

AMENDMENT #1 – RFP#100318
Department of Aviation
Capital City Airport Hangar Building

- I. The overall scope of the RFP is hereby revised, so that one or more hangar sites may be leased out for the construction and operation of private hangar structure(s) at the Capital City Airport, Frankfort, KY 40601. As such, any reference within the RFP to site shall be amended to lease site(s); any references to hangar are amended to hangar(s); any references to structure pertaining to hangar(s) are amended to structure(s).
- II. The proposal receiving the highest point total shall be awarded a lease contract for Site #1; the next highest point total shall be awarded a lease contract for a site to be determined by the Department of Aviation, but within the confines of Exhibit C attached to the RFP; the next highest point total shall be awarded a lease contract for a site to be determined by the Department of Aviation, but within the confines of Exhibit C attached to the RFP; and so on.

All other terms and conditions of RFP#100318 remain the same.

END OF AMENDMENT#3 – RFP#100318
