The Commonwealth of Kentucky ("Commonwealth"), Tourism, Arts, and Heritage Cabinet, Department of Fish and Wildlife Resources (KDFWR), is currently seeking bids for operation of a "Halloween Attraction" located at the Otter Creek Outdoor Recreation Area, Brandenburg, Kentucky ("Otter Creek"). To that end, the Commonwealth solicits proposals from private, third-party, entities who wish to accept responsibility for the license, management, operation and maintenance of a Halloween Attraction for the Fall/Winter 2017 and to operate, maintain, manage, and furnish a first class, high quality Halloween Attraction (the "Attraction").

Based on detailed requirements, terms and conditions set forth in this bid package, the Commonwealth solicits proposals from prospective Bidders, who can demonstrate the necessary capability to maintain, operate, furnish and manage the Attraction at optimum potential for a one-year license term. In consideration of the benefits derived from this Attraction, and revenues derived, the Commonwealth is willing to License to the Successful Bidder the necessary property (described herein under Exhibit B) for an initial License period of one (1) year, beginning the date the License Agreement is signed by the Secretary of Finance or upon approval of successful bid by Secretary of Finance and date of issuance of a right-of-entry to the Successful Bidder, and ending one year thereafter. For the sake of convenience, the License Agreement will be established for a one-year period, with options; although, the successful Bidder shall only occupy and use the premises for an approximate three-month period, from (potentially) September 1, 2017 through November 30, 2017. At the sole discretion of the Commonwealth and when consistent with the best interests of the Commonwealth, the Commonwealth may renew the License Agreement for an additional period not to exceed five (5) years. Terms and conditions, including rent payable to the Commonwealth, may be renegotiated to meet requirements for the renewal period based on prevailing conditions at that time.

Otter Creek Outdoor Recreation Area (OCORA) is a 2,155-acre facility operated by the Kentucky Department of Fish and Wildlife Resources (see Exhibit A). Since the 1940’s, this area was operated by Louisville Metro Government as Otter Creek Park. The Park was officially closed by Louisville in January 2007; however, deed restrictions established by US Department of Interior require the area to be continually operated for public recreation purposes. As such, in 2010, a Memorandum of Agreement with ultimate
ownership was established, and renewed in 2011, between KDFWR and Louisville Metro to operate OCORA (see Exhibit F).

Otter Creek Outdoor Recreation Area is located at 850 Otter Creek Park Road, Brandenburg, Kentucky 40108. This Recreation Area is located in Meade County, Kentucky approximately 20 miles from Louisville, Kentucky. It is strategically located near two major interstate highways, I-64 and I-65, and the highest population center in Kentucky. Equally important, it is adjacent to the Fort Knox Military Installation, now home for the Army's Human Resource Center. Collectively 40,000 soldiers, family, and civilians are associated with this Center.

KDFWR is managing OCORA to accommodate multi-outdoor recreational opportunities, which will include fishing, picnicking, archery and firearm ranges, as well as approximately 24 total miles of existing trails for hikers, horseback riders, and mountain bike riders. Hunting opportunities will also be offered that are compatible with other existing uses. The Otter Creek Outdoor Recreation Area is subject to Entry Fees and/or Special Activity fees for such outdoor recreational opportunities. The Halloween Attraction clientele will not be subject to these fees. The Otter Creek Outdoor Recreation Area, subject to Meade County Ordinances, does not allow the sale of alcohol on the premises.

Section IX
PERFORMANCE

The Otter Creek "Halloween Attraction" is a "Haunted Trail" with props, special effects and actors, which has been offered at Otter Creek Park in prior years, when owned and operated by Louisville Metro Government. All of the equipment and props are to be provided by and at the sole expense of the Successful Bidder. All programming is to be for the public recreational benefit. The premises used for the "Halloween Attraction" is limited to the following areas in OCORA:

The "Special Attraction Trail", stage field, service road, stage and all paved and field parking areas, see Exhibit B. Note: The open field area, located west of the red-lined license boundary, shall only be utilized by the Successful Bidder as overflow parking, when necessary, and shall not be utilized by the Successful Bidder as part of the Halloween Attraction area.

