**Legal Authority.** The filing requirement is found at KRS 45.560 – KRS 45.640, the Kentucky EEO Act.

**Who Must File.** Filing is required by law and is not optional for companies interested in doing business with the Commonwealth of Kentucky. Penalties for vendors/contractors and subcontractors that fail to comply with KRS 45.560 to KRS 45.640 may include non-award or termination of the contract, withholding payments or a declaration of ineligibility to bid on future contracts. So, who must file? Your company must file EEO documents if any one of the following applies:

1. The firm is the apparent low bidder on a state contract valued at more than \$500,000 and you have not previously filed;
2. Change orders or contract modifications bring the value of your state contract to more than \$500,000 and you have not previously filed;
3. The firm is directed to file by a contracting agency, county, city, town, school district, water district, hospital district, other political subdivision of the state or prime Vendor/Contractor;
4. The firm has a subcontract on a state project and the subcontract is valued at more than \$500,000 and you have not previously filed;
5. The firm's one (1) year certification has or will soon expire; or
6. The firm is directed to file EEO documents by the Finance and Administration Cabinet, Office of Equal Employment Opportunity and Contract Compliance.

**Proper Filing.** Incomplete, blank, or unsigned reports will **NOT** be accepted or processed. **Further, a substitute or alternate version of this report will NOT be accepted.** See below for more guidance:

1. Type or print legibly.
2. If you print your responses, do not use a pencil. Use black or dark blue ink.
3. Signatures must be in black or dark blue ink.
4. **DO NOT** return a copy of the instructions with your submission.

## SECTION I. TYPE OF REPORT

Before completing this section, you may need to make additional copies of pages one, two and three of the EEO-1: Employer Information Report. **Remember, if your firm has locations in the Commonwealth of Kentucky a separate report is required for EACH Kentucky location. Reports submitted by your company MUST contain pages 1, 2 and 3. Reports that do not contain all three (3) completed pages will not be accepted or processed.**

**Additional guidance regarding 'locations.'** A location does not include an employee's home address, a construction worksite or any other temporary project site.

**Type of Report.** Check only one box per report. **There are three (3) types of reporting (all of which use the EEO-1: Employer Information Report form).** A description of each type follows. Examples are provided to help you decide on the most appropriate report(s) to file.

- 1) *Single-Establishment*—Firms that conduct business from **ONLY ONE** location are required to file **SINGLE-ESTABLISHMENT REPORTS**.

**Example:** An electrical contractor with 8 employees is located in Franklin, Kentucky. The firm does not have any other business locations. This firm will file a **SINGLE-ESTABLISHMENT REPORT**.

**Example:** A computer hardware company with 27 employees is located in Topeka, Kansas. The firm has no other locations. For this reason, the firm will file a **SINGLE-ESTABLISHMENT REPORT**.

**Example:** A uniform manufacturer with 800 employees is located in Ontario, Canada. The firm does not have any other business locations. This firm will file a **SINGLE-ESTABLISHMENT REPORT**.

- 2) *Consolidated*—Firms that operate from more than one location are required to file a **CONSOLIDATED REPORT**. The **CONSOLIDATED REPORT** must be filed by the firm's headquarters office and must reflect employment data for **ALL** locations—regardless of the number of employees at the location. Firms that file a **CONSOLIDATED REPORT** must also file a **BRANCH OFFICE/OTHER REPORT** for each location in the Commonwealth of Kentucky.
- 3) *Branch Office/Other*—The **BRANCH OFFICE/OTHER REPORT** contains employment data for a specific location. Any firm that files a **CONSOLIDATED REPORT** must also file a **BRANCH OFFICE/OTHER REPORT(S)** if the firm has employees in the Commonwealth of Kentucky. A separate **BRANCH OFFICE/OTHER REPORT** is required for **EACH** Commonwealth of Kentucky location.

**IMPORTANT NOTE: The *BRANCH OFFICE/OTHER REPORT* must also be used by subsidiaries and affiliates when these entities file EEO data.**

**Example:** A construction company with 375 employees is headquartered in Covington, Kentucky. The firm has nine separate office, quarry and plant locations (including the main office). Six locations are in Kentucky. The remaining three locations are in Ohio. The firm will file 7 reports: one (1) **CONSOLIDATED REPORT** reflecting data for all employees in Kentucky and Ohio and a separate **BRANCH OFFICE/OTHER REPORT** for each of its 6 Commonwealth of Kentucky locations.

