GENERAL INSTRUCTIONS

1. **FILLING OUT FORM**: Attached in **blue** you will find the instructions for the application. Each question on the application has a corresponding explanatory sentence in the 'Application Instructions.' Please fill out the application pursuant to the guidance contained in the 'Application Instructions.' **If a question does not apply to your Business, please indicate 'Not Applicable' or 'N/A'.**
2. **DOCUMENTS**: Please note that the application includes documents that must be provided with the application. Some documents must be provided prior to the scheduled owner interview. The application will not be considered complete and will not be reviewed unless all of the documents that must be filed with the application are present. Upon receipt of a completed application, the Finance and Administration Cabinet (FAC) will confirm its receipt by email.
3. **OWNER INTERVIEW**: Upon filing of the application, staff from the FAC will evaluate the application and schedule an owner interview (if necessary). The purpose of the owner interview is to review additional documents and to confirm that the applicant satisfies all criteria, particularly ownership and control. The applicant should be prepared to provide the necessary documents and to answer any and all questions that FAC personnel may have.
4. **CERTIFICATION COMMITTEE**: After the owner interview is completed and all documents have been deemed to be in order, the application will then be submitted for review to the Certification Committee of the FAC. The Certification Committee shall review the application and the recommendation from the certification staff. The committee will certify, deny or defer the application. When the committee defers an application, certification staff shall respond to the questions posed by the Certification Committee.
5. **APPROVAL**: If the Certification Committee approves the application, then your Business will be certified as a Minority or Women Business Enterprise (MWBE) by the FAC for three (3) years from the date of approval. If the Certification Committee denies the application, you may appeal pursuant to number 6 (below) or reapply at a later date.
 - a. Annually on the anniversary date of the date of the certification, each certified Business shall send a document to the FAC representing there have been no material changes to the Business that would disqualify it from the certification program.

- b. For Businesses relying on out-of-state certification as a basis for their eligibility to be certified by the FAC, please note that any certification by the FAC is dependent upon and contingent upon that Business maintaining the out-of-state certification.
6. **APPEAL RIGHTS:** If your Business is decertified or denied certification and you believe that the decision is erroneous, you can appeal to the Secretary of the Finance and Administration Cabinet. You will need to file your appeal with the Office of Equal Employment Opportunity (EEO) and Contract Compliance of the FAC within 30 days of the denial of certification in order for your appeal to be accepted. An appeal form may be downloaded from the Kentucky Minority and Women Business Enterprise Certification website at mwbe.ky.gov and should be mailed, along with any supporting documentation to:

Attn: MWBE Appeals Processing
Office of EEO and Contract Compliance
200 Mero Street, 5th Floor
Frankfort, KY 40622

The Secretary of the Finance and Administration Cabinet will issue a Final Order based on the appeal form and supporting documentation you submit. The Secretary's Final Order may accept, reject, or modify a denial of certification, or other decision, issued by the Certification Committee. The Secretary's Final Order is the final determination of the Finance and Administration Cabinet, which may be appealed to the Franklin Circuit Court.

7. **OPEN RECORDS:** Please be advised that the application of your Business and any other documentation that you file with the FAC MAY be subject to disclosure to anyone who makes a proper request to the FAC under the "Open Records Act", KRS 61.800, et seq. Generally speaking, portions of your application and other documents that are considered "personal" (KRS 61.878(1)(a) or portions that may be "Confidential or Proprietary" MAY BE WITHHELD BY THE FAC. (See 10-ORD-001 & 99-ORD-220) The Office of General Counsel and the Office of EEO and Contract Compliance will attempt to rely on any DESIGNATION OF CONFIDENTIALITY OR PROPRIETARY INFORMATION made by you in responding to a valid Open Records request. Thus, you should clearly designate any information that you deem personal, confidential or proprietary as such, PRIOR to filing your application with the FAC. The FAC will also contact you to make you aware of any Open Records' requests that are made for your file. Please be further advised that the statements contained in this paragraph are general restatements of the law and are for informational purposes only.
8. **LEGAL ADVICE:** Please understand that there is no substitute for good counsel from your attorney of choice PRIOR TO FILING YOUR APPLICATION. Only an Attorney hired by your Business and acting on its behalf can render your Business timely and appropriate legal advice that can be relied upon by your Business.
9. **OUT OF STATE APPLICANTS ONLY:** An out-of-state business must apply to the Kentucky MWBE Program using the same business name under which it has been certified by a governmental certifying entity in the state where the principal place of business is located. If your Business is not currently certified by a governmental certifying body in the state where your principal place of business is located, you are not eligible to apply for certification in the Kentucky MWBE Program. Further, if your Business has not had an Onsite Review/Visit (physically or virtually done at your place of business with the program eligible owners) performed by a governmental certifying body in the state where your principal place of business is located within the past three (3) years, you are not eligible to apply for certification in the Kentucky MWBE Program.

10. **NON-PROFIT ORGANIZATIONS**: Please contact the Finance and Administration Cabinet, Office of EEO/Contract Compliance at 502-564-8099 or Finance.MWBE@ky.gov for assistance and further instructions.
11. **APPLICATION PROCESSING**: An altered version of the application will not be accepted or processed. The Finance and Administration Cabinet treats all applicants in the same manner to ensure equal, fair treatment. For this reason, your completed application will be reviewed and processed in the order of its receipt. Failure to provide all necessary information and documentation as required shall constitute the basis for denying certification.