The Successful Bidder will be permitted to set-up as early as September 1, 2017. The set-up should begin in the back of OCORA Attraction area and gradually move to the entrance of the OCORA Attraction area. The successful Bidder’s set-up will be limited to one and one-half (1-1/2) months. The Department of Fish and Wildlife Resources must review all material associated with the production, prior to set up of the Attraction.

Note: The pond, area around the pond, log cabin, Nature Center, and 6 10' x 10' cabins are no longer apart of the permitted area for the Halloween Attraction.

Sufficient personnel for security, trash pick-up, ticket sales, parking assistance and the entire operation of the production shall be the responsibility of and provided by and at the sole expense the Successful Bidder. At a minimum, daily trash pick-up and waste receptacle and recycle services must be provided for the duration of the set-up, production and dismantling of the production.

The Successful Bidder shall not be authorized to construct, erect, or place any structure or other facility upon the premises, or to make any alteration to an existing structure or facility, without the prior written approval of the Department of Fish and Wildlife Resources and the Department of Facilities and Support Services. Requests for same shall be made in writing to the Department of Fish and Wildlife Resources and the Department of Facilities and Support Services.

The Successful Bidder may not remove the structures, improvements, and equipment erected or placed upon the premises without the prior written approval of the Department of Fish and Wildlife Resources. Upon approval from the Department of Fish and Wildlife Resources to remove any structures, improvements, or equipment placed upon the premises, the Successful Bidder must repair any damage to the premises resulting from the removal of the structures, improvements, or equipment.
Such improvements, structures and equipment so placed in or upon or attached to the premises shall remain the property of the Commonwealth, unless such improvements, structures, and equipment can be removed without damage to the Commonwealth’s property. Upon the removal of said improvements, structures, and equipment, or any portion thereof, the Bidder shall promptly repair any damage to the licensed premises resulting from the installation or removal of same and return the licensed premises to its original condition, at the Bidder’s sole expense. Structures and equipment not removed from the premises at the termination, cancellation or expiration of the resulting license shall become the property of the Commonwealth, which may, at its sole discretion, assess the Bidder the costs of removal or repair incurred by said Commonwealth as a result of the Bidder’s failure, howsoever caused, to effect the removal or repair required herein.

Prior to initiating any renovation or alteration or construction to the licensed premises, such renovation or alteration or construction must be approved by the Commonwealth; the Division of Engineering/Finance and Administration Cabinet; and the Department of Housing, Building and Construction/Public Protection and Regulation Cabinet.

Bidder shall comply with all standards set by the State Fire Marshal’s Office, and the Kentucky Occupational Safety and Health Standards Board.

Nothing in the this bid package shall in any way be deemed or construed as constituting an order or request by the Commonwealth, expressed or implied, to any contractor, subcontractor, supplier, materialman, or laborer, for the construction of any improvements on, alteration to, or other improvements of the licensed premises; nor as giving the Bidder any right, power or authority to contract for or permit the rendering of any services or furnishing of materials that would give rise to the filing of any mechanic liens against the Commonwealth’s property or the Bidder’s license hold interest in the licensed premises by reason of work supplied to the Bidder. If a mechanic’s or materialman’s lien shall be filed against the licensed premises at any time, the Bidder shall immediately notify the Commonwealth in writing of such lien, and shall cause the same to be discharged within thirty (30) days after the notice of filing thereof by payment, deposit, bond, or Order of Court of competent jurisdiction or otherwise. If the Bidder, in good faith, disputes the validity or correctness of any lien, then the Bidder shall immediately notify the Commonwealth in writing of such dispute and may refrain from paying or causing the same to be discharged of record, but the Bidder shall diligently proceed to initiate and conduct appropriate proceedings to determine the correctness or validity of such lien. The Bidder shall not be deemed to be in default under resulting agreement while such proceedings are being conducted in good faith by them. However, if the Bidder fails to cause any such lien to be discharged with the period aforesaid or fails to contest the same as provided above, the Bidder shall be deemed to be in default of the resulting agreement, which shall be a basis for termination of said agreement under the “Termination for Default” condition contained herein.
The inability of the Successful Bidder to obtain proper financing, approved in advance by the Commonwealth, by the aforementioned deadlines for commencement of operation shall not constitute a reasonable reason for an extension of time.

