Basis of Price Revisions

PRICE ADJUSTMENTS: Unless otherwise specified, the prices established by this contract shall remain firm for the contract period subject to the following:

- A: Price Increases: A price increase shall not occur during the first twelve (12) months of the contract. No agent, employee, or servant of the contractor or any of its subcontractors shall be or shall be deemed to be an employee, agent, or servant of the State for any reason. The contractor will be solely and entirely responsible for its acts and the acts of its agents, employees, servants and subcontractors during the performance of this contract.

Major deviations of services performed will not be made without the written approval of the Office of Procurement Services. Problems that arise under any aspect of performance should first be resolved between the vendor and the agency. Either party should refer in writing any such problems and/or disagreements that cannot be resolved to the Office of Procurement Services for settlement.

Section 15

Addition or Deletion of Items or Services

The Office of Procurement Services reserves the right to add new and similar items, with the consent of the vendor, to this contract. The Office of Procurement Services to effect this change will issue a contract Modification. Until such time as the vendor receives a Modification, the vendor shall not accept Delivery Orders from any agency referencing such items or services.

Section 16

Governmental Restrictions

In the event any Governmental restrictions may be imposed which would necessitate alteration of the material, quality, workmanship, or performance of the items offered on this contract prior to delivery, it shall be the responsibility of the vendor to notify the Office of Procurement Services in writing, indicating the specific regulation which requires such alterations. The Commonwealth reserves the right to accept any such alterations, including any subsequent price adjustments, or to cancel the contract.

The vendor shall be paid, upon the submission of proper invoices to the receiving agency at the prices stipulated for the supplies delivered and accepted, or services rendered. Unless otherwise specified, payment will not be made for partial deliveries accepted.
