Purpose

To explain to users the different features of Account Information section of the Commonwealth of Kentucky’s Vendor Self Service (VSS) website. Including descriptions of the different sub-sections and instructions on how to complete frequently asked account modification request (i.e. address changes, adding new users and etc.).

General Information

Vendor account modifications will not be applied instantaneously. An automated process of matching up VSS and the Commonwealth Internal Database must be completed before any account modifications will become final. During this time, the account modifications will be indicated in Pending status.

After logging into the Kentucky Vendor Self Service system, the defaulted homepage is set to the Account Information tab and Summary sub-tab. The Account Information tab is the central page for account maintenance in VSS.

The Account Information tab is broken into the following six (6) sub-tabs:
1. Summary
2. Business Info
3. Addresses & Contacts
4. Users
5. Commodities
6. Business Types
1 – Summary
This Section allows you to view your account’s general information.

Please Note:
The Primary Account Administrator is the individual who first registered the company’s account on VSS or its designated account holder.
2 – Business Info

This section allows you to update your organizations DBA and your 1099 legal address.

Please Note:

Contact the Customer Resource Center Help Desk directly for Legal Name or Taxpayer ID number changes by email Finance.CRCGroup@ky.gov or call 877-973-4357 (toll free) or 502-564-9641.
3 – Addresses & Contacts
This section allows you to view, add or modify addresses and contacts on your vendor record.

Please Note:
The default Ordering Address record from this page will be used to issue Purchase Orders and other award documents to your organization.
The default Payment Address record from this page will be used to mail your payments to your organization.
You cannot delete an address once it has been added. However, you can update the address by modifying it.
Only Account Administrator and Full Access users will be able to make changes to the address fields. All required fields are preceded by a red asterisk(*)..

[Continued on Next Page]
How to Update Addresses

This will update existing addresses on your vendor record.

1. In the **Update Address** section of the page, identify the Address ID to update.
2. Click on the **View/Update** link to enter the **View/Update Available Address** page.

3. Update the desired field(s) and click the **Save** button.

4. The **Pending Changes** box should be checked to indicate that the update is pending.
How to Update Contact

This will update existing contacts on your vendor record.

1. In the **Update Contacts** section of the page, identify the Contact ID to update.
2. Click on the **View/Update** link to enter the **View/Update Available Contact** page.

3. Update the desired field(s) and click the **Save** button.

4. The **Pending Changes** box should be checked to indicate that the update is pending.
How to Add a New Address and Contact

This will add a new Payment or Ordering address.

1. In the **Existing Address & Contact Assignments** section of the page check that the address to add is not listed.

2. Click on the **Assign/Create Addresses & Contacts** button.

3. Check the box to indicate the Address Type you are adding to your record (Ordering, Payment or Both). The **Active From** date will automatically populate with the current date if it is not entered.

4. Complete the required fields for the new address. Then click the **Next** button to continue.
5. Complete the required fields for the new contact. You can use an existing contact by clicking the Find button and selecting the existing contact. Click Next to continue.

Assign / Create Addresses & Contacts - Step 2 of 3

Select an existing or enter a new contact for the address you entered on the previous page. If you have different contacts for one or more of the address types you may de-select the checkbox(s) below. You will be prompted with additional pages to enter the associated contact information.

- Address Types

- Principal Contact

- *Principal Contact ID:*
- *Contact Name: New Contact*
- *Title/Role:*
- *Permissions:*
- *Authorized Representative:*
- *Email: new@vendor.com*
- Correspondence Type: Email
- English Spoken: Yes
- *Phone: 502-564-9641*
- XXX-XXX-XXXX
- Phone Extension: 

* Indicates a required field

[Continued on Next Page]
6. Review the new address and contact entry. Then click **Save** to finalize.

**Assign / Create Addresses & Contacts - Step 3 of 3**

Please review the address and contact information you have entered. Click the 'Save' button to submit them.

### 4 – Users: How to Update Existing User

This section allows you to maintain your vendor account holder's information. You can update the User ID account holder information or add a new User ID(s).

From the Users tab, click the **View/Modify** link to enter the **View/Modify User Information** page to update an existing user on the vendor record.
User Information
Update the desired field(s) for the **User Information**, and then click **Save** at the bottom of the page.

![User Information Form](image)

Email Notifications
Update the desired options for **Email Notifications**, and then click **Save** at the bottom of the page.

![Email Notifications Form](image)

Access Levels
1. Click **Change Access Levels** at the bottom of the page.

![Access Levels Form](image)
2. Update the desired access levels for the existing user, then click **Save**.

### Access Levels

Select one Primary Access Level and any Optional Access Levels for the user.