The Department of Fish and Wildlife Resources will monitor and inspect on a periodic basis the quality of all services and products offered, to insure that the image and public perception of this operation is equal to or exceeds that of the Kentucky Department Fish and Wildlife Resources recreational system.

The Successful Bidder shall be responsible for assuring that the Attraction provides services to the best standards prevailing for similar businesses.

All rates and prices charged by the Successful Bidder for goods and services shall be reasonable throughout the entire term of the license and any extension thereof.

The Bidder shall not engage nor permit their employees to engage in any offensive, injurious, or abusive use of the licensed premises. All Halloween attraction services shall be conducted in the highest professional manner that will be a credit to the Commonwealth. Bidder shall maintain good order at all times and shall keep the licensed premises used by the Bidder in a clean and sanitary condition throughout the entire term of this agreement, whether operating or not.

The Bidder agrees and covenants not to engage in any illicit or unlawful business nor to engage in any illicit social relationships with KDFWR employees, vendors, performing artists, and OCOROA guests or any other entity that would interfere with the business activity contemplated in the resulting agreement or impair the public perception of the good image of the Commonwealth of Kentucky during the term of the resulting license. The Bidder’s failure to perform this term or condition shall be deemed to be a material breach of the resulting license agreement.

The Department of Fish and Wildlife Resources shall be responsible for ensuring that such provisions are enforced. Major deviations from these provisions will not be made without the prior written approval of the Division of Real Properties and the Department of Fish and Wildlife Resources. Problems that arise under any aspect of performance should first be resolved between the Bidder and the agency. If such problems and/or disagreements cannot be so resolved, either party in writing should refer them to the Division of Real Properties for settlement.

the Halloween Attraction. The audit shall be for the just concluded year of operation by an independent firm of certified public accounts of recognized ability and standing, and a copy of the audit shall be submitted to the Department of Fish and Wildlife Resources and the Finance and Administration Cabinet no later than three and one-half months after year’s end. At the sole discretion of the Commonwealth and when consistent with the best interests of the Commonwealth, the Commonwealth may renew the License Agreement for an additional period not to exceed five (5) years. Terms and conditions, including rent payable to the Commonwealth, may be renegotiated to meet requirements for the renewal period based on prevailing conditions at that time.

The Commonwealth of Kentucky reserves the right to renegotiate any terms and/or conditions as may be necessary to meet requirements for the extended period. The Bidder shall be advised of any proposed revisions prior to the renewal period. In the event
proposed revisions cannot be agreed upon, either party shall have the right to withdraw from either exercising the option or continuing the license in an extended period.

The Bidder’s use of the premises and operation of the Halloween Attraction are subject to, and the Bidder shall comply with, all applicable state and federal statutes and regulations. A written notice will be given to the Bidder(s) at least thirty (30) days prior to such proposed termination date. Upon the termination date specified in the written notice, all privileges of Bidder shall cease and Bidder shall no longer be permitted to use OCORA structures or premises and shall remove any personal property of Bidder from premises by the cancellation date.

or property or loss of life or property resulting from or in any way connected with the character, condition or use of the licensed premises or any means of ingress thereto, or egress therefrom, or resulting from the Bidder’s operations on the licensed premises, unless such injury or loss arises directly from the negligence of the Commonwealth, any of their departments or agencies, or officers or employees while acting within the scope of their employment.

