STATUTORY AUTHORITY: KRS 131.130(1), 139.105

NECESSITY, FUNCTION, AND CONFORMITY: KRS 131.130(1) authorizes the Department of Revenue to promulgate administrative regulations for the administration and enforcement of Kentucky tax laws. KRS 139.105 requires florist wire sales to be sourced in accordance with an administrative regulation promulgated by the department. Section 1. Sales of the following are examples of items that shall be subject to the sales and use tax:

(1) Balloons;

(2) Bouquets;

(3) Candy;

(4) Flowers;

(5) Potted plants;

(6) Shrubbery;

(7) Vases;

(8) Wreaths; and
(9) Other similar items of tangible personal property [flowers, wreaths, bouquets, potted plants, shrubbery, and other such items of tangible personal property are subject to the sales and use tax.]

Section 2. Florist transactions through a florists' wire delivery association. If florists conduct transactions through a florists' wire [telegraphic] delivery association, the following rules shall [will] apply in the computation of tax liability:

1. On all orders taken by a Kentucky florist and sent [telegraphed] to a second florist in Kentucky for delivery in Kentucky, the sending florist shall [will] be liable for the tax based upon gross receipts from the customer who places the order;

2. If a [In cases where a] Kentucky florist receives an order and subsequently sends [pursuant to which he gives telegraphic] instructions to a second florist located outside Kentucky for delivery of flowers to a point outside Kentucky, the Kentucky tax owed shall be based upon gross [tax will likewise be owing with respect to the total] receipts of the sending florist from the customer who places the order; and

3. If Kentucky florists receive telegraphic instructions from another florist [either within or outside of Kentucky for the delivery of flowers, the receiving florist shall] will not be held liable for tax with respect to any receipts realized [which he may realize] from the transaction. In this instance, if the order originated in Kentucky, the tax shall [will] be due [from] and payable by the Kentucky florist who first received the order and then sent [gave the telegraphic] instructions to the second florist.

Section 3. Florist transactions not through a florists' wire delivery association. If florists conduct transactions through any other means other than a florists' wire delivery association, all orders shall be sourced to the destination where the tangible personal property is delivered, pursuant to KRS 139.105. The florist shall collect and remit the sales and use tax accordingly on
the retail sale of the tangible personal property. [When a nurseryman or florist sells shrubbery, young trees or similar items, and as part of the transaction transplants them to the land of the purchaser for a lump sum or a flat rate, the vendor so selling and installing must make a segregation of that portion of the charge which is for tangible personal property sold and that portion of the charge which is for installation. Failure to segregate the charge will subject the entire amount of the transaction to the sales-tax.]