**Example:** An insurance company has a main office in Lexington, Kentucky and six branch offices located in Paducah, Elizabethtown, Pikeville, Somerset, Louisville and Ashland. The Lexington headquarters office will file one (1) **CONSOLIDATED REPORT** that combines the firm's employment data for all seven locations. In addition, the Lexington office will file 7 **BRANCH OFFICE/OTHER REPORTS**—one each for Lexington, Paducah, Elizabethtown, Pikeville, Somerset, Louisville and Ashland.

**Example:** A computer hardware company with 175,500 employees is headquartered in La Jolla, California. The firm has 30 separate plants and offices (including the headquarters office) throughout the United States. Each location is in a different state; none of the locations are in the Commonwealth of Kentucky. The firm's headquarters office will file one (1) **CONSOLIDATED REPORT** listing all employees nationwide.

**Example:** XYZ Plastics is located in Cleveland, Ohio and is a subsidiary of Worldwide Corporation. The firm does not have any other business locations and will file one (1) **BRANCH OFFICE/OTHER REPORT**.

**Total Number of Reports Being Filed.** Write in the number of reports being filed.

Note for *Consolidated employers*: The description of the major activity must reflect the dominant economic activity of the firm, i.e., the activity that involves the *greatest* number of employees.

### SECTION IV. GENERAL INFORMATION

1. Select the primary geographical area(s) from which your employees are hired, i.e., county, city, metropolitan statistical area, state or nationwide (**Note: if you select 'nationwide' only the national percentage will be used to evaluate your workforce data**). A response to this question is required.

Next, **identify the primary hiring area(s) by name**, i.e., you must list all areas included in your primary hiring area. County and city information **MUST** be clearly identified, e.g., Broward County, Florida; Providence, Rhode Island, etc. Do not assume the reviewer knows the state in which the county or city is located, e.g., Franklin County, Missouri, Franklin County, Kentucky or Franklin County, Virginia. (**Note: a company headquartered in another country, e.g., Canada, is also required to comply with Kentucky's EEO Act and should identify the primary hiring area(s) accordingly.**) A response is required. If necessary, attach a separate sheet.

2. Indicate whether the firm has a current, up-to-date affirmative action plan signed by its owner, president, chief executive officer or other official or manager. A "Yes" or "No" response is required.

The explanation must include the name of the agency conducting the review, the name and title of the agency contact person and the agency contact person's telephone number (including area code). Attach a separate sheet.
5. Indicate whether the firm was barred from government contract work—federal, state, city, county, or local—during the past five (5) years due to a finding of employment discrimination. A "Yes" or "No" response is required. A "Yes" response to this question requires a full explanation of the situation. The explanation must include the name of the agency that found employment discrimination existed, the name and title of the agency contact person and the agency contact person's telephone number (including area code). Attach a separate sheet.

## SECTION V. WORKFORCE DATA/NUMBER OF EMPLOYEES

**Workforce data is required.** Collecting and maintaining employee race and ethnicity data is permitted by state and federal law if the data is kept separate from other personnel information and is not used to commit unlawful discrimination. Current workforce data and workforce data from your previous report (if applicable) must be reported in this section. **A substitute or alternate version of this report will not be accepted or processed.**

**Definition of Employee.** "Employee" means any person on the Vendor's/Contractor's payroll who is a full-time or permanent part-time employee for purposes of Social Security withholding taxes (exception: insurance salespersons who are considered to be employees for such purposes solely because of the provisions of Section 3121 (d)(3)(B) of the Internal Revenue Code). Leased employees are included in this definition.

- o "Leased Employee" means a permanent employee provided by an employment agency for a fee to an outside company. The employment agency handles all personnel functions related to the leased employee including payroll, staffing, benefit payments and compliance reporting. Therefore, the employment agency is responsible for reporting leased employees in its EEO-1: Employer Information Report.
- o The term "Employee" does **NOT** include persons who are hired on a casual basis for a specific time period, or for the duration of a specific job. For example: workers at a construction site whose employment relationship is expected to terminate with the end of the employee's work at the site; workers temporarily employed in any industry (excludes construction), i.e., temporary office workers, lumber yard workers, factory workers, etc. These workers are hired through hiring halls or other referral arrangements, through employee contractors or agents, or by individual hiring arrangements; workers (excludes leased employees) on the payroll of an employment agency who are referred by the employment agency to work on the premises of another employer under that employer's direction and control.

