Section 2

Specifications

All models bid shall be current model year and standard configuration.

All equipment shall be new and must be pre-serviced to the manufacturer's recommendations and in first class operating condition when delivered. All service work shall be done in the vendor's place of business or in another location provided by the vendor. No major assembly or servicing of equipment will be allowed on Commonwealth property, only minor modifications to equipment necessary to bring the item into compliance with specifications.

The manufacturer's most favorable warranty offered to preferred customers shall apply to all items. A copy of such warranty shall be furnished to the agency upon delivery of the equipment or product. The vendor will not be liable under the above warranty for any defects or damages resulting from unforeseeable causes beyond the control and without

the fault or negligence of the vendor, such as misuse or neglect by the State, acts of God, fires, floods and hurricanes.

The Vendor shall coordinate all deliveries with the ordering agencies.

The Vendor agrees that when delivery is not made within the contracted due date, one percent (1%) per day will be deducted from the Vendor's invoice for each day the Vendor fails to meet the contracted delivery date. Neither party will be responsible for delays resulting from causes beyond the reasonable control of such party, including without limitation fire, explosion, flood, war, strike, or riot, provided that the nonperforming party uses commercially reasonable efforts to avoid or remove such causes of nonperformance and continues performance under this Agreement with reasonable dispatch whenever such causes are removed.

Section 3

Initial Contract Period

This contract shall be effective from the date of award through January 31, 2023.

Section 4

Renewal Clause – Optional Renewal Period

This contract may be extended at the completion of the initial contract period for **four (4) additional one-year periods**. This extension must have the written approval by all parties. If the contract provides for an optional renewal period, the Commonwealth of Kentucky reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. The vendor will be advised of any proposed revisions prior to the renewal periods. In the event proposed revisions cannot be agreed upon, either party shall have the right to withdraw without prejudice from either exercising the option or continuing the contract in an extended period.

Basis of Price Revisions

PRICE ADJUSTMENTS: Unless otherwise specified, the prices established by the contract shall remain firm for the contract period subject to the following:

A: Price Increases: A price increase shall not occur during the first twelve (12) months of the contract. A vendor may request a price increase after twelve (12) months of the contract, which may be granted or denied by the Commonwealth. Any such price increase shall be based on industry wide price changes. The contract holder must request in writing a price increase at least thirty (30) days prior to the effective date, and shall provide firm proof that the price increase(s) is justified. The Office of Procurement Services may request additional information or justification. If the price increase is denied, the contract holder may withdraw from the contract without prejudice upon written notice and approval by the Office of Procurement Services. Provided, however, that the vendor must continue service, at the contract prices, until a new contract can be established (usually within sixty (60) days).

B: Price Decreases: The contract price shall be reduced to reflect any industry wide price decreases. The contract holder is required to furnish the Office of Procurement Services with notice of any price decreases as soon as such decreases are available.

C: Extended Contract Periods: If the contract provides for an optional renewal period, a price adjustment may be granted at the time the contract is renewed, subject to price increase justification as required in Paragraph A "Price Increases" as stated above.

Section 8

Post Contract Agreements

This contract shall constitute the entire agreement between the State and awarded contractor. Unless contractually provided, **State agencies utilizing this contract will not be required to enter into nor sign further agreements, leases, company orders or other documents to complete or initiate the terms of a contract.** Any such documents so obtained will be non-binding on the State and agents of the State and will be cause for breach of contract.

Section 9

Equipment

Unless otherwise indicated, it is understood and agreed that any item offered or shipped on this contract shall be new and the latest or current year model and be in first class condition. Any unit failing to meet the foregoing requirements shall be returned to the contractor, at their expense, and replaced with a new unit.

The Commonwealth recognizes the rapid advancement of technology. If the bidder can provide new equipment of advanced technology after the award of the contract, the Commonwealth and the bidder may choose by mutual agreement to install such equipment. The price of the new technology equipment cannot exceed the cost of the award contract.

The report will include political subdivisions and university purchases. This report may be the vendor’s computer printout sheet or form. This shall apply to all items, which are to become a part of this contract. This report must reference usage by brief description, product number or other format designated by the Office of Procurement Services.

Section 13

Cancellation Clause – 30 Day Notice

Both parties may cancel the contract by giving written notice thirty (30) days prior to effective cancellation date. In the event such action is taken, the contract shall be null and void upon receipt of a Modification from the Office of Procurement Services canceling the contract.

Section 14

Section 15

Service Performance

All services performed under this contract, if applicable, shall be in accordance with the terms and provisions of the contract. It will be the agency’s responsibility to ensure that such services rendered are performed and are acceptable.

Major deviations of services performed will not be made without the written approval of the Office of Procurement Services. Problems that arise under any aspect of performance should first be resolved between the vendor and the agency. Either party should refer in writing any such problems and/or disagreements that cannot be resolved to the Office of Procurement Services for settlement.

Section 16

Addition or Deletion of Items or Services

The Office of Procurement Services reserves the right to add new and similar items, with the consent of the vendor. The Office of Procurement Services to effect this change will issue a contract Modification. Until such time as the vendor receives a Modification, the vendor shall not accept Delivery Orders from any agency referencing such items or services.

Section 17

Agreement between Parties

This contract is the complete and exclusive statement of the agreement between the parties, which supersedes all prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this contract. It is further agreed between the parties, that any valid modification of contractual agreement must be formalized by issuance of a Contract Modification from the Office of Procurement Services.

Section 18

Governmental Restrictions

In the event any Governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship, or performance of the items offered on this proposal prior to delivery, it shall be the responsibility of the successful bidder to notify the Office of Procurement Services in writing, indicating the specific regulation which requires such alterations. The Commonwealth reserves the right to accept any such alterations, including any subsequent price adjustments, or to cancel the contract.

Section 19

Payments

The vendor shall be paid, upon the submission of proper invoices to the receiving agency at the prices stipulated for the supplies delivered and accepted, or services rendered. Unless otherwise specified, payment will not be made for partial deliveries accepted. Payments will be made within thirty (30) working days after receipt of goods or a vendor's invoice in accordance with KRS 45.453 and KRS 45.454.

Section 21

Subcontracts

The contractor is permitted to make subcontract(s) with any other party for furnishing any of the work or services herein. The contractor shall be solely responsible for performance of the entire contract whether or not subcontractors are used.