<table>
<thead>
<tr>
<th>Access Level</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Account Administrator</strong></td>
<td>Account Administrator users have the ability to add account users, and assign access levels to each user. They may also update the Account Information and User’s information. They will also have the ability to view financial transactions pertaining to the account. Account Administrator users will also be capable of updating their own profile information.</td>
</tr>
<tr>
<td><strong>Full Access</strong></td>
<td>Full Access users may only update the account information other than User information. They will also have the ability to view financial transactions pertaining to the account. Full Access users will only have the ability to update their own profile information.</td>
</tr>
<tr>
<td><strong>Display Only</strong></td>
<td>Display Only users will be able to view the Account Information other than User information. They will also have the ability to view financial transactions pertaining to the account. Display only users will only have the ability to update their own profile information.</td>
</tr>
</tbody>
</table>

### Optional Access Levels

Select any optional access levels to be made available to the user.

<table>
<thead>
<tr>
<th>Access Level</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Create Invoice</strong></td>
<td>This optional level allows a User to create an invoice. All Users can view invoice information but a User must have this access level to create an invoice.</td>
</tr>
<tr>
<td><strong>Create Solicitation Response</strong></td>
<td>This optional level allows a User to respond to solicitations. All Users can view solicitations but a User must have this access level to create a response.</td>
</tr>
<tr>
<td><strong>Query Tax Information</strong></td>
<td>Query Tax Information will allow a user to view tax information for their account</td>
</tr>
</tbody>
</table>

### Security Questions and Answers

The **Security Question and Security Answer** can both be updated in this section. Update the desired Security Question and Answers fields and click **Save**.
Change Password

1. Click Change Password at the bottom of the screen.

2. Type the new password in the Enter New Password and Re-enter New Password field. Then click Save to change the password for the user.

4 – Users: How to Add a New User

This will create a new User ID account holder.

Please Note:

The Primary Account Administrator is the only user that has the ability to add new users. If that person is no longer with your company, contact the Finance Customer Resource Center (CRC) by email at Finance.CRCGroup@ky.gov or phone 502-564-9641 or toll-free 877-973-HELP (4357) to assist with updating your account.

1. Click the Add button.
2. Create a new User ID and complete the required fields with the appropriate information. Then click **Next**.

3. Select the appropriate **Access Levels** for the new account user.
4. Click the **Save** button to complete the process.
5. On the Account Users page, you should see the new User ID displayed.

![Account Users](image)

5 – Commodities

This section allows you to maintain a list of the commodity codes associated with your organization. Commodity codes are displayed as a 5-digit number that are categorized to represent products or services your organization can provide. It is recommended to register for all commodity codes that relate to your business. Future solicitations with the commodity codes you associated with will allow you to receive courtesy email notifications with announcements and updates for that solicitation.

Please click on the following link to access a list of NIGP commodity codes used by the Commonwealth of Kentucky:

[Commodity Class Codes & Descriptions](link)
How to Add a Commodity Code

1. Click **Add Item** button.

2. Select the commodity codes(s) you want to associate with your organization. You can use the Commodity/Service Code and/or Commodity Description fields to search for commodity codes.

3. Click **OK** to add the commodity codes to your vendor record.

You can use an asterisk (*) or the percentage (%) symbol as a wildcard in your search for the Code or Description.
4. On the Commodities page, you can click the **View Pending Additions** button to see commodity codes you added.

   ![Commodities Table]

5. From the View Pending Additions – Commodities page, click **Back** to go back to your vendor account.

   ![View Pending Additions - Commodities]

**How to Remove Commodity Code**

1. Click the **Delete** link on the row of the commodity code you want to remove.

   ![Existing Commodities]

---

19 of 22
2. Select OK in the following popup window.

![Popup Window]

Warning: You are about to delete a commodity. Select OK to continue or Cancel to go back to the Commodities page.

3. The **Pending Deletion** column should now have a checkmark next to the commodity code(s) to remove.

![Commodity Table]

6 – Business Types

This section allows you to maintain a list of Business Types that apply to your organization. Business Types identify information about your company's operation.

Business Types may be used to identify the type of ownership for your business (ie. Minority Owned, Woman Owned).

**How to Add a Business Type**

1. Click **Add Item** button.

![Business Types Section]
2. Select the business type(s) by checking the box next to the Business Type and then click OK.

3. Enter the Certification number, start date and end date if applicable. Leaving the date fields blank will default to the current date.
4. Click the Save button.
5. Click **View Pending Additions** on the Business Types page to view business types you added.

6. From the View Pending Additions – Business Types page, click **Back** to go back to your vendor account.

---