The Successful Bidder shall, at its own expense, assume defense of such claims and actions for damages arising out of such injuries or losses which may be brought against the Commonwealth by third persons; and shall pay such judgments that may be rendered in such actions, unless such claims or actions for damages and/or judgments arise directly from the negligence of the Commonwealth, any of its departments or agencies, or any of its officers, agents or employees while acting within the scope of their employment.

Successful Bidder shall also carry and maintain during the term of the license, at Successful Bidder’s sole cost and expense, fire and extended coverage insuring all contents and inventories in the premises to the extent of their full insurable value. Certificates of such policies shall be delivered to the Commonwealth within ten (10) days of the beginning of operations at the facilities, and thereafter within thirty (30) days prior to the expiration of the term of each policy, together with evidence of payment thereof by the Successful Bidder. If at any time during the period in which the resulting License Agreement is in effect, the Bidder defaults on any obligation incurred hereunder, then the Agreement shall be subject to termination by the Commonwealth with no right of recourse remaining in the Bidder. All rights and benefits herein conferred shall be deemed forfeited, and the Bidder covenants that it shall quietly surrender possession of the licensed premises to the Commonwealth, provided however, that before any termination shall occur under this Paragraph, the Bidder shall be given written notice and be allowed thirty (30) days from the date of receipt of such
notice in which to cure such or noncompliance. If said default or noncompliance is cured within the above time period, then the License Agreement shall remain in full force and effect.

The procedure for termination of the License Agreement under this Paragraph shall be as follows:

- The Commonwealth shall deliver, by certified mail, to the Bidder, a “Notice of Termination” which shall specify (i) the reason(s) for termination of the License Agreement; (ii) the extent to which performance under this License Agreement is to be terminated; and, (iii) the date upon which termination shall become effective.

All of the Successful Bidder’s equipment (excluding fixtures), supplies, and materials shall be removed from the licensed premises, at successful Bidder’s sole expense, fifteen (15) days after the last day of the Halloween Attraction. Failure to remove personal property from the Licensed Premises shall also be deemed a lack of compliance with “satisfactory” clean-up/restoration, as described on Pages 10 and shall result in forfeiture to the Commonwealth of the $2,000 security deposit.
Section XXIV
EMPLOYMENT PRACTICES

The Successful Bidder shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age (except as provided by law), marital status, political affiliation, or disability. The Successful Bidder must take affirmative action to ensure that employees, as well as applicants for employment, are treated without discrimination because of their race, color, religion, status, political affiliation, or disability. The right is hereby reserved to the Commonwealth, its officers, agents and employees, to enter upon the Attraction premises at reasonable times to inspect the premises, operation and equipment, or for any purposes in connection with work necessary to the benefit of the Commonwealth.

Section XXVII
ASSIGNMENT

The Bidder shall not voluntarily, involuntarily or by operation of law assign, sublet, or otherwise transfer the License Agreement or any interest created therein, to any other person, association, partnership, corporation or other entity without first obtaining in each and every instance the Commonwealth’s prior written consent. Any attempt to assign, sublet, or otherwise transfer the License Agreement, or any interest created therein, without such consent shall be void. If an assignment, sublet or transfer is made with the consent of the Commonwealth, then the Bidder shall not be relieved from the performance of all terms, covenants and conditions of the License Agreement. If the Commonwealth to any such assignment, subletting, or transfer once gives consent, such consent shall not operate as a waiver of the necessity for obtaining the Commonwealth’s consent to any subsequent assignment, subletting, or transfer. No assignment will be effective or binding against the Commonwealth until such time as the assignee executes an amendment, signed by all parties, reflecting such assignment.

Section XXVIII
INDEPENDENT CONTRACTOR STATUS

The Bidder shall be held to be an independent contractor and all persons employed by him/her in the exercise of the privileges granted therein shall be employees, agents and servants of Bidder only and not the OCORA.

Section XXIX
