BID CLERK
702 CAPITOL AVE, CAPITOL ANNEX ROOM 095
FRANKFORT KY 40601

To Whom It May Concern:

I am Vice President, Associate General Counsel, Litigation & Investigations for Humana Inc. In this capacity, I have knowledge of current and recent litigation against Humana Health Plan, Inc., its parent company and affiliates.

Humana is a party to a variety of legal actions in the ordinary course of business. We cannot predict the outcome of these suits with certainty, but to my knowledge, and other than as publicly disclosed by Humana Inc. (including in any filings with the Securities and Exchange Commission under EDGAR), there is no recent or pending litigation against Humana Health Plan, Inc., its parent company or affiliates which could reasonably be expected to impair Humana Health Plan, Inc.'s performance under the Kentucky Medicaid Managed Care Contract.

The opinion expressed herein is not a waiver of attorney-client privilege and is made solely in connection with the Commonwealth of Kentucky's Request for Proposal for Medicaid Managed Care Organization (RFP No. 758 2000000202) and may not be relied upon in any manner or used for any purpose by any other person, and may not be quoted in whole or in part, without my prior written consent.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth Monohan".
