issuance of a Contract Modification from the Office of Procurement Services.

Section 18

Governmental Restrictions

In the event any Governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship, or performance of the items offered on this proposal prior to delivery, it shall be the responsibility of the successful bidder to notify the Office of Procurement Services in writing, indicating the specific regulation which requires such alterations. The Commonwealth reserves the right to accept any such alterations, including any subsequent price adjustments, or to cancel the contract.

Section 19

Payments

The vendor shall be paid, upon the submission of proper invoices to the receiving agency at the prices stipulated for the supplies delivered and accepted, or services rendered. Unless otherwise specified, payment will not be made for partial deliveries accepted. Payments will be made within thirty (30) working days after receipt of goods or a vendor's invoice in accordance with KRS 45.453 and KRS 45.454.

Section 20

	Document Description	Page 7

In the event supplies, equipment or services are defective in material or workmanship or otherwise not in conformity with specified requirements, the Commonwealth shall have the right to reject the items or services or require acceptable correction at the Vendor's expense.

Section 21

Subcontracts

The contractor is permitted to make subcontract(s) with any other party for furnishing any of the work or services herein. The contractor shall be solely responsible for performance of the entire contract whether or not subcontractors are used. The Commonwealth shall not be involved in the relationship between the prime contractor and the subcontractor. Any issues that arise as a result of this relationship shall be resolved by the prime contractor.

All references to the contractor shall be construed to encompass both the contractor and any subcontractors of the contractor.

1. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, national origin, sex, sexual orientation, gender identity, or age. The contractor further agrees to comply with the provisions of the Americans with Disabilities Act (ADA), Public Law 101-336, and applicable federal regulations relating thereto prohibiting discrimination against otherwise qualified disabled individuals under any program or activity. The contractor agrees to provide, upon request, needed reasonable accommodations. The contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religion, color, national origin,

sex, sexual orientation, gender identity, age or disability. Such action shall include, but not be limited to the following; employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensations; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability.

3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965 as amended, and of the rules, regulations and relevant orders of the Secretary of Labor.

5. The contractor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, as amended, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in or as otherwise provided by law.

such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.
