The Commonwealth and the Contractor agree to the following:

**I. SCOPE OF CONTRACT**

Bachman Chevrolet shall serve as an authorized vendor to provide state agencies of the Commonwealth with new and current model year Chevrolet fleet motor vehicles.

This Agreement sets forth the entire understanding of the parties with respect to the subject matter hereof, supersedes all existing agreements among them concerning the subject matter hereof, and may be modified only by a written instrument duly executed by each of the parties hereto.

The initial term of the contract shall be effective February 1, 2023, through October 31, 2024, as in accordance with Section IV (50.2) of this agreement.

The Commonwealth is not willing to entertain negotiations; this Agreement excludes any exceptions and deviations to RFP 758 2300000002.

of any conflict between the following Sections 40 and 50 and the previous Sections I - III, the terms in Sections I - III shall prevail.

## SECTION 40 – PROCUREMENT REQUIREMENTS

### 40.1 Procurement Requirements

Procurement requirements are listed under “**Procurement Laws, Preference, Regulations and Policies**” and “**Response to Solicitation**” located on the eProcurement Web page at

<https://finance.ky.gov/services/eprocurement/Pages/LawsPrefRegsPolicies.aspx> and <https://finance.ky.gov/services/eprocurement/Pages/doingbusiness.aspx>

respectively. The vendor must comply with all applicable statutes, regulations and policies related to this procurement.

### 40.2 Contract Components and Order of Precedence

The Commonwealth’s acceptance of the contractor’s offer in response to the solicitation, indicated by the issuance of a contract award by the Office of Procurement Services, shall create a valid contract between the Parties consisting of the following:

1. Procurement Statutes, Regulations and Policies;
2. Any written Agreement between the Parties;
3. Any Addenda to the Solicitation;
4. The Solicitation and all attachments;
5. Any Best and Final Offer;
6. Any clarifications concerning the Contractor’s proposal in response to the Solicitation;
7. The Contractor’s proposal in response to the Solicitation.

In the event of any conflict between or among the provisions contained in the contract, the order of precedence shall be as enumerated above.

### 40.3 Final Agreement

The contract represents the entire agreement between the parties with respect to the subject matter hereof. Prior negotiations, representations, or agreements, either written or oral, between the parties hereto relating to the subject matter hereof shall be of no effect upon this contract.

### 40.4 Contract Provisions

If any provision of this contract (including items incorporated by reference) is declared or found to be illegal, unenforceable, or void, then both the Commonwealth and the contractor shall be relieved of all obligations arising under such provision. If the remainder of this contract is capable of performance, it shall not be affected by such declaration or finding and shall be fully performed.

### 40.5 Type of Contract

The contract proposed in response to this solicitation shall be on the basis of a **firm fixed quoted price** in accordance with Section 50.6. This solicitation is specifically not intended to solicit proposals for contracts on the basis of cost-plus, open-ended rate schedule, nor any non-fixed price arrangement.

### 40.6 Contract Usage

	Document Phase	Document Description	Page 19
2300000802	Final	Chevrolet - Fleet Motor Vehicles (Bachman Auto Group)	Total Pages: 28

As a result of this RFP, the contractual agreement with the selected vendor will in no way obligate the Commonwealth of Kentucky to purchase any services or equipment under this contract. The Commonwealth agrees, in entering into any contract, to purchase only such services in such quantities as necessary to meet the actual requirements as determined by the Commonwealth.

**40.7 Addition or Deletion of Items or Services**

The Office of Procurement Services reserves the right to add new and similar items, by issuing a contract modification, to this contract with the consent of the vendor. Until such time as the vendor receives a modification, the vendor shall not accept delivery orders from any agency referencing such items or services.

**40.8 Changes and Modifications to the Contract**

Pursuant to KRS 45A.210 (1) and 200 KAR 5:311, no modification or change of any provision in the contract shall be made, or construed to have been made, unless such modification is mutually agreed to in writing by the contractor and the Commonwealth, and incorporated as a written amendment to the contract and processed through the Office of Procurement Services and approved by the Finance and Administration Cabinet prior to the effective date of such modification or change pursuant to KRS 45A.210(1) and 200 KAR 5:311. Memorandum of understanding, written clarification, and/or correspondence shall not be construed as amendments to the contract.

If the contractor finds at any time that existing conditions made modification of the contract necessary, it shall promptly report such matters to the Commonwealth Buyer for consideration and decision.

**40.9 Changes in Scope**

The Commonwealth may, at any time by written order, make changes within the general scope of the contract. No changes in scope are to be conducted except at the approval of the Commonwealth.

**40.10 Contract Conformance**

If the Commonwealth Buyer determines that deliverables due under the contract are not in conformance with the terms and conditions of the contract and the mutually agreed-upon project plan, the Buyer may request the contractor to deliver assurances in the form of additional contractor resources and to demonstrate that other major schedules will not be affected. The Commonwealth shall determine the quantity and quality of such additional resources and failure to comply may constitute default by the contractor.

**40.11 Assignment**

The contract shall not be assigned in whole or in part without the prior written consent of the Commonwealth Buyer.

**40.12 Payment**

The Commonwealth will make payment within thirty (30) working days of receipt of contractor's invoice or of acceptance of goods and/or services in accordance with KRS 45.453 and KRS 45.454.

Payments are predicated upon successful completion and acceptance of the described work, services, supplies, or commodities, and delivery of the required documentation. Invoices for payment shall be submitted to the agency contact person or his representative.

The contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or by Commonwealth employees.

**40.14 Contractor Affiliation**

The contractor and the Commonwealth agree that all information communicated between them before the effective date of the contract shall be received in strict confidence and shall not be necessarily disclosed by the receiving party, its agents, or employees without prior written consent of the other party. Such material will be kept confidential subject to Commonwealth and Federal public information disclosure laws.

