of any conflict between the following Sections 40 and 50 and the previous Sections I - III, the terms in Sections I - III shall prevail.

SECTION 40 – PROCUREMENT REQUIREMENTS

40.1 Procurement Requirements

Procurement requirements are listed under “**Procurement Laws, Preference, Regulations and Policies**” and “**Response to Solicitation**” located on the eProcurement Web page at

<https://finance.ky.gov/services/eprocurement/Pages/LawsPrefRegsPolicies.aspx> and <https://finance.ky.gov/services/eprocurement/Pages/doingbusiness.aspx>

respectively. The vendor must comply with all applicable statutes, regulations and policies related to this procurement.

40.2 Contract Components and Order of Precedence

The Commonwealth’s acceptance of the contractor’s offer in response to the solicitation, indicated by the issuance of a contract award by the Office of Procurement Services, shall create a valid contract between the Parties consisting of the following:

1. Procurement Statutes, Regulations and Policies;
2. Any written Agreement between the Parties;
3. Any Addenda to the Solicitation;
4. The Solicitation and all attachments;
5. Any Best and Final Offer;
6. Any clarifications concerning the Contractor’s proposal in response to the Solicitation;
7. The Contractor’s proposal in response to the Solicitation.

In the event of any conflict between or among the provisions contained in the contract, the order of precedence shall be as enumerated above.

40.3 Final Agreement

The contract represents the entire agreement between the parties with respect to the subject matter hereof. Prior negotiations, representations, or agreements, either written or oral, between the parties hereto relating to the subject matter hereof shall be of no effect upon this contract.

40.4 Contract Provisions

If any provision of this contract (including items incorporated by reference) is declared or found to be illegal, unenforceable, or void, then both the Commonwealth and the contractor shall be relieved of all obligations arising under such provision. If the remainder of this contract is capable of performance, it shall not be affected by such declaration or finding and shall be fully performed.

40.5 Type of Contract

The contract proposed in response to this solicitation shall be on the basis of a **firm fixed quoted price** in accordance with Section 50.6. This solicitation is specifically not intended to solicit proposals for contracts on the basis of cost-plus, open-ended rate schedule, nor any non-fixed price arrangement.

	Document Phase	Document Description	Page 4
2300000798	Final	Chevrolet - Fleet Motor Vehicles (Don Franklin Chevrolet)	Total Pages: 13

As a result of this RFP, the contractual agreement with the selected vendor will in no way obligate the Commonwealth of Kentucky to purchase any services or equipment under this contract. The Commonwealth agrees, in entering into any contract, to purchase only such services in such quantities as necessary to meet the actual requirements as determined by the Commonwealth.

40.7 Addition or Deletion of Items or Services

The Office of Procurement Services reserves the right to add new and similar items, by issuing a contract modification, to this contract with the consent of the vendor. Until such time as the vendor receives a modification, the vendor shall not accept delivery orders from any agency referencing such items or services.

40.8 Changes and Modifications to the Contract

Pursuant to KRS 45A.210 (1) and 200 KAR 5:311, no modification or change of any provision in the contract shall be made, or construed to have been made, unless such modification is mutually agreed to in writing by the contractor and the Commonwealth, and incorporated as a written amendment to the contract and processed through the Office of Procurement Services and approved by the Finance and Administration Cabinet prior to the effective date of such modification or change pursuant to KRS 45A.210(1) and 200 KAR 5:311. Memorandum of understanding, written clarification, and/or correspondence shall not be construed as amendments to the contract.

If the contractor finds at any time that existing conditions made modification of the contract necessary, it shall promptly report such matters to the Commonwealth Buyer for consideration and decision.

40.9 Changes in Scope

The Commonwealth may, at any time by written order, make changes within the general scope of the contract. No changes in scope are to be conducted except at the approval of the Commonwealth.

40.10 Contract Conformance

If the Commonwealth Buyer determines that deliverables due under the contract are not in conformance with the terms and conditions of the contract and the mutually agreed-upon project plan, the Buyer may request the contractor to deliver assurances in the form of additional contractor resources and to demonstrate that other major schedules will not be affected. The Commonwealth shall determine the quantity and quality of such additional resources and failure to comply may constitute default by the contractor.

