Policy Purpose:
This policy defines the credentialing and recredentialing process using a credentialing verification organization (CVO) for selecting and evaluating licensed and independent practitioners and the assessment process for organizational providers who provide care to Humana's members. Consistent with Humana's mission to assist members in achieving life-ling well-being, the goal of this policy is the selection of qualified practitioners and providers.

In certain circumstances, Humana is subject to certain credentialing requirements, such as state and federal regulations, that exceed or differ from those outlined in this policy.

Scope:
Credentialing requirements apply to:
- Practitioners who are licenses, certified, or registered by the state to practice independently (without direction or supervision); and
- Practitioners who have an independent relationship with Humana (an independent relationship exists when Humana directs its members to see a specific practitioner or group of practitioners, including all practitioners whom a member can select as primary care practitioners); and
- Practitioners who provide care to member under Humana’s medical, dental, and vision benefits.

Credentialing criteria apply to practitioners in the following settings:
- Individual or group practices,
- Organizational providers,
- Rental networks, and
- Telemedicine.

Procedure:

1. Definitions:

| Clean Application | Clean application, as used in KRS 205.532 to 205.536, means a credentialing application submitted by a provider to a Credentialing Verification Organization (CVO) that is complete and does not lack any required substantiating documentation. |
Subject: Credentialing and Recredentialing Using a Credentialing Verification Organization (CVO) for Kentucky Medicaid

 Credentialing Application Date | Credentialing Application Date, as used in KRS 205.532 to 205.536 means the date that a CVO receives a Clean Application from a provider.

 Credentialing Verification Organization | Credentialing Verification Organization (CVO) as used in KRS 205.532 to 205.536 means an organization that gathers data and verifies the credentials of providers in a manner consistent with federal and state laws and the requirements of the National Committee for Quality Assurance (NCQA). A CVO is:
   A. An organization designated by the Department pursuant to subsection (3) (a) of KRS 205.532 to 205.536; and
