#### Commissioning

- 019113-1 Commissioning - Requirements and Specifications Overview
- 019113-2 Commissioning - Project Deliverables and Submittal Overview
- 019113-3 Commissioning Submittal Checklist
- 019113-4 Commissioning Plan Overview
- 019113-5 Commissioning - Sample Commissioning Plan Outline
- 019113-6 Commissioning - Owner’s Project Requirement Overview
- 019113-7 Commissioning - Systems Basis of Design Document Overview
- 019113-7.1 Commissioning-Systems Basis of Design Workbook
- 019113-8 Systems Commissioning and Testing Overview
- 019113-9 Commissioning - Systems Manual Overview
- 019113-9.1 Commissioning - Sample Table of Contents for the Systems Manual

#### Thermal and Moisture Protection

- 070000-0 Thermal and Moisture Protection – Roofing - Contents
- 070000-1 Thermal and Moisture Protection - Roofing General Information
- 070000-2 Thermal and Moisture Protection - Low Slope Membrane Roofing
- 070000-3 Thermal and Moisture Protection - Steep Slope Roofing

#### All MEP Divisions 21, 22, 23, 25, 26 & 27

- 200000 Owner’s Project Requirements

#### Fire Suppression

- 210000-1 Fire Suppression - Design Submittals Checklist
- 210000-2 Fire Suppression - Owner’s Project Requirements
- 210000-3 Fire Suppression - Piping & Instrumentation Diagram (P&ID) Guidelines
- 210000-4 Fire Suppression - Record Drawing Guidelines

#### Plumbing

- 220000-1 Plumbing – Design Submittals Checklist
- 220000-2 Plumbing - Owner’s Project Requirements
- 220000-3 Plumbing - Piping & Instrumentation Diagram (P&ID) Guidelines
- 220000-4 Plumbing - Record Drawing Guidelines

#### HVAC

- 230000-1 HVAC – Design Submittals Checklist
- 230000-2 HVAC - Owner’s Project Requirements
- 230000-3 HVAC - Energy Savings through Design Practices
- 230000-3.1 HVAC – Energy Savings Report Example 1
- 230000-3.2 HVAC – Energy Savings Report Example 2
- 230000-4 HVAC - Coal Life-Cycle Analysis
- 230000-5 HVAC - Piping & Instrumentation Diagram (P&ID) Guidelines
- 230000-6 HVAC - System Airflow Diagram Guidelines

Integrated Automation

- Integrated Automation – Design Submittals Checklist
- Integrated Automation - Owner’s Project Requirements
- Integrated Automation - Energy Savings through Design Practices
- Integrated Automation - System Airflow Diagram Guidelines
- Integrated Automation - Record Drawing Guidelines
- Integrated Automation - CEMCS Points List Introduction
- Integrated Automation - CEMCS Points List Spreadsheet

Electrical

- Electrical - Design Submittals Checklist
- Electrical - Owner's Project Requirements
- Electrical – Energy Savings through Design Practice
- Electrical - Equipment Pre-Purchase (Mechanical/Electrical)
- Electrical - Coal Life-Cycle Analysis
- Electrical - Record Drawing Guidelines

Communications

- Communications - Design Submittals Checklist
- Communications - Owner’s Project Requirements
- Communications - Equipment Pre-Purchase
- Communications - Energy Savings through Design Practices
- Communications - Record Drawing Guidelines

Electronic Safety and Security

- Electronic Safety & Security - Design Submittals Checklist
- Electronic Safety & Security - Owner’s Project Requirements
- Electronic Safety & Security - Equipment Pre-Purchase
- Electronic Safety & Security - Energy Savings through Design Practices
- Electronic Safety & Security - Record Drawing Guidelines

Erosion and Sedimentation Control

- Erosion and Sedimentation Control - Storm Water Pollution Prevention Plan (SWPPP) - Contents
- Erosion and Sedimentation Control - SWPPP Technical Requirements
- Erosion and Sedimentation Control - SWPPP Guide Specifications
- Erosion and Sedimentation Control - SWPPP Operation and Maintenance Guidelines
- Erosion and Sedimentation Control - SWPPP Best Management Practices (BMP) Options Checklist
- Erosion and Sedimentation Control - SWPPP Example Maintenance Log
- Erosion and Sedimentation Control - SWPPP Blank Maintenance Log
- Erosion and Sedimentation Control - SWPPP Best Management Plan (BMP) Example Site Plan
- Erosion and Sedimentation Control – EPA Guide: Developing Your Stormwater Pollution Prevention Plan