**Counting Employees.** Count each employee in one and **ONLY** one job category and in one and **ONLY** one race/ethnicity category. (Descriptions of job categories and race/ethnicity categories appear later in this section.) **Do not count an employee in more than one job category. Do not count an employee in more than one race/ethnicity category.**

The count must include all full-time and permanent part-time employees who were employed during the count, except those workers specifically excluded in Section V., Definition of Employee, Page 8.

Note: If the firm has previously filed an EEO-1: Employer Information Report, data regarding "Total from Previous Report" at the bottom of page 2 is also **REQUIRED**.

**Check the Math.** Calculate a total for each row and each column. The grand total for all rows and the grand total for all columns must be the same. Record the grand total in the heavily outlined box (  ). Totals, including the grand total, must be clearly indicated on the form. **Forms without totals will NOT be processed. Forms with mathematical errors will NOT be processed.**

**Description of Job Categories.** Workforce data must be reported by job category. The major job categories are listed below. Each job category includes a brief description of the skills and training needed and examples of job titles that fit the category. The job titles are for descriptive purposes only. Therefore, the descriptions do not include all job titles in a particular category.

Each employee should be counted in one and ONLY one job category. Select the job category that contains the jobs most similar to those performed by the employee. For more information about EEO job categories, visit the U.S. Equal Employment Opportunity Commission's web site at [www.eeoc.gov](http://www.eeoc.gov).

This category also includes some production occupations that are distinguished by the high degree of skill and precision required to perform them, based on clearly defined task specifications. Examples include: millwrights; etchers and engravers; tool and die makers; and pattern makers.

- *Operatives.* Most jobs in this category include intermediate skilled occupations and include workers who operate machines or factory-related processing equipment. **Description of Race/Ethnicity Categories.** You may obtain race/ethnicity information for this report either by visual surveys of the work force or from post-employment records, e.g., payroll records. Obtaining race/ethnicity information through direct inquiry is **NOT** encouraged.

Where records are maintained, it is strongly recommended the records be kept separately from the employee's basic personnel file or other records available to workers responsible for personnel duties. **Conducting visual surveys and keeping records about the race/ethnicity of employees is legal in all jurisdictions and under all Federal and state laws.**

Since visual surveys are permitted, the fact that race/ethnicity identifications are not present on employment or payroll records is not an excuse for failure to provide the data. In addition, the fact that employees may be located at different locations does not provide an acceptable reason for failure to comply with the reporting requirements. In such cases, it is recommended the employer conduct visual surveys (using persons such as supervisors who are responsible for the work of the employees or to whom the employees report for instructions).

When collecting workforce data, the basic principles for racial and ethnic self-identification are:

1. Offer employees the opportunity to self-identify; and
2. Provide a statement about the voluntary nature of this inquiry for employees. For example, language such as the following may be used (employers may adapt this language):  
"<Company> is subject to certain governmental recordkeeping and reporting requirements for the administration of civil rights laws and regulations. To comply with these laws, <Company>

invites employees to voluntarily self-identify their race or ethnicity. Providing this information is voluntary and refusal will not subject you to any adverse treatment. The information will be kept confidential and will only be used in accordance with applicable laws, executive orders, and regulations, including those that require the information to be summarized and reported to government agencies for civil rights enforcement."

If an employee declines to self-identify, employment records or observer identification may be used.

Race/ethnicity designations used by the Finance and Administration Cabinet, Office of Equal Employment Opportunity and Contract Compliance do not represent scientific definitions of anthropological origins. For the purposes of this report, an employee may be included in the group to which he or she appears to belong, identifies with, or is regarded in the community as belonging. However, no employee should be counted in more than one race/ethnic group, i.e., each employee should be counted in one and ONLY one race/ethnicity category. The race/ethnic categories for this report are:

- **Hispanic or Latino** - All persons of Cuban, Mexican, Puerto Rican, South or Central American, Dominican, or other Spanish culture or origin regardless of race.
- **White (Not Hispanic or Latino)** - All persons having origins in any of the original peoples of Europe, North Africa, or the Middle East.
- **Black or African American (Not Hispanic or Latino)** - All persons having origins in any of the black racial groups of Africa.
- **Native Hawaiian or Other Pacific Islander (Not Hispanic or Latino)** – All persons having origins in any of the peoples of Hawaii, Guam, Samoa, Fiji, or other Pacific Islands.
- **Asian (Not Hispanic or Latino)** – All persons having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, Sri Lanka, the Philippine Islands, Thailand, and Vietnam.

- **Two or More Races (Not Hispanic or Latino)** – All persons who identify with more than one of the above five races.
