## **GENERAL INSTRUCTIONS**

1. **FILLING OUT FORM**. Attached in **blue** you will find the instructions for the application. Each question on the application has a corresponding explanatory sentence in the 'Application Instructions.' Please fill out the application pursuant to the guidance contained in the 'Application Instructions.' **If a question does not apply to your Business, click the red X.**
2. **DOCUMENTS**: Please note that the application includes documents that must be provided with the application. The application will not be considered complete and will not be reviewed unless all of the documents that must be filed with the application are submitted. Upon receipt of a completed application, the Finance and Administration Cabinet (FAC) will confirm its receipt by email via the application portal.
3. **Owner Interview**: Upon submission of the application, staff from the FAC will conduct an application intake review and schedule an owner interview (if necessary). The purpose of the owner interview is to review additional documents to be submitted prior to the owner interview and to confirm that the applicant satisfies all criteria, particularly business size, ownership and control. The applicant should be prepared to provide the necessary documents and to answer any and all questions that FAC personnel may have.
4. **CERTIFICATION COMMITTEE**: After the application intake review is completed and the owner interview (if necessary) is completed and all documents have been deemed to be in order, the application will then be submitted for review to the Kentucky Business Certification Committee (Certification Committee) of the FAC. The Certification Committee shall review the application and the recommendation from the certification staff. The committee will certify, deny or defer the application. When the committee defers an application, certification staff shall respond to the questions posed by the Certification Committee.
5. **APPROVAL**: If the Certification Committee approves the application, then your Business will be certified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) by the FAC for three (3) years from the date of approval. If the Certification Committee denies the application, you may appeal pursuant to number 6 (below) or reapply at a later date.
6. **APPEAL RIGHTS**: If your Business is denied certification and you believe that the decision is erroneous, you can appeal to the agency head of the FAC pursuant to KRS Chapter 13B. You will need to file your appeal with the Office of Equal Employment Opportunity (EEO) and Contract Compliance of the FAC within 30 days of the denial of certification. The FAC will then

schedule a hearing where you will be allowed to present evidence to a hearing officer demonstrating why you believe that your Business qualifies for certification. You may hire a lawyer to represent you if you desire, although it is not required. The hearing officer will draft a Recommended Order to the agency head either recommending that your appeal be upheld or denied. The agency head may accept, reject or modify the Recommended Order of the hearing officer in his Final Order. The Final Order is the final determination of the FAC. This final, administrative order may be appealed to the Franklin Circuit Court pursuant to KRS 13B.140.

An appeal form may be downloaded from the Kentucky Service-Disabled Veteran-Owned Small Business website at [vetbiz.ky.gov](http://vetbiz.ky.gov) and should be mailed, along with any supporting documentation to:

Attn: SDVOSB Appeals Processing  
Office of EEO and Contract Compliance  
200 Mero Street, 5<sup>th</sup> Floor  
Frankfort, Kentucky 40622

7. **OPEN RECORDS:** Please be advised that the application of your Business and any other documentation that you file with the FAC MAY be subject to disclosure to anyone who makes a proper request to the FAC under the "Open Records Act", KRS 61.800, et seq. Generally speaking, portions of your application and other documents that are considered "personal" (KRS 61.878(1)(a) or portions that may be "Confidential or Proprietary" MAY BE WITHHELD BY THE FAC. (See 10-ORD-001 & 99-ORD-220) The Office of General Counsel and the Office of EEO and Contract Compliance will attempt to rely on any DESIGNATION OF CONFIDENTIALITY OR PROPRIETARY INFORMATION made by you in responding to a valid Open Records request. Thus, you should clearly designate any information that you deem personal, confidential or proprietary as such, PRIOR to filing your application with the FAC. The FAC will also contact you to make you aware of any Open Records' requests that are made for your file.

Please be further advised that the statements contained in this paragraph are general restatements of the law and are for informational purposes only. Please understand that there is no substitute for good counsel from your attorney of choice on this issue PRIOR TO FILING YOUR APPLICATION. Only an Attorney hired by your Business and acting on its behalf can render your Business timely and appropriate legal advice that can be relied upon by your Business.

8. **NON-PROFIT ORGANIZATIONS:** Please contact the Finance and Administration Cabinet, Office of EEO/Contract Compliance at 502-564-2874 or [Finance.SDVOSB@ky.gov](mailto:Finance.SDVOSB@ky.gov) for assistance and further instructions.
9. **APPLICATION PROCESSING:** Only applications submitted via the online application portal will be processed. Paper application submissions are no longer accepted. The Finance and Administration Cabinet treats all applicants in the same manner to ensure equal, fair treatment. For this reason, your completed application will be reviewed and processed in the order of its receipt. Failure to provide all necessary information and documentation as required shall constitute the basis for denying certification.