The contractor shall report to the Commonwealth promptly and in reasonable written detail, each notice of claim of patent or copyright infringement based on the performance of this contract of which the contractor has knowledge.

The Commonwealth agrees to notify the contractor promptly, in writing, of any such claim, suit or proceeding, and at the contractor's expense give the contractor proper and full information needed to settle and/or defend any such claim, suit or proceeding.

If, in the contractor's opinion, the equipment, materials, or information mentioned in the paragraphs above is likely to or does become the subject of a claim or infringement of a United States patent or copyright, then without diminishing the contractor's obligation to satisfy any final award, the contractor may, with the Commonwealth's written consent, substitute other equally suitable equipment, materials, and information, or at the contractor's options and expense, obtain the right for the Commonwealth to continue the use of such equipment, materials, and information.

The contractor agrees to pay any final judgment entered against the Commonwealth on such issue in any suit or proceeding defended by the contractor.

If principles of governmental or public law are involved, the Commonwealth may participate in the defense of any such action, but no costs or expenses shall be incurred for the account of the contractor without the contractor's written consent.

The contractor shall have no liability for any infringement based upon:

- A. the combination of such product or part with any other product or part not furnished to the Commonwealth by the contractor

audit or program review. In accordance with KRS 45A.340, the contractor represents and warrants, and the Commonwealth relies upon such representation and warranty, that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of its services. In accordance with KRS 45A.340 and KRS 11A.040 (4), the contractor agrees that it shall not knowingly allow any official or employee of the Commonwealth who exercises any function or responsibility in the review or approval of the undertaking or carrying out of this contract to voluntarily acquire any ownership interest, direct or indirect, in the contract prior to the completion of the contract.

Proprietary information shall be submitted separately and identified as "Proprietary Data"*. The contractor agrees to provide, upon request, needed reasonable accommodations. Such action shall include, but not be limited to the following; employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensations; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause
2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, sex, sexual orientation, gender identity, age or disability.
3. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.
4. The contractor will comply with all provisions of Executive Order No. 11246 of September 24, 1965 as amended, and of the rules, regulations and relevant orders of the Secretary of Labor.

6. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part

	Document Phase	Document Description	Page 25

and the contractor may be declared ineligible for further government contracts or federally-assisted construction contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, as amended, and such other sanctions may be imposed and remedies invoked as provided in or as otherwise provided by law.

7. The contractor will include the provisions of paragraphs (1) through (7) of section 202 of Executive Order 11246 in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor, issued pursuant to section 204 of Executive Order No. 11246 of September 24, 1965, as amended, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

#### **40.33 Vendor Notification – Ineligible for Award**

The Commonwealth will not consider or evaluate any proposal submitted by a vendor when the vendor, the vendor's employees or agents, had any involvement, contribution or participation in the development, preparation or review of this RFP prior to its issuance. The vendors proposal will be deemed ineligible for award.

#### **40.34 Past Vendor Performance**

Past vendor performance may be considered in the award of this Contract. Vendors with a record of poor performance in the last twelve (12) months may be found non-responsible and ineligible for award.

#### **40.35 Exception to Required Use of Contract**

The establishment of this Master Agreement is not intended to preclude the use of similar products when requested by the agency. The Commonwealth of Kentucky reserves the right to contract for large requirements by using a separate solicitation.

### **SECTION 50 – SCOPE OF WORK**

#### **50.1 Agencies to Be Served**

This contract shall be for use by All State Agencies. No shipments shall be made except upon receipt by vendor of an official delivery order from the using agency.

At the end of the contract, the vendor shall provide all agency data in a form that can be converted to any subsequent system of the agency's choice. The vendor shall cooperate to this end with the vendor of the agency's choice, in a timely and efficient manner.

The Commonwealth reserves the right not to exercise any or all renewal options. The Commonwealth reserves the right to extend the contract for a period less than the length of the above-referenced renewal period if such an extension is determined by the Commonwealth Buyer to be in the best interest of the Commonwealth.

The Commonwealth reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. In the event proposed revisions cannot be agreed upon, either party shall have the right to withdraw without prejudice from either exercising the option or continuing the contract in an extended period.

**PRICE ADJUSTMENTS:** Unless otherwise specified, the prices established by the contract resulting from this solicitation shall remain firm for the contract period subject to the following:

- A. **Price Increases:** A price increase shall not occur during the first twelve (12) months of the contract. A vendor may request a price increase after twelve (12) months of the contract, which may be granted or denied by the Commonwealth. Any such price increase shall be based on industry wide price changes. The contract holder must request in writing a price increase at least thirty (30) days prior to the effective date and shall provide firm proof that the price increase(s) is justified. The Office of Procurement Services may request additional information or justification. If the price increase is denied, the contract holder may withdraw from the contract without prejudice upon written notice and approval by the Office of Procurement Services. Provided, however, that the vendor must continue service, at the contract prices, until a new contract can be established (usually within sixty (60) days).
- B. **Price Decreases:** The contract price shall be reduced to reflect any industry wide price decreases. The contract holder is required to furnish the Office of Procurement Services with notice of any price decreases as soon as such decreases are available.
- C. **Extended Contract Periods:** If the contract provides for an optional renewal period, a price adjustment may be granted at the time the contract is renewed, subject to price increase justification as required in Paragraph A "Price Increases" as stated above.

### **50.4 Notices**

After the award of contract, all programmatic communications with regard to day-to-day performance under the contract are to be made to the agency technical contact(s) identified during the negotiation phase of this procurement. After the award of contract, all communications of a contractual or legal nature are to be made to the Commonwealth Buyer.

### **50.5 Subcontractors**