40.11 Assignment

The contract shall not be assigned in whole or in part without the prior written consent of the Commonwealth Buyer.

40.14 Contractor Affiliation

If, in the contractor's opinion, the equipment, materials, or information mentioned in the paragraphs above is likely to or does become the subject of a claim or infringement of a United States patent or copyright, then without diminishing the contractor's obligation to satisfy any final award, the contractor may, with the Commonwealth's written consent, substitute other equally suitable equipment, materials, and information, or at the contractor's options and expense, obtain the right for the Commonwealth to continue the use of such equipment, materials, and information.

The contractor agrees to pay any final judgment entered against the Commonwealth on such issue in any suit or proceeding defended by the contractor.

If principles of governmental or public law are involved, the Commonwealth may participate in the defense of any such action, but no costs or expenses shall be incurred for the account of the contractor without the contractor's written consent.

The contractor shall have no liability for any infringement based upon:

- A. the combination of such product or part with any other product or part not furnished to the Commonwealth by the contractor
- B. the modification of such product or part unless such modification was made by the contractor
- C. the use of such product or part in a manner for which it was not designed

audit or program review. The Contractor also recognizes that any books, documents, papers, records, or other evidence, received during a financial audit or program review shall be subject to the Kentucky Open Records Act, KRS 61.870 to 61.884. Such action shall include, but not be limited to the following; employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensations; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause
2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability.
3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part

7. The contractor will include the provisions of paragraphs (1) through (7) of section 202 of Executive Order 11246 in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor, issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

40.33 Vendor Notification – Ineligible for Award

The Commonwealth will not consider or evaluate any proposal submitted by a vendor when the vendor, the vendor's employees or agents, had any involvement, contribution or participation in the development, preparation or review of this RFP prior to its issuance. The vendors proposal will be deemed ineligible for award.

40.34 Past Vendor Performance

Past vendor performance may be considered in the award of this Contract. Vendors with a record of poor performance in the last twelve (12) months may be found non-responsible and ineligible for award.

40.35 Exception to Required Use of Contract

The establishment of this Master Agreement is not intended to preclude the use of similar products when requested by the agency. The Commonwealth of Kentucky reserves the right to contract for large requirements by using a separate solicitation.

SECTION 50 – SCOPE OF WORK

50.1 Agencies to Be Served

At the end of the contract, the vendor shall provide all agency data in a form that can be converted to any subsequent system of the agency's choice. The vendor shall cooperate to this end with the vendor of the agency's choice, in a timely and efficient manner.

The Commonwealth reserves the right not to exercise any or all renewal options. The Commonwealth reserves the right to extend the contract for a period less than the length of the above-referenced renewal period if such an extension is determined by the Commonwealth Buyer to be in the best interest of the Commonwealth.

The Commonwealth reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. In the event proposed revisions cannot be agreed upon, either party shall have the right to withdraw without prejudice from either exercising the option or continuing the contract in an extended period.

Any such price increase shall be based on industry wide price changes. The contract holder must request in writing a price increase at least thirty (30) days prior to the effective date and shall provide firm proof that the price increase(s) is justified. The Office of Procurement Services may request additional information or justification. If the price increase is denied, the contract holder may withdraw from the contract without prejudice upon written notice and approval by the Office of Procurement Services. Provided, however, that the vendor must continue service, at the contract prices, until a new contract can be established (usually within sixty (60) days).
- B. **Price Decreases:** The contract price shall be reduced to reflect any industry wide price decreases. The contract holder is required to furnish the Office of Procurement Services with notice of any price decreases as soon as such decreases are available.
- C. **Extended Contract Periods:** If the contract provides for an optional renewal period, a price adjustment may be granted at the time the contract is renewed, subject to price increase justification as required in Paragraph A "Price Increases" as stated above.

50.4 Notices

After the award of contract, all communications of a contractual or legal nature are to be made to the Commonwealth Buyer.

50.5 Subcontractors

The contractor is permitted to make subcontract(s) with any other party for furnishing any of the work or services herein.
