2-1 Fire Procedures

- All fires must be reported to **911** (remember you may have to dial a 9 or 99 to get an outside line at your location).
- Call the facilities emergency alert number **502-564-2652** as soon as you can safely do so.
- Alert others in the area by:
 - Using a pull station to activate the fire alarm
 - Shouting to others in the immediate area (fire, fire, fire)
- If the fire is small or confined **and you are trained**, attempt to extinguish it with a fire extinguisher.
- If you are told to evacuate, use the nearest exit to the safe assembly area. The elevator will be reserved for disabled employees and arriving emergency services personnel.
- Disabled persons will be assisted to the elevator for pick up by floor monitors or volunteers.
- Use caution, there may be areas in or around the building you need to avoid.

2-2 Building Evacuation

- If you are instructed to evacuate:
 - Evacuate by the nearest exit.
 - Remain calm and assist others as needed.
 - Enter **EXIT** stairwells or stairs and move to the outside wall, gradually merging to the inside to allow others to enter at the next level down.
 - **DO NOT** attempt to move UP the stairwell or return to your workstation.
 - Move out and away from the building to the safe assembly area (see map for location of the safe assembly area) and stay 300 feet from the building.
 - Be on the alert for incoming emergency vehicles as you are evacuating the building.
 - **DO NOT** leave the safe assembly area until the officer in charge announces the all clear.
 - Stay with your evacuation group for a head count by section/unit supervisors.

**in case of fire
use stairway for exit**

do not use elevator

2-3 Medical Procedures

- Medical emergencies will be reported to **911**.
 - Be specific as possible and give the exact location of individual(s) needing help. Stay on the phone if requested.
 - Remember you may have to dial a 9 or 99 to get an outside line.
- Call the facilities emergency alert number **502-564-2652** as soon as you can safely do so.
- Be prepared to meet or have someone meet the emergency personnel at your floor.
- Protect the injured or ill person from on-lookers.

2-4 Severe Weather

- Call fire and emergency services dispatch center at **502-875-8550** or facilities emergency alert number **502-564-2652** if you believe you have severe weather information that is not known to state officials. Report facts as you know them. Stay on the line if asked to do so.
- If you receive an announcement to seek shelter, please evacuate to the area designated as **TORNADO SHELTER**.
- Remember your options: center hallway on the lower floor, center hallway regardless of the floor, or get under something sturdy as a last resort. Stay away and clear of all glass.

2-5 Earthquake Procedures

- ***Indoors: Drop, cover, and hold on.*** Drop to the floor; take cover under a sturdy desk or table, and hold on to it firmly. Be prepared to move with it until the shaking stops. If you are not near a desk or table, drop to the floor against the interior wall and protect your head and neck with your arms. Avoid exterior walls, windows, hanging objects, mirrors, tall furniture, large appliances, and kitchen cabinets with heavy objects or glass. Do not go outside!
- ***In a high-rise:*** Drop, cover, and hold on. Avoid windows and other hazards. Do not use elevators. Do not be surprised if sprinkler systems or fire alarms activate.
- ***Outdoors:*** Move to a clear area if you can safely do so; avoid power lines, trees, signs, buildings, vehicles, and other hazards.
- ***Driving:*** Pull over to the side of the road, stop, and set the parking brake. Avoid overpasses, bridges, power lines, signs and other hazards. Stay inside the vehicle until the shaking is over. If a power line falls on the car, stay inside until a trained person removes the wire.

2-6 Bomb or Other Security Threats

- If you receive a threat by telephone, try to obtain the maximum information from the caller. Keep the caller on the line as long as possible. Refer to the threat checklist accompanying these procedures, which provides the type of questions you should ask the caller.
- Call **911** immediately to report the incident.
- Notify the facilities emergency alert number **502-564-2652**.
- Do not attempt to leave the building or make any decisions concerning the threat without specific instructions from the person at **911** or the **assigned building services staff**.
- If an evacuation is ordered, please follow instructions closely and leave the building for the safe assembly area.

2-11 Active Shooter

- In an active shooter situation, you should quickly determine the most reasonable way to protect your own life. You should:
 - **Evacuate:** If there is an accessible escape path, attempt to evacuate the premises.
 - **Hide out:** If evacuation is not possible, find a place to hide where the active shooter is less likely to find you.
 - **Take action:** As a last resort, and only when your life is in imminent danger, attempt to disrupt and/or incapacitate the active shooter.
- When law enforcement officials arrive, it is important that you:
 - Remain calm and follow instructions.
 - Put down any items and immediately raise your hands while spreading your fingers.
 - Avoid making any sudden movements and keep your hands visible at all times.
- If possible, immediately report the threat to **911**.
- If you can safely call another number, report the situation to the facilities emergency alert number **502-564-2652**.

2-12 Code Adam

- Code Adam decals may be posted at the building entrance. Employees should take the following steps when a Code Adam is activated (a child is reported missing by another employee or visitor in the facility):
 - Obtain a **detailed description of the child** and what he or she is wearing.
 - Call the emergency alert number at **502-564-2652** and **report the child's information, physical features and clothing**. The Building Services Staff will immediately **announce a Code Adam** and then the child's description. Designated employees **immediately stop working and look for the child**. Designated employees monitor entrances to ensure the child does not leave the premises. All other employees should observe and report.
 - If the child is not found within 10 minutes, the Building Services Staff or designee, **will call law enforcement**.
 - If the child is found and appears to have been lost and unharmed, **reunite the child** with the searching family member at main entrance.
 - If the child is found accompanied by someone other than a parent or legal guardian, make reasonable efforts to delay their departure without putting the child, staff, or visitors at risk. Immediately notify law enforcement and give **details about the person accompanying** the child.
 - Cancel the Code Adam page after the child is found or law enforcement arrives.
