

Electrical - Equipment Pre-Purchase (Mechanical/Electrical)

Division 260000-4

See Sections:

- 236414-1 HVAC – Equipment Pre-purchase,
- 236414-2 HVAC – Chiller Life-Cycle Procurement,
- 236414-3 HVAC – Sample Centrifugal Chiller Pre-purchase Guide Specification, and
- 236414-4 HVAC – Sample Special Conditions Chiller Pre-purchase Guide Specifications.

Typically, mechanical and electrical equipment will not be purchased directly by the Division of Engineering and Contract Administration.

The Project Manager may approve exceptions. (e.g., where the project has a tight construction schedule and pre-purchase could aid in meeting the schedule).

When equipment is to be pre-purchased, use the Chiller Pre-Purchase Guide Specifications as an example format to prepare specifications.

Equipment purchased directly from a non-installing vendor is exempt from Kentucky sales tax. Equipment furnished and installed by a contractor is subject to sales tax.
